PUBLIC WORKS COMMITTEE REPORT relative to the Pedestrian Facility Inventory and Condition Assessment Pilot Project, the Pedestrian Facility Damage Severity Matrix, the Americans with Disabilities Act (ADA) Self Evaluation and Transition Plan for Public Right of Way, and related matters.

Recommendations for Council action:

1. RECEIVE AND FILE the Pedestrian Facility Inventory and Condition Assessment Pilot Project Final Report, attached to

the Bureau of Engineering (BOE) dated February 10, 2026, attached to the Council file.

2. DIRECT the BOE and Bureau of Sanitation (BOS), in consultation with Department of Transportation (DOT) and any other relevant departments, to report in 120 days with a consolidated list of existing City programs that construct, repair, remediate, and/or maintain pedestrian facilities, including current funding, staffing, workflow, and prioritization methodology.
3. ADOPT the standardized Pedestrian Facility Damage Severity Matrix (Table 4-2 of said BOE report), superseding the Damage Severity Matrix adopted by the Council in 2018 under Council file No. 14-0163-S3; and, AUTHORIZE the City Engineer to make technical changes.
4. DIRECT the BOE, in partnership with the BOS, to prepare technical specifications for maintenance work on sidewalks and curb ramps and issue a Special Order within 120 days.
5. DIRECT the BOE, in coordination with the Department on Disability, BOS, DOT, and other relevant departments, to report with a scope of work and resources needed to complete a formal citywide ADA Self Evaluation and Transition Plan for Public Right of Way pedestrian facilities and directly associated assets.

Fiscal Impact Statement: The BOE reports that approval of the recommendations in said BOE report have no direct fiscal impact. The recommended actions include direction to report with information about new programs and associated costs. Like all other asset classes, implementing asset management practices for pedestrian facilities will require direct expenditures on staff, contractual services, equipment, and materials. The said BOE report recommends phasing in new programs over time to manage upfront costs and build capacity. Over time, proactive asset management is expected to significantly reduce liability costs resulting from the current condition of the City's pedestrian facilities.

TRANSPORTATION COMMITTEE REPORT relative to establishing oversize vehicle parking restrictions along certain street segments of West 81st Street, West Manchester Avenue, Beloit Avenue, and Venice

Boulevard, in Council District Eleven.

Recommendation for Council action, pursuant to Resolution (Park – Hutt):

RESOLVE to:

1. PROHIBIT, pursuant to Los Angeles Municipal Code (LAMC) Section 80.69.4, and California Vehicle Code (CVC) Section 22507, the parking of vehicles that are in excess of 22 feet in length or over seven (7) feet in height, during the hours of 2:00 a.m. and 6:00 a.m., along both sides of the following street segments:
 - a. West 81st Street from Colegio Drive to Rayford Drive.
 - b. West Manchester Avenue from Lincoln Boulevard to Loyola Boulevard.
 - c. Beloit Avenue from Santa Monica Boulevard to West Olympic Boulevard.
 - d. Venice Boulevard from Walnut Avenue to Glyndon Avenue.
2. DIRECT the Department of Transportation (DOT), upon adoption of this Resolution, to post signs giving notice of a “tow away, no parking” restriction for oversize vehicles, with the specific hours detailed, at the above locations.

GOVERNMENT OPERATIONS and GOVERNMENT EFFICIENCY, INNOVATION, AND AUDITS COMMITTEES' REPORT relative to the City's procurement process for commodity contracts.

Recommendations for Council action, pursuant to Motion (Yaroslavsky – Padilla, McOsker):

1. REQUEST the Controller proceed expeditiously with the planned independent audit on commodity procurement (including the competitiveness of the citywide procurement process) and present the findings. The scope of the Audit should consider, but not be limited to, an evaluation of the City's request for bid process, the price the City pays for supplies compared to what other government agencies pay, the use of piggybacking in these contracts, and a review of all contract stipulations that limit the pool of applicants that can apply to commodity contracts.
2. INSTRUCT the General Services Department, with the assistance of the City Attorney, to:
 - a. Identify and report on necessary adjustments in the Los Angeles Municipal Code that enable for contracts to be adjusted or nullified if it is beneficial to do so.
 - b. Report on the feasibility of including a clause in new commodity contracts that allows the City to compare supplier pricing against current market and requires vendors to offer the most favorable pricing available to the city, including prices offered to the public, to ensure the City is paying a fair price for acquired goods.

(17) **26-1100-S7**

COMMUNICATIONS FROM CITY CLERK and CITY ATTORNEY, CERTIFICATE OF SUFFICIENCY OF INITIATIVE PETITION, RESOLUTION, and ORDINANCE FIRST CONSIDERATION relative to an Initiative Petition regarding the Repeal of Los Angeles City Business Gross Receipts Tax on Virtually All Businesses Operating in the City.

A. CITY CLERK REPORT

Recommendation for Council action:

DETERMINE to submit the proposed initiative ordinance, without alteration, to a vote of the electors of the City at the next regular City and Statewide election conducted by the County of Los Angeles to be held more than 110 days from the date of Council action (the City's General Municipal Election held on November 3, 2026).

B. CITY ATTORNEY REPORT

Recommendation for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. ADOPT the proposed initiative ordinance, without alteration.

OR

2. ADOPT the accompanying ELECTION ORDINANCE and BALLOT RESOLUTION to submit the proposed initiative ordinance, without alteration, to a vote of the electors of the City at the next regular City and Statewide election conducted by the County of Los Angeles to be held more than 110 days from the date of Council action (the City's General Municipal Election held on November 3, 2026).

OR

3. REFER the proposed initiative ordinance to a department or office for a report on its fiscal and other impacts, provided that the Council takes one of the above actions within 30 days after referring the proposed initiative ordinance for a report.

Fiscal Impact Statement: The City Clerk reports that, for Option 1, there would be no additional financial impact relative to Election costs. For Option 2, a standalone, Citywide Special Election would cost approximately \$31.8 million (\$30.1 million for the cost incurred by the RR/CC to conduct the Special Election and \$1.7 million for preparing and mailing Voter Information Pamphlets [VIPs]). This option may also entail possible voter fatigue due to City of Los Angeles voters being asked to vote in multiple elections within a few months. For Option 3, if the City Council determines to submit the proposed ordinance to the electorate at the November 3, 2026 General Municipal Election and funds for ballot measures are already budgeted, there will be zero to minimal additional financial impact relative to Election costs since there will be Citywide races included on the ballot. And for Option 4, there would be no additional financial impact relative to election costs, unless Council selects Option 2 or Option 3, as listed above. The City Clerk also reports that funding for the November 3, 2026 General Municipal Election has been requested as part of the City Clerk's 2026-27 budget submission; however, a final budget appropriation will not be available until the 2026-27 Proposed Budget is released April 20, 2026.

TIME LIMIT FILE - APRIL 15, 2026

(LAST DAY FOR COUNCIL ACTION - APRIL 15, 2026)

(Rules, Elections, and Intergovernmental Relations Committee waived consideration of the above matter.)

Adopted Motion (Harris-Dawson – Yaroslavsky) to refer the proposed initiative ordinance to the City Administrative Officer for a report on its fiscal and other impacts, provided that the Council takes one of the above actions within 30 days after referring the proposed initiative ordinance for a report.

Ayes: Harris-Dawson, Hernandez, Jurado, Hutt, Lee, McOsker, Nazarian, Padilla, Park, Price Jr., Rodriguez, Soto-Martínez, Yaroslavsky (13); Nays: (0); Absent: Blumenfield, Raman (2)

GOVERNMENT OPERATIONS and BUDGET AND FINANCE COMMITTEES' REPORT relative to amending Article 4, Chapter 10, of the Los Angeles Municipal Code (LAMC) concerning the City's commercial cannabis record refiling and renewal requirements.

Recommendations for Council action:

1. Request the City Attorney to prepare and present three separate Ordinances as follows:
 - a. Amend LAMC Section 104.03(h) to:

- i. Add a provision to allow an Applicant to refile an Annual License Application if the Applicant possessed an Annual License that was cancelled prior to its expiration date.
 - ii. Allow an Applicant to pay or begin a payment plan to pay previously due taxes, and to pay previously due fines or fees to the Department of Cannabis Regulation (DCR), at the time they refile an abandoned or expired application, or cancelled Annual License.
 - b. Amend LAMC Section 104.12 to defer the requirement of City gross receipts tax compliance, subject to certain threshold limits to be adjusted annually, in processing a renewal application of an Applicant or Licensee, as detailed in the December 15, 2025 DCR report, attached to the Council File.
 - c. Amend LAMC Section 104.12 to change the renewal periods as detailed in the December 15, 2025 DCR report, attached to the Council file.
2. REQUEST the City Attorney, with the assistance of the DCR, to prepare and present an Ordinance to amend the LAMC consistent with the December 15, 2025 DCR report, attached to the Council file; and, AUTHORIZE the City Attorney to include amendments to sections of the LAMC not directly detailed in the December 15, 2025 DCR report, attached to the Council file, to ensure internal consistency and enable the DCR to implement the intent of said DCR report.

2. REAUTHORIZE the following:

- a. Use of up to \$600,000 in 2022-23 MICLA funding authority (Fund 298/40, Account No. 40W45M, “City Hall Entry Doors”) that has expired, and authorize the continued use of these funds beyond the City’s MICLA Three-Year Spending Policy (Item KK in the February 25, 2026 CAO report, attached to the Council File).
 - b. Use of up to \$1,034,000 in 2022-23 MICLA funding authority (Fund 298/40, Account No. 40W46M, “West Valley Police Station”) that has expired, and authorize the continued use of these funds beyond the City’s MICLA Three-Year Spending Policy (Item LL in the February 25, 2026 CAO report, attached to the Council File).
 - c. Authority to appropriate an additional amount of \$965,526 within the 2025-26 MICLA Fund No. 298/38, Account No. 38C300 – Fleet Replacement, to provide additional funding for the acquisition of one Simplex Belly Water Tank for a Leonardo AW139 Medium-Duty Helicopter authorized in the 2025-26 Adopted Budget (Item OO in the February 25, 2026 CAO report, attached to the Council File).
 - d. Authority to reprogram MICLA savings from equipment purchase adopted in the 2024-25 budgets to purchase replacement vehicles (Item PP in the February 25, 2026 CAO report, attached to the Council File).
3. AUTHORIZE the CAO to make technical corrections, as necessary, to the transactions authorized through the February 25, 2026 CAO report, attached to the Council File, as required to implement the intent of those transactions.

B. BUDGET AND FINANCE COMMITTEE REPORT

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

CONCUR with the Government Operations Committee's action of March 3, 2026 in approving the recommendations contained in the CAO report dated February 25, 2026, attached to the Council file, as amended to add the following recommendations to effectuate the necessary transfers for demobilization of a Tiny Home Village (THV) site in Council District Three (CD 3):

- a. TRANSFER up to \$1,753,865 from the Homeless Efforts - County Funding Agreement Fund No. 63Q/10, Account No. RSRC 4903, Interest Income - Other, to Homeless Efforts - County Funding Agreement Fund No. 63Q/10, Account No. 10T618, Homeless Effort - County Funding Agreement.
- b. APPROVE and APPROPRIATE up to \$1,687,380 from Homeless Efforts - County Funding Agreement Fund No. 63Q/10, Account No. 10T618, Homeless Effort - County Funding Agreement, to the following accounts for demobilization of the THV located at 6073 North Reseda Boulevard, also known as Topham, in CD 3:
 - i. Up to \$89,260 to General Services Department (GSD) Fund No. 100/40, Account No. 001014, Salaries, Construction Projects.
 - ii. Up to \$482,005 to GSD Fund No. 100/40, Account No. 001101, Hiring Hall Construction.
 - iii. Up to \$321,337 to GSD Fund No. 100/40, Account No. 001121, Benefits Hiring Hall Construction.
 - iv. Up to \$794,778 to GSD Fund No. 100/40, Account No. 003180, Construction Materials.
- c. APPROVE and APPROPRIATE up to \$20,000 from Homeless Efforts - County Funding Agreement Fund No.

63Q/10, Account No. 10T618, Homeless Effort - County Funding Agreement, to the Bureau of Engineering Fund No. 682/50, in a new account entitled "CD 3 Topham Demobilization", to support the deconstruction of the Topham THV in CD 3.

- d. APPROVE and APPROPRIATE \$46,485 from Homeless Efforts - County Funding Agreement Fund No. 63Q/10, Account No. 10T618, Homeless Effort - County Funding Agreement, to CAO Fund No. 100/10, Account No. 003040, Contractual Services, to support security costs during the demobilization of the Topham THV in CD 3.

Fiscal Impact Statement: The CAO reports that the recommendations stated in the February 25, 2026 CAO report, attached to the Council File, include transfers, appropriations, and authority for expenditures totaling \$53.7 million. This consists of \$12.7 million from various special funds, \$36.3 million in MICLA funds, and \$4.7 million in Capital and Technology Improvement Expenditure (CTIEP) funds. All transfers and appropriations are based on existing funds, reimbursements, or revenues. There is an unanticipated General Fund impact in an amount not yet determined for operations and maintenance costs of two facilities currently not in operation, a park within Destination Crenshaw and Taxco Theatre. These costs will be addressed through the City budget process at the time the facilities are scheduled for completion.

Financial Policies Statement: The CAO reports that the recommendations stated in the February 25, 2026 CAO report, attached to the Council File, comply with the City's Financial Policies in that appropriations for funds are limited to available cash balances needed to fund ongoing maintenance, programming, project shortfalls, and critical operational needs in the current budget year.

Debt Impact Statement: The CAO reports that the issuance of MICLA debt is a General Fund obligation. The appropriation of MICLA funding for the Active Decarbonization Pilot Projects (Item B in the February 25, 2026 CAO report, attached to the Council File) would cause the City to borrow \$0.9 million at an approximate 5.5 percent interest rate over a period of 20 years. The reauthorization of 2022-23 MICLA funding authority to the City Hall Entry Doors Project (Item

KK in the February 25, 2026 CAO report, attached to the Council File) would cause the City to borrow \$0.6 million at an approximate 5.5 percent interest rate over a period of 20 years. The reauthorization of 2022-23 MICLA funding authority to the West Valley Police Station Heating, Ventilation, and Air Conditioning Replacement Project (Item LL in the February 25, 2026 CAO report, attached to the Council File) would cause the City to borrow \$1.0 million at an approximate 5.5 percent interest rate over a period of 20 years. The total estimated debt service for these projects is \$4.2 million, including interest of approximately \$1.7 million. During the life of the bonds, the estimated average annual debt service is \$0.2 million over a period of 20 years. Actual interest rates may differ as rates are dependent on market conditions at the time of issuance. The CAO cannot fully predict what interest rates will be in the future. In accordance with the City's Debt Management Policy, the City has an established debt ceiling to guide the evaluation of the affordability for future debt. The debt ceiling for non-voted direct debt as a percentage of General Fund revenues is six percent. The 2025-26 Adopted Budget non-voter-approved debt service ratio is 2.40 percent. The issuance of MICLA debt for these projects will not cause the City to exceed the six percent non-voter-approved debt limit.

1. AUTHORIZE the Fire Chief, Los Angeles Fire Department (LAFD), or designee, to:
 - a. Continue to expend the FY 2024 Port Security Grant Program funding in the amount up to \$129,000 from the Federal Emergency Management Agency (FEMA).
 - b. Expend funds up to \$65,000 from LAFD General Fund No. 100/38, Account No. 6010, for Tuition; and up to \$64,000 from LAFD General Fund No. 100/38, Account No. 1098, Variable Staffing Overtime, for staffing backfill/overtime in accordance with the FY 2024 PSGP award from FEMA, for the performance period of September 1, 2024 through August 31, 2027; and any extension of the performance period granted by FEMA; and, to execute any documents necessary to accept the grant on the City's behalf.
 - c. Deposit FY 2024 PSGP up to \$96,750 in reimbursement grant funds into Fund No. 335/38, Account to be determined (TBD).
2. AUTHORIZE the Controller to transfer reimbursement grant funds up to \$48,750 from Fund No. 335/38, Account TBD, to LAFD General Fund No. 100/38, Account No. 6010, for Tuition; and, up to \$48,000 from Fund No. 335/38, Account TBD, to LAFD General Fund No. 100/38, Account No. 1098, Variable Staffing Overtime, for personnel costs; upon submission of proper documentation by the LAFD of actual costs incurred, subject to the review and approval of the CAO.
3. AUTHORIZE the LAFD to prepare Controller instructions for any technical adjustments, subject to the approval of the CAO; and, AUTHORIZE the Controller to implement the instructions.

Fiscal Impact Statement: The LAFD will fund the grant-related expenditures of up to \$129,000 associated with the FY 2024 Port

Security Grant Program. FEMA will reimburse the LAFD the required cost share of up to \$96,750 (75 percent), with the remaining LAFD cost share amount of up to \$32,250 (25 percent) to be absorbed by the LAFD General Fund.

PUBLIC SAFETY and BUDGET AND FINANCE COMMITTEES' REPORT relative to the acceptance of the Fiscal Year 2024 (FY24) State Homeland Security Program (SHSP) grant award.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. AUTHORIZE the Mayor, or designee, to:

- a. Accept, on behalf of the City, the FY24 SHSP grant in the amount of \$189,600 for a grant performance period of September 1, 2024 to February 28, 2027, to fund approved Los Angeles Fire Department (LAFD) and Los Angeles Police Department (LAPD) projects as outlined in the Mayor report dated December 23, 2025, attached to the Council file.
- b. Negotiate and execute an agreement with the County of Los Angeles for a term between September 1, 2024 to February 28, 2027, for receipt of FY24 SHSP grant funds, consistent with the approved grant budget and in accordance with the Agreement included as an Attachment of said Mayor report, subject to the approval of the City Attorney as to form.
- c. Submit to the grantor, on behalf of the City, requests for drawdown of funds or reimbursements of City funds expended for eligible grant purposes.

- d. Negotiate and execute a contract with a vendor to provide All-Hazards Incident Management Team Training (AHIMT) in an amount not to exceed \$50,000, and for a term of up to 12 months within the grant performance period, subject to the approval of the City Attorney as to form.

2. AUTHORIZE the Controller to:

- a. Create a new interest-bearing Fund entitled FY 2024 State Homeland Security Program Grant Fund; and, establish a receivable within the new Fund in the amount of \$189,600 for the FY24 SHSP grant.
- b. Expend and receive funds upon presentation of documentation and proper demand by the Mayor's Office of Public Safety to reimburse City departments.
- c. Create new Appropriation Accounts within the new Fund No. TBD/46, in the total amount of \$189,600, as follows:
 - i. Fund No. XXX/46, Account No. 46C138 – Fire; Amount: \$65,600
 - ii. Fund No. XXX/46, Account No. 46C970 – LAPD Grant Allocation; Amount: \$56,886
 - iii. Fund No. XXX/46, Account No. 46C170 – Police; Amount: \$56,886
 - iv. Fund No. XXX/46, Account No. 46C299 – Related Costs; Amount: \$10,228
- d. Transfer appropriations from FY24 SHSP Grant Fund No. TBD/46 to the General Fund, to reimburse the General Fund for FY24 SHSP as follows:

Transfer From:

Fund No. XXX/46, Account No. 46C138 – Fire; Amount: \$65,600

Fund No. XXX/46, Account No. 46C170 – Police; Amount: \$56,886

Total: \$122,486

Transfer To:

Fund No. 100/38, Account No. 003040 – Contractual Services; Amount: \$50,000

Fund No. 100/38, Account No. 006020 – Operating Supplies & Exp; Amount: \$15,600

Fund No. 100/70, Account No. 001092 – Overtime, Sworn; Amount: \$56,886

Total: \$122,486

3. INSTRUCT the City Clerk to place on Council Calendar on July 1, 2026, the following action relative to the FY24 SHSP:

a. Appropriate funds within Fund No. XXX/46 as follows:

Transfer From:

Fund No. XXX/46, Account No. 46C970 – LAPD Grant Allocation; Amount: \$56,886

Transfer To:

Fund No. XXX/46, Account No. 46E170 – Police; Amount: \$56,886

b. Transfer appropriations from FY24 SHSP Grant Fund No. TBD/46 to the General Fund for FY24 SHSP as follows:

Transfer From:

Fund No. XXX/46, Account No. 46E170 – LAPD Grant Allocation; Amount: \$56,886

Transfer To:

Fund No. XXX/70, Account No. 001092 – Overtime, Sworn; Amount: \$56,886

4. TRANSFER up to \$10,228 from FY24 SHSP Grant Fund No. XXX/46, Account No. 46C299, to the LAPD's General Fund No. 100/70, Revenue Source Code 5346, Related Costs Reimbursements for Grant, for reimbursement of grant-funded fringe benefits.

5. AUTHORIZE the Mayor, or designee, to prepare Controller instructions for any technical accounting adjustments, subject to the approval of the City Administrative Officer (CAO); and, AUTHORIZE the Controller to implement the instructions.

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund as a result of the recommendations in the report. Acceptance of the FY24 SHSP grant award in the amount of \$189,600 will provide programmatic funding for the LAFD and LAPD.

Financial Policies Statement: The CAO reports that recommendations in the report comply with the City's Financial Policies in that one-time revenue is used for one-time expenses, all grant-eligible costs are fully covered by grant funds, and the grant funds are sufficient to support the grant activities.

CONSIDERATION OF CHIEF LEGISLATIVE ANALYST REPORT and RESOLUTION (PARK – HARRIS-DAWSON) relative to establishing the City's position on Senate Bill (SB) 1352 (Valladares), which would clarify the meaning of "substantially equivalent" for rebuilding properties damaged or destroyed by a disaster.

Recommendation for Council action, pursuant to Resolution (Park – Harris-Dawson), SUBJECT TO THE CONCURRENCE OF THE MAYOR:

RESOLVE to include in the City's 2025-26 State Legislative Program SUPPORT for SB 1352 (Valladares), which would provide clarity for property owners rebuilding property damaged or destroyed by a disaster on or after January 1, 2025, by defining the term "substantially equivalent" in the State Revenue and Taxation Code to specify that a reconstructed improvement may be up to 110 percent of its original size and still qualify for exclusion from reassessment as

“new construction.”

LA Sanitation and Environment (LASAN) has identified available funding in the Measure W - Safe Clean Water Municipal Program (SCWP) Special Fund to support public right of way maintenance by reducing blight, trash, litter, debris, and other known pollutants. This one-time funding transfer would support activities that are eligible under the SCWP, in which these funds may be used exclusively for activities that reduce pollutants in stormwater or prevent pollutants from entering the City's stormwater system. All expenditures from this transfer must directly align with these eligible purposes and demonstrate a clear nexus to stormwater pollution reduction or prevention.

I THEREFORE MOVE that \$200,000 from the Measure W - Safe, Clean Water - Municipal Program Special Fund No. 60W-50, Account No. 50CAFD (Stormwater System Integration) be transferred / appropriated to the Board of Public Works Fund No. 100-74, Account No. 1090 (Salaries - Overtime) for public right-of-way maintenance in Council District 1.

I FURTHER MOVE that the Department of Public Works be authorized to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections / clarifications / changes may be made orally, electronically or by any other means.

WHEREAS, the Authority has requested that the City Council approve the issuance of the Bonds by the Authority to finance the Project in order to satisfy the requirements of Section 4 of the Joint Exercise of Powers Agreement Relating to the California Municipal Finance Authority, dated as of January 1, 2004 (the "Agreement"), among the Authority and certain local agencies, including the City;

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Los Angeles as follows:

Section 1. The foregoing resolutions are true and correct.

Section 2. The City Council hereby approves the issuance of the Bonds by the Authority to finance the Project. It is the purpose and intent of the City Council that this resolution constitute approval of the issuance of the Bonds by the Authority, for the purposes of section 4 of the Agreement.

Section 3. The issuance of the Bonds shall be subject to the approval by the Authority of the Bonds and all financing documents relating thereto to which the Authority is a party. The City shall have no responsibility or liability whatsoever with respect to the Bonds.

Section 4. The adoption of this Resolution shall not obligate the City or any department thereof to (i) provide any financing to acquire or construct the Project or any refinancing of the Project; (ii) approve any application or request for or take any other action in connection with any planning approval, permit or other action necessary for the acquisition, construction, rehabilitation, installation or operation of the Project; (iii) make any contribution or advance any funds whatsoever to the Authority; or (iv) take any further action with respect to the Authority or its membership therein.

Section 5. The officers of the City are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they deem necessary or advisable in order to carry out, give effect to and comply with the terms and intent of this resolution and the financing transaction approved hereby.

Section 6. This resolution shall take effect immediately upon its adoption.

RESOLUTION

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council; and

WHEREAS, California Planning and Zoning Law requires every city and county to adopt a comprehensive General Plan that serves as a long-term blueprint for guiding future development, and which consists of seven mandatory elements: Land Use, Circulation, Conservation, Open Space, Noise, Safety, and Housing; and

WHEREAS, the Housing Element is a required component of the General Plan that establishes goals, policies, and programs to accommodate a jurisdiction's existing and projected housing needs for all income levels, including targeted populations such as seniors, individuals experiencing homelessness, and families with children; and

WHEREAS, there is a need to expand the definition of the term "target population" to address populations who have unique needs for targeted supportive services and housing solutions beyond what is currently available; and

WHEREAS, the current definition of "target population" does not include victims of domestic violence or victims of human trafficking, despite those groups representing a large proportion of the population seeking homelessness-related services; and

WHEREAS, AB 1573 (Bryan) would address this by adding "victims of domestic violence" and "victims of human trafficking" to the definition of "target population" in existing law; and

WHEREAS, this change would enable survivors of domestic violence, sexual assault, and human trafficking, who are disproportionately represented among the unhoused population to gain access to supportive services and housing solutions;

NOW, THEREFORE, BE IT RESOLVED, that the City of Los Angeles hereby includes in its 2025-2026 State Legislative Program SUPPORT for AB 1573 (Bryan), which would add "victims of domestic violence" and "victims of human trafficking" to the definition of "target population" in the Housing Element Law, in order to better address housing needs.

The Two Bit Circus Foundation is a nonprofit organization that creates STEAM (Science, Technology, Engineering, Art, and Math) learning experiences for children in the local community. The foundation focuses on creating playful, project-based learning experiences that nurture curiosity, collaboration, and confidence in students of all backgrounds. The Two Bit Circus Foundation would like to expand their services to other areas of the City, and vacant City property has been identified at 5975 South Western Avenue that would be ideal for the Foundation to utilize. In order for Two Bit Circus Foundation to begin operations at this property, a lease agreement is needed.

I THEREFORE MOVE that Council instruct the Department of General Services, with the assistance of the City Attorney and City Administrative Officer, to negotiate a non-profit lease with Two Bit Circus for the use of the City-owned space located at 5975 South Western Avenue.

I FURTHER MOVE that the Council find, pursuant to Charter Section 371(e)(10) and Administrative Code Section 10.15(a)(10), that the use of competitive bidding would be undesirable and impractical for the following reasons: (1) the Two Bit Circus Foundation offers a safe and fun environment for community growth, empowerment, and connection; (2) the space was vacant and unused by the City and may deteriorate without a primary tenant; and (3) given the Two Bit Circus Foundation's background and work experience, it is the most qualified entity to operate at this property.

RESOLUTION

RULES, ELECTIONS, INTERGOVERNMENTAL RELATIONS

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council; and

WHEREAS, copper wire theft continues to be a persistent and escalating issue throughout the City of Los Angeles, resulting in widespread infrastructure damage, prolonged service outages, and significant threats to public safety; and

WHEREAS, in 2024 alone, the Los Angeles Bureau of Street Lighting received approximately 45,000 service requests, with an estimated 40 percent attributed to copper wire theft, placing substantial strain on City resources and delaying critical repairs; and

WHEREAS, current California law calculates the value of stolen copper based on its minimal scrap value, rather than the full cost of repair and replacement, creating a significant gap in accurately reflecting the true financial hardship to victims, including public agencies and utilities; and

WHEREAS, as a result of this valuation gap, many instances of copper wire theft fall below the \$950 felony threshold established under Proposition 47, despite causing tens of thousands—or even millions—of dollars in damages to public infrastructure; and

WHEREAS, organized theft rings often exploit this loophole by committing repeated small-scale thefts to avoid felony prosecution, thereby perpetuating ongoing damage to critical infrastructure systems; and

WHEREAS, Senate Bill 1266, introduced by Senator Henry Stern, seeks to address this enforcement gap by redefining the value of stolen copper wire to include the full cost of repair and replacement, including labor and equipment, rather than solely relying on scrap value; and

WHEREAS, SB 1266 would also authorize the aggregation of multiple thefts committed against critical infrastructure within a 90-day period, allowing prosecutors to more effectively hold repeat offenders accountable and meet the felony threshold; and

WHEREAS, by strengthening the legal tools available to law enforcement and prosecutors, SB 1266 aims to deter copper wire theft, disrupt organized theft operations, and better protect public safety and essential infrastructure;

NOW, THEREFORE, BE IT RESOLVED, that by the adoption of this Resolution, the City of Los Angeles hereby includes in its 2025-2026 State Legislative Program SUPPORT of SB 1266 (Stern), which would require that the valuation of stolen copper wire be calculated based upon the comprehensive cost of repair and replacement incurred by the victim, encompassing all necessary labor and equipment expenses, as opposed to the nominal scrap value; and furthermore, authorize the aggregation of multiple thefts targeting critical infrastructure within a 90-day window to satisfy the felony threshold established by state law.

RESOLUTION

RULES, ELECTIONS, INTERGOVERNMENTAL RELATIONS

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council; and

WHEREAS, the City of Los Angeles is home to hundreds of thousands of children, youth, and families who rely on accessible, timely, and evidence-based healthcare services to support their physical, mental, and emotional well-being; and

WHEREAS, gender-affirming healthcare is recognized as essential, evidence-based medical care by leading medical and public health organizations, including the American Academy of Pediatrics, the American Medical Association, and the World Health Organization; and

WHEREAS, hospitals and healthcare providers within the City of Los Angeles currently provide gender-affirming healthcare services to transgender, gender diverse, and intersex patients, including minors, consistent with established medical standards of care; and

WHEREAS, on December 18, 2025, the United States Department of Health and Human Services, under Secretary Robert F. Kennedy, Jr., and the Centers for Medicare and Medicaid Services announced proposed federal rules and guidance that would eliminate or restrict access to gender-affirming healthcare for patients under the age of 18 by prohibiting Medicaid reimbursement; and

WHEREAS, these proposed federal actions would coerce hospitals and healthcare providers to discontinue gender-affirming care for youth, regardless of medical necessity, parental consent, or clinical judgment, thereby placing vulnerable young people at risk of significant health-related harm; and

WHEREAS, in March 2026, a federal court issued a ruling blocking the attempted federal action led by Robert F. Kennedy Jr. to restrict access to gender-affirming healthcare for minors, finding that such action exceeded legal authority and failed to comply with required rulemaking procedures; and

WHEREAS, the City of Los Angeles has a longstanding commitment to protecting LGBTQIA+ residents and visitors through policies, programs, and City-sponsored initiatives that affirm dignity, safety, and access to essential services; and

WHEREAS, the City has an obligation to use all lawful means available to protect public health, prevent discrimination, and ensure that residents are not denied medical care due to ideological or politically motivated federal actions.

NOW, THEREFORE, BE IT RESOLVED, that by adoption of this Resolution, the City of Los Angeles hereby includes in its 2025-26 Federal Legislative Program OPPOSITION of Secretary Robert F Kennedy, Jr.'s declaration and proposed federal rules impacting access to gender-affirming care for young people.

RESOLUTION

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council; and

WHEREAS, the cost of housing in California is the highest of any state in the nation, and the pace of cost increase has far outstripped that in other parts of the country; and

WHEREAS, only 17% of California households can afford to purchase a median-priced home - compared to 36% for the country; and
WHEREAS, much of the housing built in California is large single-family homes or and high-rise construction; and

WHEREAS, a strategy to lower the cost of housing is to facilitate the construction of "missing-middle" housing types that accommodate more units per acre, but are not as inherently expensive to build; and

WHEREAS, currently pending before the state assembly is a bill, AB 1070 (Ward), which would direct the State of California's Department of Housing and Community Development to create a working group to explore allowing 'missing middle' developments between 3 and 10 units to be built under the requirements of the California Residential Code, rather than the California Building Code; and

WHEREAS, this change could unlock the production of triplexes and other smaller multi-family housing types by streamlining code requirements, while preserving health and safety and opening up a broader workforce to build these projects;

NOW, THEREFORE, BE IT RESOLVED, that by the adoption of this Resolution, the City of Los Angeles hereby includes in its 2025-2026 State Legislative Program SUPPORT for AB 1070 (Ward), which would allow residential developments of between 3 and 10 units to be built under the requirements of the California Residential Code rather than the California Building Code.

The 2028 Olympic & Paralympic Games will be one of the largest sporting events in history. They will bring more than 15,000 elite athletes and millions of visitors to Los Angeles, generating hundreds of contract opportunities across sectors such as construction, hospitality, logistics, electronics, apparel, and transportation. The economic stakes for our local businesses are enormous, and the City's expectations have been clear.

Through multiple engagements with LA28, the City has consistently called for a formal, written commitment in the procurement plan establishing a tiered vendor preference structure: City of Los Angeles businesses first, followed by Los Angeles County, and then the broader five-county region. As the public entity bearing primary financial liability for the Games, the City has both a responsibility and a right to ensure that the Games is a net positive to the City's economy and that its small businesses are first in line to benefit.

In its Impact and Sustainability report, LA28 has pledged to direct 75% of addressable spend to Los Angeles, San Bernardino, Orange, Ventura and Riverside counties and 25% to small businesses. However, LA28's procurement plan falls significantly short of community expectations to meaningfully support businesses within the City of Los Angeles through LA28 procurement opportunities. It provides no transparency on total addressable spend, no sector-specific allocations, and no anticipated contract values. Without clear accountability measures, large multinational firms could secure the majority of funding, leaving local businesses with only a small share of the overall economic benefit.

Additionally, the City Council has previously adopted and transmitted several formal requests related to procurement, equity, and local participation through Council Files 15-0989-S51, 15-0989-S52, 15-0989-S58, 15-0989-S59, and 15-0989-S62. It remains unclear to what extent these directives have been incorporated into LA28's procurement plan or implementation strategy.

I THEREFORE MOVE that the CLA and BCA review Council Files 15-0989-S51, 15-0989-S52, 15-0989-S58, 15-0989-S59, and 15-0989-S62, mandating that LA28 prioritize City of Los Angeles businesses, establish transparent procurement and contracting protocols while providing comprehensive quarterly reports and report on:

1. The extent to which the policies, directives, and requests contained within these Council actions have been incorporated into LA28's procurement plan;
2. The current status of implementation of these directives, including measurable outcomes where available;
3. Any gaps between previous Council action and LA28 execution.

I FURTHER MOVE that the CLA, in coordination with BCA, provide a separate report with recommendations for policy, reporting, and enforcement mechanisms that the City Council may pursue to protect the City's financial and economic interests, and to ensure that LA28

E-bikes and e-motos offer significant benefits to the individual and society, including improved cardiovascular health, reduced commuting costs, and eco-friendly transportation. Key perks include easy parking, improved mental well-being, ability to move children, groceries, or cargo, and greater accessibility for older riders or those with injuries. 66% of trips taken every day in the City of Los Angeles are 5 miles or less and e-bikes and e-motos provide a non-car transportation mode for Angelenos to get around.

According to UCLA's Department of Transportation, studies have shown that people who ride e-bikes do it often and for farther distances, enabling moderate exercise. Modest activity (say 30 minutes a day of movement) helps with enhanced physical fitness, improved cardiovascular function, muscle strengthening, reduced inflammation, improved mental health like better mood and lower stress, and enriched sleep quality. Being able to go faster also makes e-biking safer, as riders are traveling more at the speed of traffic compared to vehicles.

Crashes involving electric mopeds and electric motorcycles in Los Angeles and the surrounding Southern California region have surged recently, leading to increased law enforcement crackdowns and a rise in emergency room visits. Local authorities report a significant increase in trauma cases, including head injuries and fractures, particularly among juvenile riders. Just recently in March of 2026 a teenager on a street illegal electric motorcycle crashed into an elderly pedestrian, gravely injuring her.

E-bikes are classified into three main categories based on speed and motor assistance type, primarily to define where they can be legally ridden. Class 1 is pedal-assist only up to 20 mph. Class 2 includes a throttle and pedal-assist, also capped at 20 mph. Class 3 is pedal-assist only, with speeds up to 28 mph. Class 1 and 2 are usually allowed on bike paths and conventional bicycle infrastructure, while Class 3 is typically restricted to road use and requires riders to be 16 or older. All Class 3 riders must wear helmets, while Class 1 and 2 riders under 18 are required to wear helmets.

Electric motos and mopeds, on the other hand, are not street legal out of the box. They are marketed to teens and parents of teens as a fun, efficient way to get around, but they often lack the required elements to make them legal, such as turn signals, proper lights, and license plates. Additionally, they require that riders have a M1 (motorcycle) license, which is not disclosed to those purchasing them. Nearly all reported crashes are from illegal devices, not legal e-bikes.

Citing near misses, traumatic injuries and fatal crashes, state lawmakers have introduced a flurry of bills to regulate e-bikes and e-motos. At least nine bills are making their way through the Legislature this session, each proposing new rules and safety precautions. It is important for the City to monitor and advocate for changes at the state level, while thoughtfully considering local regulations to protect the safety and welfare of Angelenos.

WE THEREFORE MOVE to INSTRUCT the Department of Transportation, with the assistance of the City of Los Angeles Bicycle Advisory Committee, the City Attorney's Office, the Los Angeles Police Department, the Bureau of Street Services, and Metro, to report back within 90 days with recommendations to regulate e-bikes, e-motos and electric mopeds, that may include:

M

- Requiring all e-bikes, e-motos and electric mopeds in the City of Los Angeles to meet all legal standards and requirements;
- Banning the sale or resale of e-bikes, e-motos and electric mopeds that do not meet the legal standards and requirements;
- Banning the conversion or assisting in the conversion of e-bikes to a higher class or e-moto or electric moped;
- Banning the sale of e-motos or electric mopeds which are not street legal out of the box and/or which require a M1 driver's license to be operated legally;
- Requiring educational learning for all riders under 18 or who do not have a driver's license; and,
- Rules for the storage and charging of e-bikes, e-motos and electric mopeds to prevent hazardous waste and battery fires.

WE FURTHER MOVE to INSTRUCT the Chief Legislative Analyst to report back on pending state legislation related to e-bikes, e-motos, and similar mobility devices (e.g. AB 1492, AB 1557, AB 1569, AB 1614, AB 2346, AB 2595, and SB 1167) and provide recommendations and draft resolutions of support for those bills that are in the interest of the safety and welfare of the residents of the City of Los Angeles.

WE FURTHER MOVE to REQUEST the Los Angeles Police Commission, with the assistance of the LAPD and the City Attorney's Office, to require the annual publication of data on e-bike, e-moto and electric moped collisions, injuries, and deaths that includes enough identifying information to allow policy makers to make any necessary adjustments to increase the safety and welfare of our residents.
