- Amend Section 21.9.14 to add non-profit and a limited partnership whose general partner is a single-member limited liability company wholly controlled by a nonprofit corporation meeting the affordable housing development qualifications.
- Amend Section 22.618.3 (d)(l)(i)b.4 to clarify that the language is not applicable in cases of transfers by foreclosure, deed-in-lieu of foreclosure, or other similar conveyance. Replace the resale requirement with a first right of refusal clause for qualified non-profits, Community Land Trusts, and Limited Equity Housing Cooperatives with affordable housing development qualifications to bid on the property at fair market value with a 60 day response period.
- Amend Section 22.618.3(d)(l)(i)b.7 to provide necessary flexibility for seniority to be determined based on the requirements of other public funders and based on the size of each lender's loan.
- Amend Section 22.618.3(d)(l)(i)b.1 and b.2 to provide flexibility to the Los Angeles Housing Department to permit an adjustment of rents up to 80% of Area Median Income to ensure positive cash flow, for example following the loss of subsidy or the risk of foreclosure for project feasibility. This opportunity to shift affordability levels within a project should only be used in times of financial distress to remove any risk.

Contracting

- Add a provision to ensure that upon City Council approval for matters related to Measure ULA, the City Attorney must conclude review as to form in 90 days or less.

The Canoga Park Community Center Foundation (CPCCF) is a non-profit organization that works to cultivate community resilience by providing a safe, inclusive gathering space for community events that promote the history and wellbeing of the West Hills/Canoga Park area. These community events include hosting the Canoga-Owensmouth Historical Society Museum, providing space for the Canoga Park Neighborhood Council meetings, and accommodating the local farmers' market. CPCCF currently leases the City-owned property at 7248 Owensmouth Avenue; however, this lease is set to expire in October 2027. In order for CPCCF to continue to provide their services to the local community, a new lease agreement for this property is needed.

I THEREFORE MOVE that Council instruct the Department of General Services, with the assistance of the City Attorney and City Administrative Officer, to negotiate a new non-profit lease with the Canoga Park Community Center Foundation for the use of the City-owned property at 7248 Owensmouth Avenue, including an initial three-year term with two one-year options to extend; zero rent with the non-profit responsible for maintenance and basic repair of the facility; and allowing subleases and room rentals.

I FURTHER MOVE the Council find, pursuant to Charter Section 371(e)(10) and Administrative Code Section 10.15(a)(10), that the use of competitive bidding for the proposed license agreement with the Canoga Park Community Center Foundation (CPCCF) would be undesirable and impractical for the following reasons: (1) CPCCF offers a safe environment for community growth and connection; (2) losing access to this property would make it difficult, if not impossible, for residents to continue hosting their regular events; and (3) given CPCCF's background and work experience, it is the most qualified entity to operate at this property.

In 1946, the first official wheelchair basketball game was played at the Birmingham VA Hospital in Van Nuys, California. Conceived by paralyzed World War II veterans and developed by Birmingham P.E. instructor Bob Ryneerson, this marked a pivotal moment in adaptive sports and disability rights by expanding the conception of what people with paraplegia could do. The sport quickly spread to other VA hospitals, and soon veterans across the nation formed teams to compete against each other, growing the popularity of the sport. Wheelchair Basketball became one of the sports in competition at the inaugural Paralympic Games in 1960, and has been integral to the Paralympic Movement ever since.

As a tribute to this historical milestone, the intersection of Victory Boulevard and Balboa Boulevard should be renamed "Wheelchair Basketball Square" in honor of the lasting impact made by those involved with the first wheelchair basketball game.

I THEREFORE MOVE that the intersection of Victory Boulevard and Balboa Boulevard Square be designated "Wheelchair Basketball Square" and that the Department of Transportation be directed to erect permanent ceremonial sign(s) to this effect at this location.

GOVERNMENT OPERATIONS

Cannabis businesses, like any other commercial enterprise, have a profound impact on the communities in which they operate. Therefore, it is essential that the voices and concerns of residents, community organizations, and relevant City departments are heard and considered during the cannabis license application and approval process. Incorporating robust community input ensures that new and expanding cannabis businesses are not only compliant with regulations but also contribute positively to the social and economic fabric of their neighborhoods, fostering a collaborative approach to responsible operations within the City of Los Angeles.

A revised criteria on community engagement would ensure that cannabis businesses are well-integrated into their communities and have demonstrated support from local residents, fostering responsible and beneficial development within the City of Los Angeles.

I THEREFORE MOVE that the City Council REQUEST the City Attorney to draft and present an ordinance that establishes a requirement for type-10 (retail) cannabis license applications to include letters of support from the corresponding neighborhood council, the Council Office where it will reside, LAPD and a community based organization that serves the community where the cannabis business would operate, before approval to open and operate is granted.
