CONTINUED CONSIDERATION OF HOUSING AND HOMELESSNESS COMMITTEE REPORT relative to executing contracts between the City and various contractors to provide Eviction Defense Program and United to House LA (ULA) Homelessness Prevention Program services.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. AUTHORIZE the General Manager, Los Angeles Housing Department (LAHD), or designee, to execute contracts with each of the four contractors listed in the table contained under

Recommendation No. 1 of the LAHD report dated February 10, 2026, attached to Council file No. 23-0206, each within their respective program category, for a three-year term commencing on April 1, 2026 through March 31, 2029, in substantial conformance with the draft document attached to the LAHD report dated February 10, 2026, attached to the Council file, as Attachment A, subject to funding availability, in compliance with the City's contracting policies, and approval of the City Attorney as to form.

2. AUTHORIZE the General Manager, LAHD, or designee, to disencumber up to \$1,400,000 in unexpended Fiscal Year 2025-26 encumbered funds from Contract No. C-138260 with Legal Aid Foundation of Los Angeles within the House LA Fund No. 66M/43, Appropriation Account No. 43CU19 - Short-Term Emergency Assistance, and to encumber the amount to the new contract with the Southern California Housing Rights Center for the continued purpose of providing short-term emergency assistance.
3. AUTHORIZE the General Manager, LAHD, or designee, to prepare Controller instructions and make any necessary technical or administrative adjustments consistent with the Mayor and Council actions on this matter, subject to the approval of the City Administrative Officer; and, REQUEST the Controller to implement the instructions.
4. INSTRUCT the LAHD to report quarterly to Council on status of contractor's reporting requirements and metrics, and provide quarterly written reports on outreach plans and activities submitted by contractors.
5. INSTRUCT the LAHD to report in 30 days on Recommendation Nos. 6.ii, 6.iv and 7 of the Housing and Homelessness Committee report dated November 29, 2023, attached to Council file No. 18-0610-S3, detailed below:
 - a. Provide a plan to implement the five-year phase in plan that prioritizes vulnerable tenants based on zip codes or criteria developed by the LAHD in collaboration with legal service providers and community-based organizations.

b. Report with a detailed annual spending plan for the program [Right to Counsel/Eviction Defense], subject to available funding.

c. Instruct the LAHD to report in regard to alternate methods (other than by Zip Code) for determining areas which are most in need of Right to Counsel Program services.)

6. INSTRUCT the LAHD to report on addressing homelessness prevention and funding reductions through the implementation of Emergency Rental Assistance Program, in close coordination with the City's Family Source Centers.

Fiscal Impact Statement: The LAHD reports that the recommendations in this report have no impact on the General Fund. Funding for the first year of the proposed contracts is supported by the Fiscal Year 2025-26 ULA Expenditure Plan and the Senate Bill 2 Permanent Local Housing Allocation Fund Year Four and Year Five allocations. Funding for the second and third years will be subject to future approvals of the ULA Expenditure Plan.

Community Impact Statement: None submitted

TRANSPORTATION COMMITTEE REPORT relative to a proposed Fifth Amendment to the contract with Ilium Associates, Inc., for transit marketing, customer outreach, support services, and public right-of-way sign fabrication and installation services.

Recommendation for Council action:

AUTHORIZE the General Manager, Department of Transportation, or its designee, to execute a Fifth Amendment to the contract with Ilium Associates, Inc. (C-128772) for marketing, community outreach, support services, and public right-of-way sign fabrication and installation services with the following changes, subject to the approval of the City Attorney as to form and legality:

- a. Extend the contract term for one (1) year from September 1, 2025 through August 31, 2026, with an option to extend on a month-to-month basis for up to 12 months, through August 31, 2027.
- b. Update Exhibit A - Contractor Hourly Rate.
- c. Increase the contract ceiling by \$6,581,137, for a new not-to-exceed amount of \$32,313,926.
- d. Add, amend, or delete contracting language to comply with City ordinances.
- e. Update the Standard Provisions for City Contracts to the current version (Rev. 1/25 [v.2]).

Fiscal Impact Statement:

The City Administrative Officer (CAO) reports that there is no General Fund impact. Funds for the services requested for the contract amendment have been budgeted in the Proposition A Local Transit Assistance Fund for Fiscal Year 2025-2026. Funding for Fiscal Year

2026-2027 will be requested through the annual budget process. The Chief Legislative Analyst has not completed a financial analysis of this report.

Financial Policies Statement:

The CAO also reports that the recommendation in this report complies with the City's Financial Policies in that sufficient budgeted funds are available to support proposed expenditures.

Community Impact Statement: None submitted

(9) **24-0096-S1**

TRANSPORTATION COMMITTEE REPORT relative to a proposed First Amendment to the contract with Sterndahl Enterprises, LLC, for pavement marking, striping, and sealing services.

Recommendation for Council action:

AUTHORIZE the General Manager, Department of Transportation (DOT), or designee, to execute the First Amendment to Agreement C-200173 with Sterndahl Enterprises, LLC, for the provision of Pavement Markings, Striping, Slurry Sealing, and other Pavement Preservation Program services, to extend the agreement by 48-months from January 30, 2026 through January 29, 2030, and increase the total compensation by \$32,000,000 from \$8,000,000 to \$40,000,000 for the entire term of the contract, subject to the availability of funds and City Attorney review and approval as to form.

Fiscal Impact Statement:

The City Administrative Officer (CAO) reports that funding for these services has been set aside in the Measure M and Measure R Local Return Funds as well as LADOT's departmental 2025-26 Adopted

Budget. Funding for subsequent years of the agreement is subject to Mayor and Council approval, the availability of funds, and will be appropriated through the City annual budget development process. The City's financial obligation is limited to the extent of appropriations approved by the Council and Mayor. There is no impact to the General Fund. The Chief Legislative Analyst has not completed a financial analysis of this report.

Financial Policies Statement:

The CAO also reports that the recommendation in this report complies with the City Financial Policies in that budgeted funds are available for this purpose. Funding for subsequent years is subject to the availability of funds and determinations by Mayor and Council.

Community Impact Statement: None submitted.

TRANSPORTATION COMMITTEE REPORT and ORDINANCE FIRST CONSIDERATION relative to fixing rates and charges for private ambulance service in the City of Los Angeles.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. NOTE and FILE the City Attorney report, dated February 18, 2026, attached to the Council file, relative to fixing rates and charges for private ambulance service in the City of Los Angeles.
2. PRESENT and ADOPT the accompanying ORDINANCE dated February 12, 2026, attached to the Council file, approving a Resolution of the Board of Transportation Commissioners of the

City of Los Angeles to fix rates and charges for private ambulance service in the City of Los Angeles.

3. REQUEST the City Attorney prepare and present an ordinance to amend Los Angeles Administrative Code Section 22.484 to allow the City to index future private ambulance rate increases to the rates of the County of Los Angeles.

Fiscal Impact Statement: The DOT reports that there is no impact to the City's General Fund. The City Administrative Officer (CAO) reports that there is no impact to the General Fund. The proposed rate adjustments would not impact the City budget as these rate increases are charged to private ambulance service users and do not affect the fees paid to the City.

TRANSPORTATION COMMITTEE REPORT relative to implementing a pilot program for E-Citations.

Recommendations for Council action, pursuant to Motion (Lee – Padilla):

1. DIRECT the Police Department, with the assistance of the Chief Legislative Analyst, the Department of Transportation, and other relevant departments, to report on the feasibility of establishing a cloud-based, paperless, real-time parking, traffic citation, and data analytics pilot program for the City that ensures that citation data is immediately accessible to motorists, courts, and

the issuing agency, and that provides multilingual, mobile accessible citation views and SMS reminders, notifications generated at the time of issuance to help motorists more easily understand and resolve their citations.

2. INSTRUCT that the report shall specifically include:

- a. A plan to identify a suitable pilot location or operational unit.
- b. A cost-benefit analysis detailing the potential savings to taxpayer dollars through reduced hardware, paper, and infrastructure costs, as well as the value of increased officer efficiency, morale, and performance.
- c. A strategy for seamless digital integration with the City's existing systems and the courts to ensure the streamlined, digital forwarding of citation data.
- d. A detailed plan for ensuring equitable access and service continuity for all residents, particularly those without regular access to digital devices.

Fiscal Impact Statement:

Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

(12) **26-0086
CD 6**

TRANSPORTATION COMMITTEE REPORT relative to a comprehensive traffic study of the Woodman Corridor from Van Nuys Boulevard to Saticoy Street.

Recommendations for Council action, as initiated by Motion (Padilla – Blumenfield):

1. INSTRUCT the Department of Transportation (DOT) to:
 - a. Prioritize development of a focused Woodman Corridor Safety Action Plan centered on five high-risk intersections: Woodman Avenue at Terra Bella Street, Strathern Street, Nordhoff Street, Ventura Canyon Avenue, and Stagg Street.
 - b. Ensure that the Safety Action Plan clearly distinguishes between immediately feasible, near-term improvements that can be implemented using existing programs, maintenance activities, quick-build strategies, or interdepartmental coordination.
 - c. Report to Council within one year on both the status of the Action Plan efforts, and, with the assistance of and analysis from the Bureau of Engineering (BOE), Bureau of Street Services (BSS), Bureau of Street Lighting (BSL), and Los Angeles Police Department (LAPD), a scope and cost estimate for a comprehensive improvement plan for the Woodman corridor that considers multimodal safety needs, community outreach, Measure HLA considerations, Metro transit data, interdepartmental coordination needs, and a phased implementation approach outlining near-term actions, longer-term capital improvements, and potential funding considerations.
2. INSTRUCT the BOE, in coordination with the BSS, to assess existing curb ramps, bus stop accessibility, and sidewalk infrastructure along the Woodman Avenue corridor to identify ADA-compliant improvements, including cost-effective, near-term approaches, and longer-term approaches requiring planning, design, or capital funding.
3. INSTRUCT the BSL to assess existing lighting conditions along the Woodman corridor and identify near-term lighting improvements that could be advanced within existing programs or maintenance activities, as well as longer-term lighting upgrades requiring additional coordination, design, or funding.

4. INSTRUCT the LAPD to produce a detailed report on current and planned traffic enforcement efforts along the Woodman corridor, including collision trends, citation data, and recommended enforcement strategies that could complement engineering, design, and operational safety improvements.

TRANSPORTATION COMMITTEE REPORT relative to establishing oversize vehicle parking restrictions along a certain street segment of West 29th Street, in Council District Ten (CD 10).

Recommendation for Council action, pursuant to Resolution (Hutt – McOsker):

RESOLVE to:

1. PROHIBIT, pursuant to Los Angeles Municipal Code (LAMC) Section 80.69.4, the parking of vehicles that are in excess of 22 feet in length or over seven (7) feet in height, during the hours of 2:00 a.m. and 6:00 a.m., along both sides of West 29th Street, between Crenshaw Boulevard and South Bronson Avenue.
2. DIRECT the Department of Transportation (DOT), upon adoption of this Resolution, to post signs giving notice of a “tow away, no parking” restriction for oversize vehicles, with the specific hours detailed, at the above location.

3. AUTHORIZE the DOT to make technical corrections or clarifications to the above instructions in order to effectuate the intent of this Resolution.

TRANSPORTATION COMMITTEE REPORT relative to establishing oversize vehicle parking restrictions along certain street segments of South Bronson Avenue, South Palm Grove Avenue, and South Victoria Avenue, in Council District Ten.

Recommendation for Council action, pursuant to Resolution (Hutt – Lee):

RESOLVE to:

1. PROHIBIT, pursuant to Los Angeles Municipal Code Section 80.69.4, and California Vehicle Code Section 22507, the parking of vehicles that are in excess of 22 feet in length or over seven feet in height, during the hours of 2:00 a.m. and 6:00 a.m., along both sides of the following segments:
 - a. South Bronson Avenue between West 39th Street and Coliseum Street.
 - b. South Palm Grove Avenue between West Jefferson Boulevard and the alleyway roughly 100 feet to the north.
 - c. South Victoria Avenue between West Jefferson Boulevard and West 30th Street.

2. DIRECT the Department of Transportation (DOT), upon adoption of this Resolution, to post signs giving notice of a “tow away, no parking” restriction for oversize vehicles, with the specific hours detailed, at the above locations.
3. AUTHORIZE the DOT to make technical corrections or clarifications to the above instructions in order to effectuate the intent of this Resolution.

TRANSPORTATION COMMITTEE REPORT relative to the Speed Safety System Pilot Program authorized by Assembly Bill 645 (Freidman-Ting).

Recommendations for Council action:

1. ADOPT:

- a. The Speed Safety System Impact Report, attached to the Council file as Attachment A to the Department of Transportation (DOT) report dated February 11, 2026, after a period of 30 days of public review, as required by state law.
- b. The Speed Safety System Use Policy, attached to the Council file as Attachment B to the DOT report dated February 11, 2026, after a period of 30 days of public

review, as required by state law.

2. AUTHORIZE the DOT to expand the Community Assistance Parking Program (CAPP) to allow low-income or unhoused individuals speed safety system violation recipients the option to perform community service in lieu of paying a penalty for the duration of the Speed Safety System Pilot program.
3. DIRECT the DOT to report within 45 days on any additional resources required to support the expansion of CAPP for low-income or unhoused individuals speed safety system violation recipients.
4. INSTRUCT the DOT to provide annual report backs on the efficiency of CAPP. The report should include the outcomes of utilizing the program, including the number of participants, total violations resolved, participant outcomes, any barriers to participation, and any recommendations for improvement, if necessary.
5. AMEND Attachment A, Appendix, Proposed Speed Safety Locations in Council District One, to INSTRUCT the DOT to place a speed safety system on Figueroa Street between Avenue 45 and Avenue 51, in lieu of Venice Boulevard between South Normandie Avenue and South Catalina Street.

Fiscal Impact Statement:

The DOT reports that there is no anticipated impact to the General Fund from these recommendations. The task order agreement with TYLin International to identify the locations and develop the Impact Report and Use Policy is funded by Measure M Local Return Fund for a total cost not to exceed \$500,000. Front funding for the speed enforcement program operator was appropriated in the FY26 budget with \$589,262 from the Measure R Local Return Fund and \$4,185,912 through the Measure M Local Return Fund. Additional front-funding for the speed system operator contract may need to be identified for Fiscal Year (FY) 26 or FY27 depending on final annual contract estimates; any funding needs will be included with the forthcoming request for speed safety operator contract approval. The legislation specifies that revenues derived from the program shall first

be used to recover program costs, including the aforementioned contract costs, followed by traffic calming measures. The DOT will develop an expenditure plan for program cost recovery and an associated traffic-calming program as part of its annual budget cycle or, as necessary, during the mid-year Financial Status Report. The DOT anticipates full cost recovery in each operating year of the pilot program. Neither the City Administrative Officer nor the Chief Legislative Analyst have completed a financial analysis of this report.

At the 2025 Major League Baseball World Series, the Dodgers prevailed over the Blue Jays, winning four games in the best-of-seven series. To celebrate the Dodgers' second consecutive World Series victory, the Dodgers and the City collaborated in the planning, staging, and production of a 2025 World Series victory parade in downtown Los Angeles on November 3, 2025, followed by a 2025 World Series victory celebration at Dodger Stadium (collectively referred to as World Series Events).

As a special event, the World Series Events are subject to the Special Events Ordinance, requiring recovery of costs for City services from the event sponsor, and allows for negotiations with major sports or entertainment venues. In support of the long-standing partnership between the City and Dodgers, the Dodgers are looking to provide the City with reimbursement for all necessary supplemental services provided in connection with the World Series Events, including security, traffic control, and other items as necessary.

During the 2026 Major League Baseball (MLB) regular season, the Dodgers are scheduled to play 81 home games at Dodger Stadium between March 26 and September 24, 2026. To advance safety and security at these games, the Dodgers and the City collaborate in planning security, transportation, and crowd management requirements for each MLB Dodger game event (collectively referred to as Dodger Events). In support of certain Dodger Events, the Dodgers may request supplemental City services inside the Dodger Stadium, including specialized police units, traffic control, and fire support with full reimbursement of those associated costs.

I THEREFORE MOVE that the Council instruct the City Administrative Officer (CAO) and the Chief Legislative Analyst (CLA), with the assistance of the City Attorney, to negotiate a contract between the City and Dodgers for reimbursement of City resources provided in support of the World Series Events, pursuant to Los Angeles Municipal Code Section 41.20.1(c) Events at Major Sports and Entertainment Venues; and

I FURTHER MOVE that the Council instruct the CAO and the CLA, with the assistance of the City Attorney, to negotiate a contract between the City and Dodgers for reimbursement of requested supplemental Police law enforcement services to support Dodger Events on the Dodger Stadium premises, with full reimbursement of Police law enforcement services, in accordance with California Government Code section 53069.8; and,

I FURTHER MOVE that the Council authorize the use of supplemental Police law enforcement services to support the Dodgers during the World Series Events and Dodger Events to enable full cost recovery for the services provided by the City in accordance with California Government Code section 53069.8; and

I FURTHER MOVE that Council authorize the CAO to execute and administer the contracts between the City and Dodgers, subject to the approval of the City Attorney as to form and legality.

MOTION

In 2017, the voters of Los Angeles directed the City of Los Angeles to establish a legal pathway for commercial cannabis activity for both medical and adult use. Since then, the City created the Department of Cannabis Regulation, the Cannabis Regulation Commission, and a Social Equity Program.

Now, the City's cannabis ordinance requires modernization. Key provisions related to delivery have not been comprehensively updated since adoption in 2017, and cultivation provisions were last updated in 2018. Since then, the State of California has modified cannabis license classifications and regulatory structures, contributing to misalignment between local and state frameworks. In 2025, the City Council extended licensing exclusivity for Retail Type 10 licenses but not Cultivation or Delivery—since January 1, 2026 these two license types, Cultivation and Delivery, have been open to the general public. Updating the LAMC to reflect current conditions—and designing a thoughtful, well-sequenced process for issuing Delivery and Cultivation licenses—is necessary to ensure the City's regulatory system is clear, enforceable, and aligned with today's marketplace.

Expanding and modernizing licensing opportunities—particularly for delivery and cultivation—also presents a meaningful opportunity to increase legal market participation and generate new tax revenue for the City. Delivery is increasingly a preferred method for consumers to purchase cannabis products. According to industry data from Headset, approximately 25% of all cannabis sales now occur online, underscoring the growing importance of delivery and digital purchasing channels. Ensuring the City's local framework reflects current consumer behavior can help legal operators meet demand while supporting compliance and enforcement goals, and the capture of taxable sales that might otherwise flow to the illicit market. For cultivation, Los Angeles has a significant opportunity to support additional licensed activity and encourage well-resourced, compliant operations to invest in the City—expanding the legal supply chain, strengthening regulatory oversight, and increasing potential City cannabis tax receipts.

The City has not opened an application window for general applicants for Cultivation and Delivery licenses and currently implements a Social Equity Applicant-only licensing framework for these activities.

I THEREFORE MOVE that the City Council instruct the Department of Cannabis Regulation (DCR) to report on a process for implementing licenses for Cultivation and Delivery to the public and request the City Attorney to prepare and present an ordinance that outlines the process that has been proposed by DCR.

Measure ULA was approved by a majority of Los Angeles voters in 2022 to generate dedicated funding for affordable housing production and tenant protections through a 4 percent tax on property sales between 5 million dollars and 10 million dollars and a 5.5 percent tax on transactions exceeding 10 million dollars. Since its adoption, Measure ULA has generated more than 1 billion dollars to support housing stability and prevent homelessness among Angelenos.

Los Angeles is a renter majority city, with approximately 63 percent of residents representing more than 874,000 households renting their homes. Of those households, 56 percent are rent burdened, spending more than 30 percent of their income on rent, and 26 percent are severely rent burdened, spending more than 50 percent of their income on rent. These figures underscore the significant affordability challenges facing renters citywide.

Many of the City's most vulnerable residents live in properties owned or administered by the Housing Authority of the City of Los Angeles, HACLA. Ensuring continuity of housing stability for these households aligns directly with the voter-approved intent of Measure ULA to prevent homelessness and protect tenants at risk.

I THEREFORE MOVE that the City Council DIRECT the Los Angeles Housing Department, in coordination with the Housing Authority of the City of Los Angeles (HACLA) and any other relevant departments or agencies, to report on all rental assistance programs currently available to residents living in HACLA owned or HACLA administered properties, including those funded or supported through Measure ULA.

In 2018, the City launched an electric vehicle (EV) carshare pilot program in select disadvantaged communities, and contracted with BlueLA Carsharing, LLC (BlueLA) to operate and maintain the program. BlueLA was charged with building a network of 40 EV charging stations with 200 charge points and maintaining a fleet of 100 EVs. In less than a year, the pilot enrolled more than 1,000 members, predominately from underinvested areas such as Westlake, Pico-Union, and portions of Downtown, Hollywood, and Koreatown.

Based on the pilot's early success, the City made plans to expand the program to South LA, Boyle Heights, and East Hollywood; however, BlueLA ceased operations in 2020. Later that year, Blink Mobility acquired BlueLA and, in 2021, the program was relaunched with a new fleet of EVs and new charge points.

Despite intentions to expand and build on a successful first year, the program experienced numerous challenges, including repeated acts of vandalism, theft, supply chain issues, and operational changes. Consequently, Blink Mobility has not installed any new stations since 2021, and as of April 2025, the only active location is in Culver City. As a result, the City has been left with blighted EV infrastructure and a defunct program that has fallen short of its pledge to provide a safe, reliable, and affordable mobility option to under-resourced communities.

I THEREFORE MOVE that the Council instruct the Department of Transportation to report on the status of the BlueLA EV carsharing program, including:

- The status of the BlueLA / Blink Mobility contract and the company's obligations to provide services to City residents;
- The number of EV charging stations that were installed as part of the program, their current condition, and options for utilizing/repurposing/disposing of them;
- The number of BlueLA users between 2018 and 2021 with a breakdown by location;
- Current transit options in the neighborhoods where BlueLA was previously available; and
- Potential opportunities for launching a new EV carsharing program.

Measure ULA was adopted in November 2022, earning nearly 60 percent of the vote in the City of Los Angeles. This measure establishes and funds programs to increase permanent supportive and affordable housing and to provide resources to tenants at risk of homelessness through a 4 percent tax on sales of real properties exceeding \$5,300,000 and a 5.5 percent tax on sales of real properties of \$10,600,000 or more. Since 2023, Measure ULA has raised over \$1 billion.

It is important for major policies such as Measure ULA to be continuously monitored and evaluated to ensure that they are having the intended effect. This measure was developed and adopted at a moment before the many shocks to the local, national, and international economy that have impacted housing development in Los Angeles. Supply chain constraints, inflation, tariffs, and natural disasters such as the 2025 wildfires, among other factors, have consequences that were never contemplated under the original structure of Measure ULA.

Thoughtful, independent review of Measure ULA is needed at this juncture. Revisions may help in furthering the goals to build affordable housing, preserve affordable housing, assist renters at risk of homelessness, and educate constituents on their rights as tenants, all while taking into account the impact on building new housing and the demands of the economy. The City should obtain independent expert analysis and work with the House LA Citizen Oversight Committee, housing advocates and organizations that can provide expertise to make informed decisions on potential changes to Measure ULA to ensure optimal outcomes without constraining local development or hampering investment in the City.

I THEREFORE MOVE that City Council INSTRUCT the Chief Legislative Analyst (CLA) to negotiate and enter into a contract with a consultant to conduct public engagement, including with the Los Angeles Housing Department, the Measure ULA Citizen Oversight Committee, relevant organizations and stakeholders to review of Measure ULA to identify solutions to align the measure to mitigate impacts on new housing construction and investment.

I FURTHER MOVE that the City Council INSTRUCT the CLA to work with the Consultant to present the findings for proposed changes to Measure ULA for the November 2026 ballot.
