CATEGORICAL EXEMPTION and ARTS, PARKS, LIBRARIES, AND COMMUNITY ENRICHMENT COMMITTEE REPORT relative to a Memorandum of Understanding (MOU) with Friends of Oakridge for the restoration and preservation of the Oakridge Estate Residence located at 18650 Devonshire Street.

Recommendations for Council action:

1. DETERMINE that the proposed project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301 (Operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use) of the California CEQA Guidelines; and, Article III, Section 1, Class 1(14) of the City CEQA Guidelines.
2. APPROVE a proposed five-year MOU, with one five-year option to extend at the discretion of the General Manager, RAP, or designee, between the City of Los Angeles, acting by and through the Board of Recreation and Park Commissioners (Board), and Friends of Oakridge (Organization) in support of the restoration and preservation of the Oakridge Estate Residence located at 18650 Devonshire Street, Northridge, California 91324, substantially in the form as Attachment 1 of the Board report dated December 18, 2025, attached to the Council file.
3. AUTHORIZE the President and Secretary, Board, to execute the MOU subsequent to all necessary approvals.
4. AUTHORIZE the RAP to make any necessary technical changes consistent with the Board's intent in approving said Board report and proposed MOU.

Fiscal Impact Statement: The Board reports that the proposed MOU will have no adverse impact on RAP's General Fund as operations and program costs associated with the Organization's use and support of the Oakridge Estate Residence and Park will be paid for by the Organization at no cost to the City or the RAP.

EXEMPTIONS, ARTS, PARKS, LIBRARIES, AND COMMUNITY ENRICHMENT COMMITTEE REPORT and ORDINANCE FIRST

CONSIDERATION relative to adding Verdugo Mountain Park, located in the Shadow Hills neighborhood, to the list of City parks with specific opening and closing hours.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. DETERMINE the following:

- a. The proposed action is exempt from the California Environmental Quality Act (CEQA) under Section 15301 of the State CEQA Guidelines and Section 1(a) of Article III of the City CEQA Guidelines, in that the project involves the minor alteration of an existing public facility with negligible or no expansion of its current use.
- b. The proposed action is exempt pursuant to State CEQA Guidelines Section 15323, as its action consists of the normal operation of existing facilities for public gatherings for which the facility was designed.
- c. The proposed action does not constitute a project under CEQA pursuant to State CEQA Guidelines Section 15378(b), in that the action relates merely to administrative and organizational matters and the setting of policy and procedures that do not result in any direct or indirect change to the physical environment.

2. PRESENT and ADOPT the accompanying ORDINANCE, dated January 5, 2026, amending Section 63.44.B.14(c) of Article 3, Chapter VI of the Los Angeles Municipal Code to add Verdugo Mountain Park, located east of the Interstate 5 freeway and south of La Tuna Canyon Road in the Shadow Hills neighborhood, to the list of parks with specific opening and closing hours to open at Sunrise and close at Sunset.

(10) **23-1032**

COMMUNICATION FROM THE CHAIR AND MEMBER, ENERGY AND ENVIRONMENT COMMITTEE, relative to terminating the Removing Barriers to Recycling (RBR) Program component of the RecycLA solid resources franchise hauling contracts.

SUBMITS WITHOUT RECOMMENDATION the following recommendations of the City Administrative Officer (CAO):

1. FIND that the City cannot continue funding the RBR Program.
2. INSTRUCT the Bureau of Sanitation (BOS) to:
 - a. Terminate the RBR Program provision of the RecycLA personal services contracts for exclusive franchise commercial and multi-family solid resources collecting and hauling for all 11 zones Citywide, encompassing the following agreements:
 - i. Arakelian Enterprises, Inc. dba Athens Services (C-128879)
 - ii. Consolidated Disposal Service, LLC dba Republic Services (C-128880)
 - iii. Universal Waste Systems, Inc. (UWS) (C-128881)
 - iv. USA Waste of California, Inc. dba Waste Management (C-128878)
 - v. CalMet Services, Inc. (CalMet) (C-128875)
 - vi. NASA Services, Inc. (NASA) (C-128876)
 - vii. Ware Disposal, Inc. (Ware) (C-128877)
 - b. Provide written notice of termination to the RecycLA service providers with termination of the RBR to occur on January 31, 2027, upon the anticipated expiration date of

the current contracts listed above, with notice to occur at least one calendar year prior to the effective termination date.

- c. Complete all audits of the RBR Program, address any discrepancies including any reimbursements owed to the City, issue liquidated damages as appropriate, and pursue the resolution of outstanding liquidated damages owed by current RecycLA service providers through the RBR payment reconciliation process and other means, as necessary, prior to the termination of the contracts on January 31, 2027.

Fiscal Impact Statement: The City Administrative Officer (CAO) reports that adoption of the above recommendations would activate a required one-year notice period for RecycLA service providers to terminate the RBR Program by January 31, 2027 and could mitigate costs to the Citywide Recycling Trust Fund (CRTF) by up to \$2.49 million per month should new waste collection contracts not be in place by February 1, 2027, which may then result in an equal amount of savings to the General Fund in reduced subsidies and appropriations required to support CRTF obligations in 2026-27. Adoption of the above recommendation to instruct the BOS to seek any owed reimbursements and resolve outstanding liquidated damages due to the City prior to the expiration of the current RecycLA contracts may result in additional revenue to the CRTF and further reduce its reliance on the General Fund, impacts of which are unknown at this time.

Financial Policies Statement: The CAO reports that the above recommendations pursue compliance with the City's Financial Policies in that, to the extent possible, current operations will be funded by current revenues, and that special funds are to reimburse the General Fund for all direct expenditures and related costs provided to support their programs.

COMMUNICATION FROM THE CITY ADMINISTRATIVE OFFICER relative to amending Chapter 14 – Deferred Compensation Plan, of the Los Angeles Administrative Code (LAAC) to allow for an employer contribution to an employee's Deferred Compensation Plan 457(b) retirement savings account.

Recommendation for Council action:

REQUEST the City Attorney to prepare and present an Ordinance amending Chapter 14 – Deferred Compensation Plan, of the LAAC to allow for an employer contribution to an employee's Deferred Compensation Plan 457(b) retirement savings account.

Fiscal Impact Statement: The City Administrative Officer reports that developing the details of the proposed Plan amendment and associated implementation steps will cost an estimated \$250,000, including set up and reprogramming fees to the Plan record keeper, consulting costs, and staffing reimbursement expenses. The Los Angeles Department of Water and Power (LADWP) has pledged to contribute \$150,000, with the difference coming from the General Fund. The General Fund will not be impacted beyond the preparation of Plan design changes and initial implementation steps; once the employer contribution feature is enacted, expenses will be part of ongoing operating costs for the Plan. The funds for the employer contribution amounts themselves will be borne solely by LADWP.

ENERGY AND ENVIRONMENT COMMITTEE REPORT relative to the Third Amendment to the agreement with URS Corporation Americas for the North Haiwee Dam Seismic Improvement Project.

Recommendations for Council action:

1. APPROVE the Department of Water and Power (DWP) Resolution authorizing the DWP to execute a Third Amendment to Agreement No. 47880 with URS Corporation Americas, extending the term of February 4, 2010 through February 3, 2026 by two years through February 3, 2028, for a total term of 18 years, and increasing the contract authority by \$2 million, from \$7.5 million to \$9.5 million to support ongoing seismic improvements to the North Haiwee Dam Seismic Improvement Project, including completion of environmental, archaeological, and other related services.
2. AUTHORIZE, upon proper certification, the Chief Accounting Employee to draw demands on the Water Revenue Fund, in accordance with the terms of this Amendment to the Agreement and Resolution.

Fiscal Impact Statement: The City Administrative Officer reports that approval of the Third Amendment to Agreement No. 47880 with URS Corporation Americas will have no General Fund impact. Approval of the DWP Resolution and contract amendment will increase the not-to-exceed contract authority by \$2 million, from \$7.5 million to \$9.5 million. Funding is available and budgeted in the Water Revenue Fund. The recommendations above comply with the DWP adopted Financial Policies.

BUDGET AND FINANCE COMMITTEE REPORT relative to funding options and positions to support Los Angeles Police Department (LAPD) sworn hiring.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. TRANSFER \$2,649,310 to the LAPD Fund No. 100/70, Account No. 001012, Salaries Sworn, from the following funds and accounts in order to fund the hiring of 410 police recruits in Fiscal Year (FY) 2025-26:

Fund No. 100/61; Account No. 009220, Police Health and Welfare; Amount: \$583,754

Fund No. 100/63; Account No. 000024, General Fund Leasing; Amount: \$600,000

Fund No. 100/70; Account No. 001095, Accumulated Overtime; Amount: \$1,465,556

Total: \$2,649,310

2. TRANSFER \$416,246 from the Human Resources Benefits Fund No. 100/61, Account No. 009220, Police Health and Welfare, to the Personnel Department in the following accounts to fund additional resources for sworn police hiring:

Fund No. 100/66; Account No. 001010, Salaries General; Amount: \$216,246

Fund No. 100/66; Account No. 001070, Salaries As-Needed; Amount: \$200,000

Total: \$416,246

3. AUTHORIZE by Resolution, subject to allocation by the Board of Civil Service Commissioners, pay grade determination by the Office of the City Administrative Officer (CAO), Employee Relations Division, and exemption authorization from the Mayor's Office, the following four positions to be employed within the Personnel Department to support sworn police officer hiring for the period of February 22, 2026 through June 30, 2026:

- a. One Assistant General Manager Personnel Department; Class Code 1745
- b. One Background Investigation Manager; Class Code 1759
- c. One Senior Personnel Analyst II; Class Code 9167-2
- d. One Chief Clerk Personnel; Class Code 1260

4. INSTRUCT the CAO, as part of the FY 2026-27 Budget development process, to recommend to the Mayor and Council \$25.06 million of ongoing reductions within the LAPD, exclusive of filled civilian position eliminations, or additional revenues, to offset the incremental ongoing costs of the FY 2025-26 additional sworn hiring recommended to be funded in the CAO report, dated January 15, 2026, attached to the Council file.

5. AUTHORIZE the CAO to make technical corrections as necessary to transactions included in said CAO report to implement Mayor and Council intentions.

Fiscal Impact Statement: The CAO reports that the FY 2025-26 cost of the additional resources in the LAPD and Personnel Department to support increased police sworn hiring is \$3,065,556. These costs are fully funded through transfers recommended within said CAO report, resulting in no additional FY 2025-26 General Fund impact. There is an ongoing General Fund impact estimated at \$25.06 million to continue the proposed resources. It is recommended that ongoing reductions or increased revenues be identified as part of the FY 2026-27 budget development process to offset these additional General Fund expenditures.

Financial Policies Statement: The CAO reports that the City's Financial Policies require that when adding new items with future-year expenditure requirements, the City shall consider its ability to continue to pay these future year expenses. The Financial Policies also require that the City avoid using one-time revenues to fund ongoing programs or services. By directing the CAO to identify ongoing reductions or increased revenues as part of the FY 2026-27 budget development process to offset these additional General Fund expenditures, the recommendations of said CAO report are in compliance with the City's Financial Policies.

Community Impact Statement: None submitted

(Personnel and Hiring Committee waived consideration of the above matter.)

SUMMARY

At its meeting held on January 20, 2026, your Budget and Finance Committee considered the CAO report, dated January 15, 2026, relative to increased funding for the hiring of 410 LAPD recruits in FY 2025-26, and proposed funding for positions to be employed within the Personnel Department to support sworn police officer hiring for the period of February 22, 2026 through June 30, 2026. The proposed amount of \$2,649,310 is identified in said CAO report as one-time funding to allow for the LAPD to hire 410 recruits, and \$416,246 to provide four positions and Salaries, As-Needed funding in the Personnel Department to support continued sworn police officer hiring. The total cost of \$3,065,556 for FY 2025-26 is proposed to be transferred from the Human Resources Benefits, Leasing, and Accumulated Overtime accounts. Representatives of the CAO's Office discussed the funding options and proposed offsets to support a continued increase in recruit hiring for FY 2025-26, the Resolution Authority request for proposed positions to support the recruit hiring within the Personnel Department, and the voluntary overtime bank negotiated by the Los Angeles Police Protective League to mitigate civilian layoffs. Representatives of the Personnel Department and LAPD discussed the streamlined hiring process and available resources for the recruit hiring, attrition rate for the recruit classes, and the internal tracking system to maintain the authorized amount of recruit hires. Councilmember McOsker introduced a Motion, seconded by Councilmember Yaroslavsky, to amend Recommendation No. 3 contained in said CAO report to include exemption authorization from the Mayor's Office for the Resolution Authority request, replace the proposed Chief Human Resources Specialist position with one Assistant General Manager Personnel Department position; and, replace the proposed Personnel Analyst position with one Chief Clerk Personnel position.

After an opportunity for public comment was held, the Committee recommended approval of the recommendations contained in said CAO report as amended, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

MOTION

15A

I MOVE that Item 15 (CF #25-0600-S129) on today's agenda be amended to add the following instructions:

Instruct the Chief Legislative Analyst (CLA) and the City Administrative Officer (CAO), with the assistance of the Office of the Controller to implement the functional transfer of certain Los Angeles Police Department (LAPD) auditing and accounting activities into a new Bureau of Police Oversight (Bureau) within the Office of the Controller under the Audit Services Division (ASD) and request the City Attorney to prepare and present the necessary ordinance(s) to effectuate the transfer of responsibilities from the LAPD to the Office of the Controller as described below.

- a. Request the Office of the Controller to report on an organizational chart and staffing plan for the Bureau that emphasizes the following key functions:
 - i. Conduct performance audits in accordance with Generally Accepted Government Auditing Standards (GAGAS)
 - ii. Regular review of key deliverables for the LAPD
 - iii. Cost analysis for each division
 - iv. Review of LAPD-produced reporting
 - v. Contract, data, and performance monitoring
 - vi. Financial accountability
- b. Request the Office of the Controller to report on additional staffing needed to effectively carry out the mission of the Bureau.

The following positions in Table will be deleted from LAPD and added to the Office of the Controller as Resolution Authorities. The transfer of the filled positions should be added to the Office of the Controller at the same classifications as LAPD if applicable or at a similar classification.

Position	Quantity
Accountant	1
Senior Accountant II	1
Police Performance Auditor II	2
Police Performance Auditor III	5
Police Performance Auditor IV	1

The property located at 1005 S. Gaffey St., San Pedro, CA 90731, has generated service calls for the Police Department in the past two years. The Police Department identifies this property as a location for criminal activity and has issued administrative citations to the tenant and operator of a business on the property for violations of Los Angeles Municipal Code (LAMC) Section 41.58.1 (Loud or Unruly Gatherings). Despite these interventions, the property has continued to generate complaints and service calls to the Police Department. The surrounding neighborhood's quality of life has been severely impacted by the long-standing noise issues at the property.

This situation needs to be corrected immediately through the City's land use regulatory controls; therefore, the necessary nuisance abatement investigation(s) need to be initiated by the Planning Department, with the assistance of the Department of Building and Safety and Police Department, and in consultation with the City Attorney.

LAMC Chapter 1A, Section 13B.6.2, *Nuisance Abatement/Revocation*, allows the Zoning Administrator to modify, discontinue, or revoke any land use or discretionary zoning approval if it is found to jeopardize or adversely affect the public health, peace, or safety of persons residing or working on the premises or in the surrounding area; constitute a public nuisance; resulted in repeated nuisance activities; adversely impact nearby uses; violates any provision of Chapter 1A or Chapter I of the LAMC, or any other city, state, or federal regulation, ordinance, or statute; violate any condition imposed by a prior legislative or discretionary land use approval; or violate an approval initiated by application of a property owner or owner's representative related to the land use.

It is through the City's land use regulatory controls that community members are protected through the maintenance of the public peace, health, and safety of persons living or working in communities and neighborhoods Citywide. Therefore, it is imperative to address these detrimental quality of life activities, and take corrective action as soon as possible, and thereby prevent escalation and drain of City enforcement resources.

I THEREFORE MOVE that the Council instruct the Planning Department, with the assistance of the Department of Building and Safety and Police Department, and in consultation with the City Attorney, to investigate any matters of reported nuisance activities occurring onsite at the property located at 1005 S. Gaffey St., San Pedro, CA 90731; and thereafter, the Zoning Administrator may initiate Administrative Nuisance Abatement Proceedings per Municipal Code Section 12.27.1; Chapter 1A Section 13B.6.2, and prepare the necessary reports and recommendations, conduct the required public hearings, and thereby protect the public peace, health, and safety of the community by imposing corrective conditions to address the reported nuisance activities that are occurring onsite at the property.

RESOLUTION

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations, or policies proposed or pending before a local, state, or federal governmental body or agency must first have been adopted in the form of a Resolution by the City Council with the concurrence of the Mayor; and

WHEREAS, the City of Los Angeles recognizes the importance of public trust, transparency, and accountability in law enforcement; and

WHEREAS, Assembly Bill 1537 would prohibit peace officers from being employed by, serving as an independent contractor for, or volunteering with the United States Department of Homeland Security (DHS) or its contractors or any other entity that assists with or engages in immigration enforcement, enhancing clarity around permissible secondary employment for peace officers and reducing potential conflicts of duty; and

WHEREAS, Assembly Bill 1537 would make failure to comply with that prohibition, for certain purposes, an act of dishonesty and grounds for decertification as a peace officer, thereby aligning secondary employment rules with existing standards for peace officer conduct and certification; and

WHEREAS, AB 1537 would require a peace officer to report to their employing law enforcement agency any secondary employment relating to immigration enforcement, advancing internal accountability and ensuring employing agencies have knowledge of all such engagements; and

WHEREAS, the bill would explicitly state that records related to secondary employment of peace officers are public records for purposes of the California Public Records Act, strengthening transparency by making these disclosures accessible to the public; and

WHEREAS, Assembly Bill 1537's provisions seek to ensure consistent standards statewide that reduce ambiguity about peace officer roles in sensitive enforcement contexts and promote public confidence in law enforcement practices while balancing statutorily mandated local responsibilities; and

WHEREAS, the City of Los Angeles routinely considers the impacts of state legislation on municipal authority, public safety, civil rights, and community relationships with law enforcement agencies, and supports legislative steps that improve clarity, public oversight, and accountability in peace officer employment practices; now, therefore, be it

NOW, THEREFORE BE IT RESOLVED, with the concurrence of the Mayor, that by the adoption of this Resolution, the City of Los Angeles hereby includes in its 2025 State Legislative Program SUPPORT for Assembly Bill 1537 to prohibit peace officers from being employed by, serving as an independent contractor for, or volunteering with the United States Department of Homeland Security (DHS) or its contractors or any other entity that assists with or engages in immigration enforcement.

TRANSPORTATION

The City of Los Angeles owns a wide range of public assets – including land, rooftops, parking facilities, and rights-of-way – many of which remain underutilized and have the potential to generate revenue for the General Fund and benefit local communities. These assets offer an opportunity to create sustainable funding streams that support essential City programs and services while advancing community-centered priorities.

Through responsible asset monetization, the City can generate recurring non-tax revenue without selling public land or compromising access to public spaces. This approach allows Los Angeles to invest in critical initiatives such as climate resilience, clean energy deployment, local economic development, and neighborhood reinvestment, ensuring that growth benefits all communities equitably.

Other major cities such as New York, Chicago, San Francisco, and Seattle have successfully leveraged public assets through leases, concessions, solar installations, and temporary activations, demonstrating that revenue generation can be paired with transparency, equity, and strong public oversight.

Los Angeles can develop a program that safeguards public ownership, prioritizes community benefit, and delivers measurable outcomes for residents. By testing innovative monetization strategies locally, the City can generate new revenue, stimulate economic opportunity, and reinvest in neighborhoods, demonstrating how thoughtful, community-driven approaches to public assets can strengthen both the City's finances and its neighborhoods.

Council District 14, with its mix of City-owned properties, transit-adjacent parcels, and municipal facilities, is particularly well-positioned to serve as a pilot site for City Asset Monetization.

I THEREFORE MOVE that the City Council instruct the Chief Administrative Officer, in coordination with the Chief Legislative Analyst, General Services Department, Boards of Public Works, and relevant departments, to design a City Asset Monetization Pilot Program in Council District 14 for a period of 24 months. The design report shall include the identification of rooftops of City-owned facilities for solar energy generation and telecommunications infrastructure, City-owned parking facilities for EV charging concessions and mobility hubs, and under utilized City parcels, particularly near transit, for ground leases and temporary or interim uses.

I FURTHER MOVE that the City Council instruct the City Administrative Officer to report to Council with the following:

- Identification of inventory of pilot assets in CD14 and recommended monetization mechanisms by asset type.
- A detailed program proposal that includes revenue projections and implementation costs, a legal review and procurement pathway, a community engagement plan, and methods for participating departments to provide semi-annual public reports on revenue generated, asset performance, and reinvestment outcomes.

The City's Park Rangers are sworn law enforcement officers and authorized to enforce the law and make arrests under Los Angeles Municipal Code Section 63.41. These Officers are graduates of the Police Academy, where they are trained alongside Police Department (LAPD) recruits. In addition, Park Rangers are required to have a four-year degree, a higher standard than many other law enforcement agencies in the State. Despite this, these officers are prohibited from being armed while on duty, while other park jurisdictions, including the State Department of Parks and Recreation and the Mountains and Recreation Conservation Authority have armed Park Rangers.

The City's Park Rangers face numerous threats while carrying out their duties. Between January 2021 and October 2022 there were 21 assaults on police officers and Park Rangers in the City's parks. Rangers have frequently had to call on LAPD due to gun, knife or shooting incidents in City parks, and hundreds of firearms have been recovered in the City's parks by law enforcement over recent years. Given these threats to Rangers and the general public using the City's parks, and the continued reductions in the number of sworn LAPD officers, Park Rangers should be authorized to be armed while on duty.

I THEREFORE MOVE that the City Attorney, with the assistance of the Department of Recreation and Parks (RAP) and the Police Department (LAPD), be requested to prepare and present an ordinance to amend Municipal Code Section 63.41 to authorize Park Rangers to carry a firearm while on duty, as allowed for under state law.

I FURTHER MOVE that RAP and the LAPD be directed to establish policies and procedures through Memoranda of Understanding to be followed by armed Park Rangers, and to establish any necessary use of force policies, training and investigatory standards needed to ensure that armed Rangers are trained and held to the same standards as sworn officers in the LAPD.

LA CityView 35 is the City's official television media station. It is operated by the City's Information Technology Agency and is commonly referred to as Channel 35. Channel 35 is accessible to constituents through basic cable services in Los Angeles, online, and through various social media platforms. Beginning in 1989 when the City launched its first ever 24-hour cable television channel, then called "CouncilVision," the City's media division has been producing and broadcasting globally recognized government and educational programming for over three decades.

Channel 35 has made outstanding innovations within the City covering events and milestones within Los Angeles from an internal perspective, even earning the 73rd Los Angeles Area Emmys Governors Award in 2021. Therefore, it is critical that Council understand the operations within this media group so they can continue to break barriers in broadcast standards while remaining a trusted public source of information for City residents.

I THEREFORE MOVE that the Information Technology Agency be instructed to report on a long-term plan for LA CityView 35, including an overview of how contracts are managed and a summary of upcoming projects.
