CONTINUED CONSIDERATION OF CATEGORICAL EXEMPTION and TRADE, TRAVEL AND TOURISM COMMITTEE REPORT relative to the Second Amendment to Reimbursement Agreement No. DA-4914 with Signature Flight Support LLC, for reimbursements to Los Angeles World Airports (LAWA) for United States (U.S.) Customs and Border Protection facility expenses at the Van Nuys Airport.

Recommendations for Council action:

1. CONCUR with the determination by the Board of Airport Commissioners (BOAC) that this action is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Article III, Class 1(18)(c) of the Los Angeles City CEQA Guidelines.
2. APPROVE BOAC Resolution No. 28140 authorizing a Second Amendment to Reimbursement Agreement No. DA-4914

between the LAWA and Signature Flight Support, LLC extending the term by three years, with two one-year extension options, retroactive to May 21, 2025, for a total term of 15 years, from May 21, 2015, through May 20, 2030, for the reimbursement of \$480,000 in annual fees paid by the LAWA to the U.S. Customs and Border Protection for facility expenses at the Van Nuys Airport.

3. AUTHORIZE the Chief Executive Officer, LAWA, or designee, to execute the proposed amendment upon approval by the Council and approval as to form by the City Attorney.
4. REQUEST LAWA, in coordination with the City Attorney, to report on protections and protocols that can be incorporated into LAWA reimbursement and lease agreements relative to immigration enforcement requests to access its property.

Fiscal Impact Statement: The City Administrative Officer reports that approval of the proposed Second Amendment to Reimbursement Agreement No. DA- 4914 between the LAWA and Signature Flight Support, LLC will have no impact on the City's General Fund. The proposed Amendment extends the term of the Agreement by three years, with two one-year extension options, for an additional term of five years, and a total agreement term of 15 years, for CBP facility expenses at the Van Nuys Airport. The \$480,000 annual cost of CBP services are fully reimbursed by Signature. The proposed Amendment complies with the LAWA's financial policies.

Community Impact Statement: None submitted.

RESOLUTION

WHEREAS, §41.18 of the Municipal Code provides that the Council by Resolution may designate specified areas for enforcement against sitting, lying, sleeping, or storing, using, maintaining, or placing personal property, or otherwise obstructing the public right-of-way, in order for a person to be found in violation of any of these prohibited behaviors; and

WHEREAS, the below listed locations are experiencing a need for enforcement against the above listed prohibitions; and

WHEREAS, the Council hereby finds that the public health, safety, or welfare is served by the prohibition, and further finds that sleeping or lodging within the stated proximity to the designated area(s) is unhealthy, unsafe, or incompatible with safe passage; and

WHEREAS, the Office of Council District 7 has submitted / posted to the File relevant documentation, as further detailed in the Code, that the circumstances at these locations pose a particular and ongoing threat to public health or safety;

NOW, THEREFORE, BE IT RESOLVED, pursuant to §41.18 (c) of the Los Angeles Municipal Code that the Council hereby designates the following locations for enforcement against sitting, lying, sleeping, or storing, using, maintaining, or placing personal property, or otherwise obstructing the public right-of-way, up to the maximum distance and effective for the maximum period of time prescribed, and as further detailed in the Code;

1. Hubbard Street between Foothill Boulevard to Gladstone Avenue – Freeway

BE IT FURTHER RESOLVED that the City Department(s) with jurisdiction over the identified locations are hereby directed and authorized to post appropriate notices of the above prohibitions at these locations, and to begin enforcement upon the expiration of any required posting period.

REGULAR COUNCIL AGENDA TO BE POSTED

On April 17, 2024, Council approved actions relative to additional funding and contract amendments for the environmental assessment and cleanup of the Slauson Wall Site (Site) located at 5867 South Los Angeles Street in Council District 9 (C.F. 09-2665-S7). Clean-up efforts are being implemented but additional funding is needed to support the work that is being administered by the Bureau of Sanitation (LASAN), with assistance from the Los Angeles Housing Department (LAHD), and Economic and Workforce Development Department (EWDD).

In 2018, the City, through LAHD, entered into a contract with the State of California Department of Toxic Substances Control (DTSC) (Contract No. C-130849) to provide oversight of the remediation activities. An additional \$198,483 in funding is needed for DTSC to continue providing oversight services.

Separately, LASAN needs \$95,200 in additional funding to contract with Stantec Consulting Services, Inc., to continue performing environmental assessment and remediation activities on the Site.

The City is also working with the adjacent property owner, Brotherhood Crusade, to secure Community Development Block Grant funding from the United States Department of Housing and Urban Development (HUD) to finance the future development of the Site's Park component. As part of the application process, HUD requires that a Phase I Environmental Site Assessment (ESA) dated within the last 180 days be provided. The current Phase I ESA for the Site does not meet the 180-day requirement and the cost estimate to update it is \$4,800.

Lastly, the Site is currently under the jurisdiction of LAHD but EWDD is the lead implementing department. As such, EWDD should be responsible for managing the Site. Approval of a non-financial transfer of jurisdiction is needed to transfer the property from LAHD to EWDD.

Council action is needed to: approve a total of \$298,483 in additional funding to support the clean-up efforts as described above; authorize LAHD to amend a contract with DTSC for related services; authorize LASAN to contract with Stantec for related services, and authorize a non-financial transfer of jurisdiction of the Site from LAHD to EWDD.

I THEREFORE MOVE that Council approve funding in the amount of \$198,483 from the LAHD Low- and Moderate-Income Housing Fund No. 55J, Account 43N467, for use by LAHD for site assessment and oversight services related to the Site and authorize LAHD to amend Contract C-130849 with the State of California Department of Toxic Substances Control, subject to the approval of the City Attorney as to form.

I FURTHER MOVE that Council authorize the Controller to Appropriate/Transfer funding from the Los Angeles Housing Department (LAHD) to the Bureau of Sanitation (LASAN) for use by LASAN for environmental site assessment and remediation activities on the Slauson Wall Site (Site) located at 5867 South Los Angeles Street as follows:

Transfer from:	Dept. 43 / Fund 55J / Low- and Moderate-Income Housing / Account 43N467 / Slauson Wall Green Space	\$100,000
Transfer to:	Dept. 50 / Fund 556 / Integrated Solid Waste Management Trust Fund / Account 50CMSW / Slauson Wall Env Assessment and Cleanup	\$100,000

I FURTHER MOVE that Council authorize LASAN to execute an agreement with Stantec Consulting Services, Inc., to continue performing environmental assessment and remediation related activities.

I FURTHER MOVE that Council authorize the General Manager of LAHD, or designee, to effectuate a non-financial transfer of jurisdiction and control of the City-owned Site located at 5930 S. Wall Street, Los Angeles, CA 90003 (APN 6006-003-900) to EWDD for a future mixed-use development, subject to City Attorney approval as to form

Following the introduction of [CF 23-1334](#), the Department of Recreation and Parks was able to identify approximately \$371,000 dollars for a Master Plan for the South Griffith Park Plan Area. In addition to this funding, a Federal earmark is also dedicated to completion of the Master Plan, which will include a programmatic environmental document as well as other environmental documentation. Front funding is needed to fully cash-flow the Master Plan as the Federal earmark is reimbursement-based.

I THEREFORE MOVE that \$300,000 be transferred / appropriated as follows: \$150,000 be transferred / appropriated from the CD4 Council Projects line item in the General City Purposes Fund No. 100-56, Account No. 000A28, and \$150,000 be transferred / appropriated from the AB 1290 Fund No. 53P, Account No. 281204 (CD 4 Redevelopment Projects - Services) to Department of Recreation and Parks Fund No. 302, Department No. 89, Account No. 89270K (sub account name: South Griffith Park Master Plan).

I FURTHER MOVE that the Department of Recreation and Parks be authorized to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections / clarifications / changes may be made orally, electronically or by any other means.

MOTION

I MOVE that the Council Action of November 4, 2025 relative to Planning and Land Use Management Committee Report relative to a proposed Ordinance amending Chapter IX of the Los Angeles Municipal Code (LAMC) to incorporate by reference certain portions of the 2025 Edition of the California Building Standards Code (CF 25-1217), **BE AMENDED** to **ADOPT** technical **RECOMMENDATIONS** to add and revise various sections in the proposed Ordinance, all of which have been uploaded to the Council File in a Department of Building and Safety report dated 11/6/25, as follows:

1. The 'added sections' remove several Municipal Code sections that are no longer needed, inasmuch as those sections are regulated under the California Building Standards Code.
2. The 'changed sections' includes revised language to provide clarifying language and revisions to reference correct sections of the Municipal Code.
3. Request the City Attorney to prepare and present the draft ordinance, including the environmental clearance, that incorporates the Department of Building and Safety technical recommendations dated 11/6/25, uploaded to CF 25-1217, which help ensure that our local amendments to the California Building Standards Code (CBSC) can be justified based on local climatic, geological, topographic, or environmental factors, as required by California Building Standards Law (Health and Safety Code, Division 13, Part 2.5). Additionally, some changes are necessary to align our amendments with the 2025 edition of the CBSC. Furthermore, several local amendments are deleted where the CBSC already includes equivalent or more restrictive provisions.

537 N Kenmore LP (Borrower) has requested that the California Municipal Finance Authority (CMFA) issue one or more series of revenue bonds or notes in an aggregate principal amount not to exceed \$20,000,000 to finance and/or refinance the acquisition, construction, improvement, renovation, furnishing, and equipping of a 65-unit multifamily rental housing project located at 537 North Kenmore Avenue in Council District 13.

In accordance with the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) and as part of the bond issuance process, CMFA conducted the required public hearing on July 23, 2025. Notice of the public hearing was published on July 11, 2025. CMFA is required to provide proof to the California Debt Limit Allocation Committee (CDLAC) that a TEFRA hearing has been conducted as part of the application process.

The City is a conduit issuer and is required by federal law to review and approve all projects within its jurisdiction. The bond debt is payable solely from revenues or other funds provided by the Borrower. The City does not incur liability for repayment of the bonds. To allow the bonds to be issued in accordance with CDLAC requirements, the Council should consider the minutes of the TEFRA public hearing and adopt the required Resolution (attached).

I THEREFORE MOVE that the City Council consider the attached results of the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) public hearing held on July 23, 2025 and adopt the attached Resolution to allow the California Municipal Finance Authority to issue revenue bonds or notes in an aggregate principal amount not to exceed \$20,000,000 to finance and/or refinance the acquisition, construction, improvement, renovation, furnishing, and equipping of a multifamily rental housing project located at 537 North Kenmore Avenue in Council District 13.

RESOLUTION NO.

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOS ANGELES APPROVING THE ISSUANCE OF THE CALIFORNIA MUNICIPAL FINANCE AUTHORITY EXEMPT FACILITY BONDS FOR A QUALIFIED RESIDENTIAL RENTAL PROJECT IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$20,000,000 FOR THE PURPOSE OF FINANCING OR REFINANCING THE ACQUISITION, CONSTRUCTION, IMPROVEMENT AND EQUIPPING OF 537 NORTH KENMORE AND CERTAIN OTHER MATTERS RELATING THERETO

WHEREAS, 537 North Kenmore LP (the "Borrower") a partnership of which HVN Development, LLC (the "Developer") or a related person to the Developer is the general partner, has requested that the California Municipal Finance Authority (the "Authority") adopt a plan of financing providing for the issuance of exempt facility bonds for a qualified residential rental project pursuant to Section 142(a)(7) of the Internal Revenue Code of 1986 (the "Code") in one or more series issued from time to time, including bonds issued to refund such exempt facility bonds in one or more series from time to time, and at no time to exceed \$20,000,000 in aggregate principal amount (the "Bonds"), to finance or refinance the acquisition, construction, improvement and equipping of a multifamily rental housing project located at 537 North Kenmore Avenue, Los Angeles, California (the "Project"); and

WHEREAS, pursuant to Section 147(f) of the Code, the issuance of the Bonds by the Authority must be approved by the City of Los Angeles (the "City") because the Project is located within the territorial limits of the City; and

WHEREAS, the City Council of the City (the "City Council") is the elected legislative body of the City and is one of the "applicable elected representatives" required to approve the issuance of the Bonds under Section 147(f) of the Code; and

WHEREAS, the Authority has requested that the City Council approve the issuance of the Bonds by the Authority in order to satisfy the public approval requirement of Section 147(f) of the Code and the requirements of Section 4 of the Joint Exercise of Powers Agreement Relating to the California Municipal Finance Authority, dated as of January 1, 2004 (the "Agreement"), among certain local agencies, including the City; and

WHEREAS, pursuant to Section 147(f) of the Code, the City Council has, following notice duly given, held a public hearing regarding the issuance of the Bonds, and now desires to approve the issuance of the Bonds by the Authority;

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Los Angeles as follows:

Section 1. The foregoing resolutions are true and correct.

Section 2. The City Council hereby approves the issuance of the Bonds by the Authority. It is the purpose and intent of the City Council that this resolution constitute approval of the issuance of the Bonds by the Authority, for the purposes of (a) Section 147(f) of the Code by the

applicable elected representative of the governmental unit having jurisdiction over the area in which the Project is located, in accordance with said Section 147(f) and (b) Section 4 of the Agreement.

Section 3. The issuance of the Bonds shall be subject to the approval of the Authority of all financing documents relating thereto to which the Authority is a party. The City shall have no responsibility or liability whatsoever with respect to the Bonds.

Section 4. The adoption of this Resolution shall not obligate the City or any department thereof to (i) provide any financing to acquire or construct the Project or any refinancing of the Project; (ii) approve any application or request for or take any other action in connection with any planning approval, permit or other action necessary for the acquisition, construction, rehabilitation, installation or operation of the Project; (iii) make any contribution or advance any funds whatsoever to the Authority; or (iv) take any further action with respect to the Authority or its membership therein.

Section 5. The officers of the City are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they deem necessary or advisable in order to carry out, give effect to and comply with the terms and intent of this resolution and the financing transaction approved hereby.

Section 6. This resolution shall take effect immediately upon its adoption.

In September 2018, the City acquired two Community Redevelopment Agency (CRA/LA) parcels on Sherman Way to construct the Reseda Skate Facility. The highly anticipated facility will feature both an indoor ice rink and outdoor roller skate area. The indoor ice skating facility will offer public seating and include a 26,800 square-foot skating rink with an 85-foot by 200-foot ice surface, cooling infrastructure, ice grooming equipment storage, locker rooms for two teams, restrooms and office space. The outdoor roller area will include a seating area, bioswale, trees and lighting. An adjacent parking lot will provide approximately 125 parking spaces.

The 1996 ballot measure for the Proposition K – LA for Kids Program included a specified line item for the Reseda Skate Facility that partially funded the acquisition and construction of an ice hockey and roller blading facility. In 2018, Council District 3 secured the necessary funding to proceed with construction and entered into a public private partnership with the LA Kings. Upon completion, the Department of Recreation and Parks will own the facility, while the LA Kings will manage the facility through a limited liability company, JV Ice Reseda, LLC, pursuant to the terms of an Operation and Management Agreement (Agreement) .

The community has long envisioned the development of a skate facility in Reseda. To ensure there are dedicated funds to maintain the facility for years to come, an account should be established now. This account would accept donations and other deposits to cover costs and expenses for the Reseda Skate Facility that are not required to be provided by JV Ice Reseda under the Agreement. Potential uses of these funds include non-normal, non-routine maintenance and repair of equipment, including to the zamboni/ice resurfacing machine and chillers essential for ice rink operations; providing youth programs and activities to supplement those required under Section 8 of the Agreement, including no-cost or low-cost rentals and lessons for local youth, with a preference to the extent possible to City of Los Angeles youth who reside in the San Fernando Valley; and staffing costs for operating the facility as a cooling center during extreme heat events, and for attendance at additional public engagement events to build awareness about the rink and its programming, including Reseda Rising and other local events on Sherman Way and in the San Fernando Valley.

I THEREFORE MOVE that the Council authorize the Department of Recreation and Parks to:

1. Establish a new APPR Account under Fund No. 302, Department No. 89, and Account Number 89746C for the Reseda Ice Skate Rink;
2. Accept and deposit funds including donations into Fund No. 302, Department No. 89 and Account Number 89746C for Reseda Ice Skate Rink activities including improvements, maintenance, community subsidies, events, and programs that supplement those required to be provided under the Operation and Maintenance Agreement between Recreation and Parks and JV Ice Reseda, LLC, or any successor agreement; and,
3. Make any corrections or classifications to the above instructions, including any new instructions, to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections / clarifications / changes may be made orally, electronically or by any other means.

MOTION

On February 10, 2016, Council adopted the Comprehensive Homeless Strategy, which included the development of a Safe Parking Pilot Program (C.F. 15-1138-S1). The City's program has since evolved from a pilot to a Citywide approach for interim housing for people experiencing homelessness (C.F. 15-1138-S38). Safe Parking LA is one such organization that provides this service in Council District 3, providing a safe haven while helping clients navigate the homeless services system.

Motion (Blumenfield –Rodriguez), dated September 18, 2024, appropriated \$50,000 from the General City Purposes Fund to the Los Angeles Housing Department for enhanced client support services at Safe Parking sites to be provided by Safe Parking LA in Council District 3. In order for Safe Parking LA to access these funds, the term of the relevant contract must be extended.

I THEREFORE MOVE that the Council instruct and authorize the General Manager of the Los Angeles Housing Department, or designee, to amend the City's General Funds Homeless Shelter Services Agreement with the Los Angeles Homeless Services Authority, Contract C-145627, to: extend the term through June 30, 2027 and expand the Scope of Work to include rental assistance.

I FURTHER MOVE to authorize the Los Angeles Housing Department to make any corrections, clarifications, or revisions in order to effectuate the intent of this motion.

I FURTHER MOVE to request the Los Angeles Homeless Services Authority to amend or execute relevant contracts with Safe Parking LA.

HOUSING & HOMELESSNESS

MOTION

The Housing Department's General Funds Homeless Shelter Services Agreement with the Los Angeles Homeless Services Authority (LAHSA) for Fiscal Year 2024-25 includes Council District 3's Contingency Management Pilot Program, operated by Hope the Mission. Participants currently enrolled in the program need additional assistance on their journey toward recovery and self-sufficiency. The Agreement expired on June 30, 2025. Unspent funds should be added to the Housing Department's Fiscal Year 2025-26 General Funds Homeless Shelter Services Agreement with LAHSA to allow Hope the Mission to provide rental assistance to program participants.

I THEREFORE MOVE that the Council instruct and authorize the General Manager of the Los Angeles Housing Department, or designee, to amend the City's General Funds Homeless Shelter Services Agreement with the Los Angeles Homeless Services Authority, Contract C-202650, to: extend the term through December 31, 2027; add up to \$200,000 for the CD 3 Hope the Mission Contingency Management Pilot Program; and expand the Scope of Work to add the Contingency Management Pilot Program from Contract C-145627 and expand it to include rental assistance.

I FURTHER MOVE to transfer and appropriate up to \$100,000 from the Housing Department Fund No. 10A/43, Account No. 43AC13 (FY 2024-25 Street Strategies) and up to \$100,000 from the Housing Department Fund No. 10A/43, Account No. 43AC12 (Shelter and Housing Interventions) to the Housing Department Fund No. 10A/43, Account No. 43CC13 (FY 2025-26 Street Strategies).

I FURTHER MOVE to authorize the Los Angeles Housing Department to make any corrections, clarifications, or revisions in order to effectuate the intent of this motion.

I FURTHER MOVE to request the Los Angeles Homeless Services Authority to amend or execute relevant contracts with Hope of the Mission.

The Marvin Braude Bike Trail is a majestic and beloved 22-mile bicycle path that runs along Los Angeles' shoreline, providing coastal access and recreation opportunities to thousands of cyclists, pedestrians and users on a regular basis.

A recent project at 4311 S. Lincoln Boulevard, Los Angeles, CA, 90292, consisting of the construction of a new freestanding cinder block wall, has blocked a critical access point to the bike trail and Yvonne B. Burke Park, thereby depriving the community in Council District 11 and beyond of a decades-long access point.

As a result, the residents of Council District 11 and the broader community across the County and beyond that relied on this access point are forced to travel on dangerous and inhospitable thoroughfares like Lincoln Boulevard to access the trail at alternate points.

The new wall was constructed as a by-right project, receiving a Coastal Exemption (CEX) from the Planning Department and permit from the Department of Building and Safety as a ministerial action. As such, the project was approved without the knowledge or input of the impacted communities or Council District 11 office.

It is through the City's land use regulatory controls that community members are protected through the maintenance of the public peace, health, and safety of persons living or working in communities and neighborhoods citywide. Therefore, it is imperative to assess this project's impacts on open space, access to public spaces and our coast, traffic, and the safety of pedestrians and cyclists by revoking its Coastal Exemption, as these environmental impacts have not been analyzed.

I THEREFORE MOVE that the Council instruct the Planning Department to revoke the issuance of the Coastal Exemption (Case No. ADM-2025-14-CEX) for the project located at 4311 S. Lincoln Boulevard, Los Angeles, CA, 90292 and associated with Permit No. 24020-10000-02392, inasmuch as the construction of the new freestanding cinder block wall's environmental impacts have not been analyzed, or community engagement occurred

I FURTHER MOVE that, upon the revocation of Coastal Exemption (Case No. ADM-2025-14-CEX), the Council instruct the Department of Building and Safety and the Department of City Planning, in consultation with the City Attorney, to take any necessary actions to restore coastal access that existed prior to the construction of the cinder block wall.

Human Trafficking and prostitution remain serious issues in the City, in particular in South Los Angeles and parts of the San Fernando Valley. For years, the Adopted Budget has allocated funding within the Police Department (LAPD) Sworn Overtime Budget to fund Human Trafficking Task Forces in LAPD's Operations - South Bureau and Operations - Valley Bureau to combat these issues. These Task Forces couple sworn officers with service providers in an attempt to address the problem in a holistic manner, not one solely driven by criminal enforcement.

Recent news articles have highlighted the continued problem of human trafficking and prostitution in the City, and the difficulties faced by law enforcement and victim's advocates in stopping human trafficking. In order to ensure that Council and the public are aware of the full scope of the problem, the LAPD should be directed to report on the work of its Human Trafficking Task Forces over recent years.

I THEREFORE MOVE that the Police Department BE INSTRUCTED to report with a status update and an overview of the work done by the Operations - South Bureau and Operations - Valley Bureau Human Trafficking Task Forces over the last five years, including the number of arrests made annually and the number of rescues of trafficked individuals made by the Department.

RESOLUTION

WHEREAS, California Vehicle Code Section 22507(a) allows local authorities, by ordinance or resolution, to prohibit or restrict the stopping, parking, or standing of vehicles on certain streets or highways, during all or certain hours of the day; and

WHEREAS, Section 80.69 of the Los Angeles Municipal Code authorizes the Department of Transportation to prohibit the parking of vehicles when the unrestricted parking of vehicles would create a hazard or detrimentally affect public welfare; and

WHEREAS, the 5300 block of Alla Road, from Coral Tree Place to its northern terminus at Ballona Creek, has become a site for parked vehicles during all hours of the day and night; and

WHEREAS, despite existing signage prohibiting the stopping of vehicles along portions of Alla Road, vehicles, particularly commercial trucks and recreational vehicles, continue to park at this location creating a public nuisance;

NOW, THEREFORE BE IT RESOLVED that the City Council, pursuant to California Vehicle Code Section 22507(a) and Los Angeles Municipal Code 80.69, hereby prohibits the stopping, standing, and parking of vehicles along both sides of Alla Road, from Coral Tree Place to its northern terminus at Ballona Creek, and instructs the Department of Transportation (LADOT) to install red curbs and/or any additional "No Stopping Anytime" signage as deemed necessary by the Department.

BE IT FURTHER RESOLVED that the LADOT is authorized to make technical corrections or clarifications to effectuate the intent of this Resolution.
