Multiple Agenda Item Comment

Public Testimony of Non-agenda Items Within Jurisdiction of Council

Items Noticed for Public Hearing - PUBLIC HEARING CLOSED

(1) **25-0843**

RESOLUTION (RODRIGUEZ - McOSKER) relative to extending the provisions of Ordinance No. 188753 imposing a temporary citywide prohibition on the issuance of any demolition, building, grading, and any other applicable permit related to the approval of a RV Park as a Public Benefit Project.

Recommendation for Council action:

RESOLVE, by the adoption of this Resolution, the Council hereby extends the provisions of Ordinance No. 188753 imposing a temporary citywide prohibition on the issuance of any demolition, building, grading, and any other applicable permit related to the

approval of a RV Park as a Public Benefit Project pursuant to LAMC Section 14.00(A)(7); for an extension of 10 months and 15 days, inasmuch as the appropriate City agencies and officials are exercising due diligence and actively working towards the adoption of the appropriate permanent land use regulatory controls.

Adopted Item Forthwith

Ayes: Blumenfield, Harris-Dawson, Hernandez, Hutt, Jurado, Lee, McOsker, Nazarian, Padilla, Park, Price Jr., Rodriguez, Soto-Martínez, Yaroslavsky (14);

Nays: Raman (1); Absent: (0)

(2)

CD 11**

ENVIRONMENTAL IMPACT REPORT (EIR), MITIGATION MONITORING AND REPORTING PROGRAM (MMRP), STATEMENT OF OVERRIDING CONSIDERATIONS, and PUBLIC WORKS COMMITTEE REPORT relative to the vacation of Century Boulevard from Sepulveda Boulevard to its westerly terminus at Sky Way and a westerly portion of Sepulveda Boulevard, VAC-E1401444 (Vacation).

Recommendations for Council action:

1. REVIEW and CONSIDER the Los Angeles International Airport (LAX) Landside Access Modernization Program (LAMP) EIR (consisting of the Draft and Final EIR), dated September 2016 and February 2017 (State Clearinghouse No. 2015021014), which was prepared by Los Angeles World Airports (LAWA) in compliance with California Environmental Quality Act (CEQA), Transmittal No. 1 of the City Engineer report dated October 7, 2025, attached to the Council file.
2. REVIEW and CONSIDER the LAX Airfield and Terminal Modernization Project (ATMP) EIR (consisting of the Draft and Final EIR), dated September 2016 and August 2021, Transmittal No. 2 of said City Engineer report, and Addendum to the ATMP EIR, dated December 2024 (State Clearinghouse No. 2019049020), Transmittal No. 3 of said City Engineer report, which was prepared by LAWA in compliance with CEQA.
3. FIND that changes or alterations have been required in, or incorporated into, the street vacation (Project) that mitigate or avoid significant effects on the environment. Those mitigation

measures are described in the above EIR documents, LAMP MMRP, Transmittal No. 4 of said City Engineer report, dated February 2017, and ATMP MMRP, Transmittal No. 5 of said City Engineer report, dated August 2021. A fully enforceable program for reporting or monitoring the changes required in the street vacation or made a condition of approval to avoid or substantially lessen significant environmental effects has been required by the City. A copy of the Bureau of Engineering (BOE) findings and relevant mitigation measures for concurrence adopting this as set forth in the CEQA Review Memo, dated August 19, 2025, is attached and incorporated herein, Transmittal No. 6 of said City Engineer report.

4. CONCUR with the Board of Airport Commissioners' findings that the unavoidable significant adverse impacts associated with the proposed Project are acceptable in light of the economic, legal, social, technological, and other benefits the proposed Project will bring to the surrounding community and LAWA. These specific overriding considerations are described in the Statement of Overriding Considerations for the LAX LAMP, dated February 2017, Transmittal No. 7 of said City Engineer report, and LAX ATMP, dated September 2021, Transmittal No. 8 of said City Engineer report, and are attached and incorporated herein.
5. FIND that no new information exists to show that the Project or circumstances of the Project have been changed to require additional environmental review, as described in State CEQA Guidelines Section 15162, and therefore the existing environmental documents adequately describe the potential impacts for this street vacation.
6. FIND that street vacation proceedings pursuant to the Public Streets, Highways and Service Easements Vacation Law be instituted for the vacation of the public right-of-way indicated below and shown colored blue on the attached Exhibit A of said City Engineer report.

Century Boulevard from Sepulveda Boulevard to its westerly terminus at Sky Way and a portion of Sepulveda Boulevard (westerly)

7. FIND that there is a public benefit to this street vacation. Upon vacation of the street, the City is relieved of its ongoing obligation to maintain the street. In addition, the City is relieved of any potential liability that might result from continued ownership of the involved street easements.
8. FIND that the Vacation is in substantial conformance with the purposes, intent and provisions of the General Plan, in conformance with Section 556 of the City Charter.
9. FIND that the Vacation is not necessary for non-motorized transportation facilities, in conformance with Section 892 of the California Streets and Highways Code.
10. FIND that the Vacation is not necessary for present or prospective public use, in conformance with Section 8324 of the California Streets and Highways Code.
11. ADOPT said City Engineer's report with the conditions contained therein.
12. AUTHORIZE the BOE to issue a revocable permit to the petitioner of this vacation request, or its representative, subject to satisfaction of the conditions for issuing such permit, to close, fence, occupy, demolish, excavate, grade, and construct in the public right-of-way of Century Boulevard from Sepulveda Boulevard to its westerly terminus at Sky Way and a portion of Sepulveda Boulevard (westerly) within the conditionally approved vacation area, prior to finalizing and recording the street vacation of a portion of this street.

Fiscal Impact Statement: The City Engineer reports that the petitioner has paid a fee of \$47,080 for the investigation of this request pursuant to Section 7.42 of the Los Angeles Administrative Code (LAAC). Any deficit fee to recover the cost pursuant to Section 7.44 of the LAAC will be required of the petitioner. Maintenance of the public easement by City forces will be eliminated.

Community Impact Statement: None submitted

Adopted Item Forthwith

Ayes: Blumenfield, Harris-Dawson, Hernandez, Hutt, Jurado, Lee, McOsker, Nazarian, Padilla, Park, Price Jr., Raman, Rodriguez, Soto-Martínez, Yaroslavsky (15); Nays: (0); Absent: (0)

(3)

**24-1499
CD 11**

ENVIRONMENTAL IMPACT REPORT (EIR), MITIGATION MONITORING AND REPORTING PROGRAM (MMRP), STATEMENT OF OVERRIDING CONSIDERATIONS, and PUBLIC WORKS COMMITTEE REPORT relative to the vacation of 96th Street from Sepulveda Boulevard to its westerly terminus, approximately 410-foot variable width strip of land westerly of Sepulveda Boulevard, and the portion of ramp westerly of Sepulveda Boulevard northerly of 96th Street, VAC-E1401445 (Vacation).

Recommendations for Council action:

1. REVIEW and CONSIDER the Los Angeles International Airport (LAX) Airfield and Terminal Modernization Project (ATMP) Notice of Preparation and Initial Study, dated April 4, 2019, Transmittal No. 1 of the City Engineer report dated October 15, 2025, attached to the Council file, EIR (consisting of the Draft and Final EIR), dated October 2020 and August 2021, Transmittal No. 1 of said City Engineer report, and Addendum to the ATMP EIR, dated December 2024 (State Clearinghouse No. 2019049020), Transmittal No. 2 of said City Engineer report, which was prepared by Los Angeles World Airports (LAWA) in compliance with the California Environmental Quality Act (CEQA).
2. FIND under CEQA Guidelines Section 15091, that changes or alterations have been required in, or incorporated into, the street vacation (Project) that mitigate or avoid significant effects on the environment as identified in the Final EIR and the ATMP MMRP, Transmittal No. 3 of said City Engineer report, dated August 2021, and as set forth in the CEQA Review Memo, dated October 2, 2025, Transmittal No. 4 of said City Engineer report. A Copy of Notice of Determination, Transmittal No. 5 of said City Engineer report, which documents LAWA's certification of the ATMP EIR and adoption of the ATMP MMRP is attached and incorporated herein.

3. CONCUR with the Board of Airport Commissioners' findings that the unavoidable significant adverse impacts associated with the proposed Project are acceptable in light of the economic, legal, social, technological, and other benefits the proposed Project will bring to the surrounding community and LAWA. These specific overriding considerations are described in the Statement of Overriding Considerations for the LAX ATMP, dated September 2021, Transmittal No. 6 of said City Engineer report, and is attached and incorporated herein.
4. FIND that no new information exists to show that the Project or circumstances of the Project have been changed to require additional environmental review, under the California Public Resources Code, Section 21166, and State CEQA Guidelines Section 15162, and therefore the existing environmental documents adequately describe the potential impacts for this street vacation.
5. FIND that street vacation proceedings pursuant to the Public Streets, Highways and Service Easements Vacation Law be instituted for the vacation of the public right-of-way indicated below and shown colored blue on the attached Exhibit A.

96th Street from Sepulveda Boulevard to its westerly terminus, approximately 410-foot variable width strip of land westerly of Sepulveda Boulevard, and the portion of ramp westerly of Sepulveda Boulevard northerly of 96th Street

6. FIND that there is a public benefit to this street vacation. Upon vacation of the street, the City is relieved of its ongoing obligation to maintain the street. In addition, the City is relieved of any potential liability that might result from continued ownership of the involved street easements.
7. FIND that the Vacation is in substantial conformance with the purposes, intent and provisions of the General Plan, in conformance with Section 556 of the City Charter.

8. FIND that the Vacation is not necessary for non-motorized transportation facilities, in conformance with Section 892 of the California Streets and Highways Code.
9. FIND that the Vacation is not necessary for present or prospective public use, in conformance with Section 8324 of the California Streets and Highways Code.
10. ADOPT said City Engineer's report with the conditions contained therein.
11. AUTHORIZE the Bureau of Engineering to issue a revocable permit to the petitioner of this vacation request, or its representative, subject to satisfaction of the conditions for issuing such permit, to close, fence, occupy, demolish, excavate, grade, and construct in the public right-of-way of 96th Street from Sepulveda Boulevard to its Westerly Terminus, approximately 410-foot variable width strip of land westerly of Sepulveda Boulevard, and the portion of ramp westerly of Sepulveda Boulevard northerly of 96th Street within the conditionally approved vacation area, prior to finalizing and recording the street vacation of a portion of this street.

Fiscal Impact Statement: The City Engineer reports that the petitioner has paid a fee of \$47,080 for the investigation of this request pursuant to Section 7.42 of the Los Angeles Administrative Code (LAAC). Any deficit fee to recover the cost pursuant to Section 7.44 of the LAAC will be required of the petitioner. Maintenance of the public easement by City forces will be eliminated.

CATEGORICAL EXEMPTION and PUBLIC WORKS COMMITTEE REPORT relative to the vacation of an alley west of Broadway

between 87th Street and 88th Street (re-initiation), VAC-E1401411 (Vacation).

Recommendations for Council action:

1. FIND that the Vacation is exempt from the California Environmental Quality Act of 1970, pursuant to Article III, Class 5(3) of the City's Environmental Guidelines.
2. FIND that the street vacation proceedings pursuant to the Public Streets, Highways and Service Easements Vacation Law be instituted for the vacation of the public right-of way indicated below and shown on the map of the October 29, 2025 City Engineer report, attached to the Council file:

Alley west of Broadway between 87th Street and 88th Street.

3. FIND that the vacation of the area shown colored orange on Exhibit B, be denied.
4. FIND that there is a public benefit to the Vacation. Upon vacation of the street, the City is relieved of its ongoing obligation to maintain the street. In addition, the City is relieved of any potential liability that might result from continued ownership of the involved street easements.
5. FIND that the Vacation is in substantial conformance with the purposes, intent and provisions of the General Plan, in conformance with Section 556 of the City Charter.
6. FIND that the Vacation is not necessary for non-motorized transportation facilities, in conformance with Section 892 of the California Streets and Highways Code.
7. FIND that the Vacation is not necessary for present or prospective public use, in conformance with Section 8324 of the California Streets and Highways Code.

8. ADOPT said City Engineer's report with the conditions contained therein.

Fiscal Impact Statement: The City Engineer reports that the petitioner has paid a fee of \$14,980 for the investigation of this request pursuant to Section 7.42 of the Los Angeles Administrative Code (LAAC). Any deficit fee to recover the cost pursuant to Section 7.44 of the LAAC will be required of the petitioner. Maintenance of the public easement by City forces will be eliminated.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. NOTE and FILE the Department of Animal Services (DAS) report dated October 16, 2025, attached to the Council file,

relative to authorizing the acceptance of a grant from the UC Davis Koret Shelter Medicine Program to install cat portals at all six Animal Care Centers, and approval of the associated grant agreement.

2. AUTHORIZE the General Manager, DAS, or designee, to:

- a. Accept funds in the amount of \$45,000 in accordance with a non-competitive grant from the UC Davis Koret Shelter Medicine Program for the purchase and installation of cat portals at all six Animal Care Centers, with a performance period effective as of July 7, 2025 through July 6, 2026.
- b. Deposit the grant funds into the Animal Welfare Trust Fund, Fund No. 859, Account No. 06000A – Available.
- c. Disburse the grant funds up to \$45,000 in accordance with the grant agreement.

3. AUTHORIZE the DAS to prepare Controller instructions for any technical adjustments, subject to the approval of the City Administrative Officer (CAO); and, authorize the Controller to implement the instructions.

Fiscal Impact Statement: The CAO reports that approval of the recommendations within the report will allow for the acceptance of the UC Davis-Koret Shelter Medicine Program award in the amount of \$45,000 for the purchase and installation of cat portals at all Animal Care Centers. There is no additional impact to the General Fund resulting from the acceptance of this grant award.

Financial Policies Statement: The CAO reports that the recommendations within the report comply with the City's Financial Policies in that all grant funds will be utilized to fund grant activities.

Community Impact Statement: None submitted

ARTS, PARKS, LIBRARIES, AND COMMUNITY ENRICHMENT and BUDGET AND FINANCE COMMITTEES' REPORT and RESOLUTION relative to a Continued Funding Application (CFA) to the California Department of Education (CDE) 2026-27 California State Preschool Program for subsidized preschool services.

Recommendations for Council action:

1. APPROVE the submission of a CFA to the CDE for subsidized preschool services at Department of Recreation and Parks' (RAP) licensed preschools through the California State Preschool Program (CSPP) for Fiscal Year 2026-27.
2. AUTHORIZE the General Manager, RAP, or designee, to execute and submit the CFA.
3. ADOPT the accompanying RESOLUTION, included as an attachment of the Board of Recreation and Park Commissioners (Board) report dated October 16, 2025, attached to the Council file, as required for the submission of the CFA.

Fiscal Impact Statement: The Board reports that submitting a CFA for the CSPP grant from CDE does not impact RAP's General Fund. If awarded and accepted, this grant would provide funding to continue the subsidized preschool programs at the Jim Gilliam Child Care Center and Ralph M. Parsons Preschool within EXPO Center, and any of the nine new and one pending licensed preschools.

Community Impact Statement: None submitted

(24) **25-0907**

ARTS, PARKS, LIBRARIES, AND COMMUNITY ENRICHMENT and BUDGET AND FINANCE COMMITTEES' REPORT relative to the acceptance of the 2025 Dodgers Dreamteam Program Grant (Grant) and in-kind contributions from the Los Angeles Dodgers Foundation (LADF) for youth baseball and softball leagues.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. APPROVE the submission by the Department of Recreation and Parks (RAP) of the grant application for the Grant from the LADF consisting of grant funds up to the amount of \$138,000, and in-kind contributions of uniforms, equipment, training and other items at the approximate value of over \$120,000 in support of the RAP's operation of the Dodgers Dreamteam 2025 season for the benefit of youth in the ages of 5 – 15 years, as detailed in the Board of Recreation and Park Commissioners (Board) report dated August 7, 2025, attached to the Council file.
2. APPROVE the Grant Agreement, substantially in the form included as Attachment 1 of said Board report.
3. AUTHORIZE the General Manager, RAP, or designee, to accept and receive the Grant, if awarded; and, execute the Grant Agreement upon the receipt of all necessary approvals.
4. AUTHORIZE the Chief Accounting Employee, RAP, or designee, to establish the necessary account and/or to appropriate funding received within "Recreation and Parks Grant" Fund No. 205 to accept the Grant funds, if awarded, to off-set staffing, field maintenance and umpire fees for the 2025 Dodgers Dreamteam Program; and, to make any technical corrections as necessary to carry out the intent of said Board report.

Fiscal Impact Statement: The Board reports that the Grant provides funding, uniforms, equipment, and in-kind contributions. Acceptance of this Grant has no fiscal impact on RAP's General Fund, as all

funding for the Grant is being provided by LADF, at no cost to the RAP, for the benefit of participating youth in the 2025 Dreamteam program.

Community Impact Statement: None submitted

ARTS, PARKS, LIBRARIES, AND COMMUNITY ENRICHMENT and BUDGET AND FINANCE COMMITTEES' REPORT relative to the acceptance of grant funding from the American Society for the Prevention of Cruelty to Animals (ASPCA) for canine enrichment services.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. NOTE and FILE the Department of Animal Services (DAS) report dated October 16, 2025, attached to the Council file, relative to authorizing the acceptance of a grant from the ASPCA to fund Canine Enrichment Coordinator Contract No. C-145696, and approval of the associated grant agreement.
2. AUTHORIZE the General Manager, DAS, or designee, to accept funds in the amount of \$800,000 in accordance with the non-competitive grant from the ASPCA to fund six months of canine enrichment services for a performance period effective as of August 8, 2025 through July 31, 2026.
3. AUTHORIZE the Controller to:
 - a. Establish a receivable from the ASPCA in the amount of \$800,000 within Fund No. 859/06.
 - b. Appropriate \$800,000 to Account No. TBD, ASPCA Grant-Canine Enrichment Services, within Fund No. 859/06.

c. Transfer \$800,000 from Fund No. 859/06, Account TBD to Fund No. 100/06, Account No. 003040, Contractual Services, for grant-related expenses.

4. AUTHORIZE the DAS to prepare Controller instructions for any technical adjustments, subject to the approval of the City Administrative Officer; and, authorize the Controller to implement the instructions.

Fiscal Impact Statement: The City Administrative Officer (CAO) reports that approval of the recommendations within the report will allow for the acceptance of the ASPCA award in the amount of \$800,000 to fund six months of canine enrichment services at all Animal Services Centers. There is no additional impact to the General Fund resulting from the acceptance of this grant award.

Financial Policies Statement: The CAO reports that the recommended actions are in compliance with the City's Financial Policies in that all grant funds will be utilized to fund grant activities.

Community Impact Statement: None submitted

BUDGET AND FINANCE COMMITTEE REPORT relative to Agreements with AllianceOne Receivables Management, Inc.; Caine and Weiner Company, Inc.; Harris & Harris, Ltd.; and Linebarger Goggan Blair & Sampson, LLP; for primary and secondary delinquent account collection services.

Recommendation for Council action:

APPROVE and AUTHORIZE the Director, Office of Finance, or designee, to execute the proposed Agreements with AllianceOne Receivables Management, Inc.; Caine and Weiner Company, Inc.; Harris & Harris, Ltd.; and Linebarger Goggan Blair & Sampson, LLP; for outside collection services on the City's delinquent accounts, for the term of five years with one three-year option to extend. Funding for said contractors' services is based on a contingency fee basis, subject to review by the City Attorney as to form.

Fiscal Impact Statement: The City Administrative Officer (CAO) reports that funding for said contractors' services will be based on a commission rate applied to the revenues collected for each delinquent account. There is no anticipated impact to the General Fund.

Financial Policies Statement: The CAO reports that the recommended action is in compliance with the City's Financial Policies in that to the extent possible, funding for current operations will be funded by current revenues.

Community Impact Statement: None submitted

PUBLIC SAFETY COMMITTEE REPORT relative to an ordinance to create limitations on the deployment of “military equipment” by the Los Angeles Police Department (LAPD) and related matters.

Recommendations for Council action, pursuant to Motion (Soto-Martinez - Hernandez):

1. REQUEST the City Attorney, with the assistance of the Chief Legislative Analyst (CLA), to report on the feasibility of enacting this type of ordinance.
2. INSTRUCT the LAPD to report on the potential impacts to LAPD operations if such an ordinance was enacted.
3. REQUEST the City Attorney, in consultation with the CLA, the City Administrative Officer (CAO), and the LAPD, to prepare and present an ordinance that:
 - a. Prohibits the deployment or use by any City employee of kinetic energy projectiles or chemical agents, including but not limited to any other crowd-control weapons identified in California Government Code § 7070(c)(1) through (c) (14), except in response to an individual—not a crowd—that presents an imminent threat of death or serious bodily injury, only when no safer, feasible alternative exists, that the device is directed exclusively at that individual, and all requirements of Penal Code § 13652 are met.
 - b. Requires that, even under this narrow exception, officers give clear audible warnings in the predominant languages present, provide a viable egress route, deploy only one device per targeted individual, and refrain from targeting the head, neck, spine, or pelvis, and all other safeguards enumerated in Penal Code § 13652(b).

- c. Establishes that any acquisition of crowd-control weapons or munitions requires Council approval, and that stockpile limits of such weapons and munitions can be set at any time by Council resolution- the excess of which must be destroyed or transferred out of the City.
- d. Establishes a private right of action granting any person injured by a violation the greater of actual damages or ten-thousand dollars (\$10,000) for each distinct deployment or use, plus reasonable attorney's fees and costs.
- e. Mandates that the LAPD publicly post, within 24 hours, location-specific data on every deployment and use covered by this ordinance and include compliance metrics in its annual "military-equipment" report required by Assembly Bill 481.
- f. Directs the Board of Police Commissioners to adopt any additional implementing rules within 60 days of the ordinance's effective date.
- g. Classifies any violation of the ordinance as serious misconduct subject to discipline up to and including termination.
- h. Requires that any law-enforcement agency providing mutual aid within the City shall, as a precondition of deployment, agree in writing to abide by all provisions of this ordinance and any implementing rules; in the absence of such written agreement, the LAPD shall neither request nor accept mutual-aid assistance involving personnel or equipment subject to these prohibitions; The LAPD shall incorporate this requirement into all existing and future mutual-aid agreements within 15 days.

TRANSPORTATION COMMITTEE REPORT relative to establishing the 2024-25 private ambulance service rates in the City of Los Angeles and a new methodology for future rate adjustments.

Recommendations for Council action:

1. RECEIVE and FILE the Department of Transportation (DOT) supplemental report dated October 24, 2025, attached to the Council file, regarding private ambulance rates charged and regulated by the five largest cities and counties in California, inasmuch as it is for information purposes only and no action is required.
2. FIND that the vote and approval of Board Order 611 by the Board of Transportation Commissioners on June 13, 2024 was valid and appropriate.

3. FIND that rates for this industry were due for an adjustment based upon increased operational costs.
4. FIND that the DOT's proposed schedule of fees shown in Board Order 611, attached to the Council file, is just and reasonable.
5. APPROVE Board Order 611, attached to the Council file, reflecting the rate schedules for private ambulance and non-ambulatory passenger service.
6. RESCIND previous Board Order 609.
7. REQUEST the City Attorney prepare and present an Ordinance to establish the new rates.

Fiscal Impact Statement: The DOT reports that there is no impact to the City's General Fund. The City Administrative Officer (CAO) reports that there is no impact to the General Fund. The proposed rate adjustments would not impact the City budget as these rate increases are charged to private ambulance service users and do not affect the fees paid to the City.

Financial Policies Statement: The CAO also reports that the recommendation in this report complies with the City's Financial Policies.

Community Impact Statement: None submitted.

ORDINANCE SECOND CONSIDERATION relative to amending the Los Angeles Municipal Code (LAMC) to revise the annual automatic rent adjustment formula for rental units subject to the Rent Stabilization Ordinance (RSO), eliminate rent adjustments for dependents added to an existing tenancy, and make other technical changes.

Recommendation for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

PRESENT and ADOPT the accompanying ORDINANCE VERSION "A" dated December 2, 2025, approved as to form and legality by the City Attorney, amending Sections 12.95.2, 16.60, 47.06, 47.07, 47.08, 151.06, 151.07, 151.09, 151.30, 163.05, and 165.06 of the LAMC to revise the annual automatic rent adjustment formula for rental units subject to the RSO, eliminate rent adjustments for dependents added to an existing tenancy, and make other technical changes. Ordinance Version "A" includes a technical update to the section that governs eviction of tenancies where there is a breach of an occupancy limit. The change maintains consistency between LAMC Section 151.06.G. (a)(iii) and 151.09 A.2. (b). However, as the Council did not expressly request this change, this Office also transmits an alternative Ordinance Version B which omits this amendment, so that the Council may select the version that aligns with its intent.

[Council adopted Amending Motion (Jurado - Soto-Martinez) and City Attorney Report and referred Motion (Nazarian – McOsker to the Housing and Homelessness Committee at the Council meeting of December 5, 2025)]

Adopted Item Forthwith

Ayes: Blumenfield, Harris-Dawson, Hernandez, Hutt, Jurado, McOsker, Nazarian, Padilla, Park, Raman, Soto-Martínez, Yaroslavsky (12); Nays: Lee, Rodriguez (2); Absent: Price Jr. (1)

**(42) 25-1341
CD 4**

HOUSING AND HOMELESSNESS COMMITTEE REPORT relative to a transfer of funds from Council District Four (CD 4) to the Los Angeles Housing Department (LAHD) for Weingart Center to obtain a staff position for the A Bridge Home (ABH) Riverside Ambassador Program (Program); and amending Contract No. C-202650 with the Los Angeles

Homeless Services Authority (LAHSA) to add the Program and amend the scope of work; and related matters.

Recommendations for Council action, pursuant to Motion (Raman – Yaroslavsky), SUBJECT TO THE APPROVAL OF THE MAYOR:

1. TRANSFER and APPROPRIATE \$72,392 from the CD 4 General City Purposes Additional Homelessness Services Line Item Fund No. 100/56, Account No. 000618 to the LAHD Fund No. 10A/43, Account No. to be determined, for Weingart Center to obtain a staff position for the ABH Program.
2. AUTHORIZE the General Manager, LAHD, or designee, to amend the 25-26 General Fund Contract No. C-202650 with LAHSA to add the ABH Program and amend the scope of work to include the components utilized for outreach and support services of the Program, to be provided by the Weingart Center for the period from October 1, 2025 to June 30, 2026.
3. AUTHORIZE the LAHD to make any corrections, clarifications, or revisions to the above fund transfer instructions, including any new instructions in order to effectuate the intent of the Motion, and including any corrections and changes to fund or account numbers; said corrections /clarifications/changes may be made orally, electronically or by any other means.
4. REQUEST LAHSA to execute a new, or amend an existing agreement with the service provider Weingart Center for the ABH Program to add \$72,392 for the period of October 1, 2025 to June 30, 2026.

HOUSING AND HOMELESSNESS COMMITTEE REPORT relative to authorizing a temporary loan in an amount up to \$20 million from the Housing Impact Trust Fund to be used for Proposition HHH (Prop HHH) projects; and related matters.

Recommendations for Council action, pursuant to Motion (Raman – Soto-Martinez), SUBJECT TO THE APPROVAL OF THE MAYOR:

1. AUTHORIZE a temporary loan in an amount up to \$20 million from the Housing Impact Trust Fund No. 59T to be used for Prop HHH projects to be repaid with interest upon the issuance of the City's Prop HHH General Obligation Bonds, Series 2026-A (Taxable) (Social Bonds).
2. APPROPRIATE up to \$150,000 from available balances within the Prop HHH General Obligation Bonds, Series 2026-A (Taxable} (Social Bonds) Construction Fund No. to be determined, to a new account titled "Loan Interest".
3. AUTHORIZE the City Administrative Officer (CAO) to repay the \$20 million loan to the Housing Impact Trust Fund with interest upon receipt of bond proceeds from the issuance of the City's Prop HHH General Obligation Bonds, Series 2026-A (Taxable) (Social Bonds).
4. AUTHORIZE the General Manager, Los Angeles Housing Department, or designee, to prepare Controller instructions or make necessary technical adjustments, subject to the approval of the CAO, to implement the intent of this Motion; and, REQUEST the Controller to implement those instructions.

Fiscal Impact Statement: Neither the CAO nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted

(45) **25-0207-S1**

HOUSING AND HOMELESSNESS COMMITTEE REPORT relative to staffing plan, responsibilities and priorities for the LAHD's Bureau of Homelessness Oversight.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. NOTE and FILE the Los Angeles Housing Department (LAHD) report dated October 30, 2025, attached to Council file No. 25-

0207-S1.

2. AUTHORIZE the General Manager, LAHD, or designee, to transfer 11 positions within the LAHD to the new Homelessness Oversight Bureau as listed on the table under Recommendation No. 2.a contained in the City Administrative Officer (CAO) report dated November 10, 2025, attached to Council file No. 25-0207-S1.
3. AMEND Recommendation No. 2.b contained in the CAO report dated November 10, 2025, attached to the Council file, respectively, to:
 - a. Strikeout ~~“oversee homelessness contracting, payments, and operations...”~~ and replace with “continue regional outreach coordination...”
 - b. Strikeout ~~“1537-0”~~ and replace with “1538-0”
 - c. Replace “Project Coordinator” with “Senior Project Coordinator”
4. APPROVE resolution authority for six positions to continue regional outreach coordination within the new Homelessness Oversight Bureau, subject to allocation of the positions by the Board of Civil Service Commissioners as listed on the table, as amended by the above recommendation, under Recommendation No. 2.b contained in the CAO report dated November 10, 2025, attached to the Council file.
5. INSTRUCT the CAO to hold vacant six positions consisting of one Principal Project Coordinator and five Senior Project Coordinators, reimburse the LAHD for salary and related costs for one Principal Project Coordinator and five Senior Project Coordinators, up to \$647,907.38 using previously approved funds, upon proper written demand.
6. RESCIND the reservation of \$1,196,548 from the Unappropriated Balance Fund No. 100/58 Account No. 580441,

Interim Housing.

7. REQUEST the Controller to:

a. Transfer \$1,196,548 within Fund No. 100/56 General City Purposes Fund from Account No. 000A29, Citywide Homeless Interventions (non-Alliance), to a new appropriation account (TBD), Homelessness Oversight Bureau.

b. Increase appropriations for the accounts in the LAHD Fund 100/43 as listed on the table under Recommendation No. 3.b.ii contained in the CAO report dated November 10, 2025, attached to the Council file.

8. APPROVE resolution authority for seven positions to oversee homelessness contracting, payments, and operations within the new Homelessness Oversight Bureau, subject to allocation of the positions by the Board of Civil Service Commissioners as listed on the table, under Recommendation No. 3.c contained in the CAO report dated November 10, 2025, attached to the Council file.

9. INSTRUCT the LAHD, the CLA, and the CAO to report to Council with a phased plan to expand the Bureau of Homelessness oversight and to include personnel for all of the oversight functions identified in the LAHD report dated October 30, 2025 and the CAO report dated November 10, 2025, both attached to the Council file.

10. INSTRUCT the CAO, with assistance from the LAHD, to report on the transferring of six exempt positions from the CAO to the LAHD's new Bureau of Homelessness Oversight and the consequences it may have.

(Personnel and Hiring Committee report to be submitted in Council. If public hearing is not held in Committee, an opportunity for public comment will be provided.)

(Please visit www.lacouncilfile.com for background documents.)

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund in Fiscal Year 2025-26 from the recommendations in this report. The report identifies six months funding for all new interim positions that are recommended. Should the Council adopt the LAHD report, the General Fund impact would be up to \$4.3 million if the positions are filled on January 1, 2026. Interim positions are not typically provided funding for leasing or general administrative support, so the cost to continue these positions in Fiscal Year 2026-27 would be substantially higher.

Financial Policies Statement: The CAO reports that the recommendations in this report do not comply with the City's financial policies because one-time funding is used to fund an ongoing program. In order to comply with the City's financial policies, ongoing funding will need to be identified to continue the program in the Fiscal Year 2026-27 budget.

CONSIDERATION OF DEPARTMENT OF AGIING REPORT relative to the acceptance of Medicare Improvement for Patients and Providers Acts (MIPPA) grant funds from the California Department of Aging (CDA), as part of the Memorandum of Understanding (MOU) No. AAA-2425-25; approval of the MI-2425-25 Budget, and, Agreements with the Center for Health Care Rights (CHCR) for MIPPA-related services.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. AUTHORIZE the General Manager, Department of Aging (DOA), or designee, to:
 - a. Accept \$226,993 in MIPPA grant funds from the CDA as part of MOU No. AAA-2425-25, to approve any unilateral amendments to MOU No. AAA-2425-25, subject to review and approval of the City Attorney as to form and legality, and in compliance with Los Angeles Administrative Code Section 14.8 et seq. (City grant regulations); and, to authorize the MI-2526-25 Budget.
 - b. Negotiate and execute agreements with CHCR for \$204,295, starting September 1, 2025 to August 31, 2026, subject to City Attorney and City Administrative Officer (CAO) review.
 - c. Prepare Controller's instructions for any technical adjustments, subject to the approval of the CAO; and, authorize the Controller to implement the instructions.

2. AUTHORIZE the Controller to:

- a. Establish new accounts and appropriate \$226,993 for the MIPPA program within the Health Insurance Counseling and Advocacy Program (HICAP) Fund No. 47Y, for the period covering from September 1, 2025 to August 31, 2026, as follows:

Account No. 02C102, Aging; Amount: \$22,698
Account No. 02CD13, MIPPA; Amount: \$204,295
Total: \$226,993

- b. Increase appropriations within Fund No. 100/02 and transfer funds on an as-needed basis, as follows:

From: Fund No. 47Y/02; Account No. 02C102, Aging; Amount: \$22,698
To: Fund No. 100/02; Account No. 001010; Salaries - General; Amount: \$22,698

- c. Expend funds upon proper demand of the General Manager, DOA, or designee.

Fiscal Impact Statement: The DOA reports that the proposed actions involve the allocation of MIPPA grant funds from the CDA. There is no additional impact to the City's General Fund.

Community Impact Statement: None submitted

(Civil Rights, Equity, Immigration, Aging, and Disability Committee and Budget and Finance Committee waived consideration of the above matter.)

CONSIDERATION OF CITY ADMINISTRATIVE OFFICER REPORT relative to accepting funds for the Child Passenger Safety Program and funds for the Pedestrian and Bicycle Safety Program from the State of California Office of Traffic Safety.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. NOTE and FILE the Community Investment for Families Department (CIFD) report dated October 21, 2025 attached to the CAO report dated October 28, 2025
2. AUTHORIZE the General Manager, CIFD, or designee, to Accept grant awards and execute grant agreements with the

State of California Office of Traffic Safety in the amounts of \$168,000 for the Child Passenger Safety Program and \$226,500 for the Pedestrian and Bicycle Safety Program for the period from October 1, 2025 through September 30, 2026, subject to the approval of the City Attorney as to form and legality. Prepare Controller instructions and/or make technical adjustments as necessary to implement the actions approved by the Mayor and Council, subject to the approval of the City Administrative Officer, and request the Controller to implement the instructions. Negotiate and execute a contract with the Central City Neighborhood Partners for a one-year term from October 1, 2025 through September 30, 2026 in the amount of \$10,000 to implement the Pedestrian and Bicycle Safety Program, in substantial conformance to the draft agreement as detailed in the CIFD report dated October 21, 2025 attached to the CAO report dated October 28, 2025, attached to the Council file, subject to the approval of the City Attorney as to form, and compliance with the City's contracting requirements.

3. APPROVE the funding allocation for the Child Passenger Safety and Pedestrian and Bicycle Safety programs for the period from October 1, 2025 through September 30, 2026 as listed in the City Administrative Officer report dated October 28, 2025, attached to the Council file.
4. REQUEST the City Controller to:
 - a. Increase appropriations in the Traffic Safety Education Program Fund No. 45C/21 as follows:
 - i. Account No. 21C121, Community Investment for Families, \$169,139.20
 - ii. Account No. 21C299, Reimbursement of General Fund Costs, \$6,373.53
 - iii. Account No. 21C582, FamilySource Centers – Non-Profit Managed, \$10,000.00
 - b. Increase appropriations in the CIFD Fund No. 100/21 as follows:

i. Account No. 001010, Salaries, General, \$52,863.85

ii. Account No. 001070, Salaries, As-Needed, \$4,860.27

iii. Account No. 001090, Overtime General, \$19,562.26

iv. Account No. 002120, Printing and Binding, \$644.30

v. Account No. 002130, Travel, \$4,275.00

vi. Account No. 006010, Office and Administrative, \$86,933.52

5. AUTHORIZE the CIFD General Manager, or designee, to prepare Controller instructions and/or make technical adjustments as necessary to implement the actions approved by the Mayor and Council, subject to the approval of the City Administrative Officer, and request the Controller to implement the instructions.

6. AUTHORIZE the CIFD General Manager, or designee, to negotiate and execute a contract with the Central City Neighborhood Partners for a one-year term from October 1, 2025 through September 30, 2026 in the amount of \$10,000 to implement the Pedestrian and Bicycle Safety Program, in substantial conformance to the draft agreement attached to the CIFD report, subject to the approval of the City Attorney as to form, and compliance with the City's contracting requirements.

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund. The Child Passenger Safety and Pedestrian and Bicycle Safety programs will be funded by the two Office of Traffic Safety grant awards.

Financial Policies Statement: The CAO reports that the recommendations in the report comply with the City's Financial

Policies in that grant funds will be utilized for grant-eligible activities.

Community Impact Statement: None submitted

(Civil Rights, Equity, Immigration, Aging, and Disability Committee and Budget and Finance Committee waived consideration of the above matter.)

CONSIDERATION OF CITY ADMINISTRATIVE OFFICER REPORT relative to a contract with the Young Men's Christian Association of Metropolitan Los Angeles; amending the contract with Citibank, N.A.; and executing a Memorandum of Agreement with the Los Angeles County and Los Angeles Unified School District for the OpportunityLA Program.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. NOTE and FILE the Community Investment for Families Department (CIFD) report dated September 25, 2025, attached to the City Administrative Officer report dated October 22, 2025, attached to the Council file.
2. AUTHORIZE the General Manager, CIFD, or designee to:
 1. Negotiate and execute a contract with the Young Men's Christian Association (YMCA) of Metropolitan Los Angeles to provide outreach services for the City's OpportunityLA Program and the State's California Investment and Development Savings Program retroactive to July 1, 2025 through June 30, 2026 for an amount not to exceed \$495,455, subject to the review and approval of the City Attorney as to form, compliance with the City's contracting requirements, and funding availability.
 2. Retroactively amend and reinstate the contract with Citibank, N.A. (C-138129) to extend the contract term

through August 31, 2026, subject to the review and approval of the City Attorney as to form and compliance with the City's contracting requirements.

3. Execute a Memorandum of Agreement (MOA) with the Los Angeles County and the Los Angeles Unified School District for the implementation of the Children's Savings Account Program retroactive to July 1, 2025 through June 30, 2030, subject to the review and approval of the City Attorney as to form.

4. Prepare Controller instructions and/or make technical adjustments as necessary to implement the actions approved by the Mayor and Council, subject to the approval of the City Administrative Officer, and request the Controller to implement the instructions.

3. Request the City Controller to:

a. Establish new accounts and reappropriate funds within the CIFD Miscellaneous Grants and Awards Fund No. 65G/21 as follows:

i. From: Account No. 21Y121, Community Investment for Families, \$26,601.34 and Account No. 21A299, Reimbursement of General Fund Costs, \$1,086,382.42, to Account No. 21C121, Community Investment for Families, \$1,112,983.76

b. Increase appropriations within the CIFD Fund No. 100/21 (Fund No. 65G/21, Account No. 21C121) to align budgetary appropriations with available grant funds as follows:

i. Account No. 001090, Overtime General, \$52,983.74

ii. Account No. 002120, Printing and Binding, \$169,439.39

- iii. Account No. 003040, Contractual Services, \$54,545.00
- iv. Account No. 006010, Office and Administrative, \$311,070.36
- c. Disencumber up to a total of \$538,410 in Fiscal Year 2024-25 encumbered balances for the contracts listed below within the CIFI Fund No. 100/21, Account No. 003040, Contractual Services, process the disencumbered amounts to the CIFI Miscellaneous Grants and Awards Fund No. 65G/21, and appropriate therefrom into the same account in the same amounts:
 - 1. Contract No. C-145841, YMCA of Metropolitan Los Angeles, Encumbrance No. SC 21 CO25145841Y, \$495,455
 - 2. Contract No. C-146248, Agency M Media, Encumbrance No. SC 21 CO25146248Y, \$32,500
 - 3. Contract No. C-143391, Focus Language International, Inc., Encumbrance No. SC 21 CO25143391M, \$10,455
- d. Disencumber up to \$47,437.34 in Fiscal Year 2024-25 encumbered balances for General Services Department Publishing Services (GAEID 21 ID2521D0004) and up to \$3,424.57 for Postmaster (GAEA 21 AE25000028M) within the CIFI Fund No. 100/21, Account No. 002120, Printing and Binding, process the early reversion of the disencumbered amounts to the CIFI Miscellaneous Grants and Awards Fund No. 65G/21, and appropriate therefrom into the same account in the same amount.
- e. Process the early reversion of up to \$29,960.59 in Fiscal Year 2023-24 unencumbered balances within the CIFI Fund No. 100/21, Account No. 002120, Printing and Binding (\$19,705.63) and Account No. 006010 (\$10,254.96), process the early reversion of the disencumbered amounts to the CIFI Miscellaneous

Grants and Awards Fund No. 65G/21, and appropriate therefrom into the same accounts in the same amounts.

f. Increase and reduce appropriations within the CIFD Fund No. 100/21 (Fund No. 65G/21, Account No. 21C121) to align budgetary appropriations with anticipated grant expenditures:

i. Account No. 001090, Overtime General, \$(50,983.74)

ii. Account No. 002120, Printing and Binding, \$(3,900.60)

iii. Account No. 003040, Contractual Services, \$(56,212.75)

iv. Account No. 006010, Office and Administrative, \$111,097.09

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund. The proposed grant activities will be fully funded by the ScholarShare Investment Board grant funds. No matching funds are required.

Financial Policies Statement: The CAO reports that the recommendations in the report comply with the City's Financial Policies in that grant funds will be used for grant-eligible activities.

Community Impact Statement: None submitted

(Civil Rights, Equity, Immigration, Aging, and Disability Committee waived consideration of the above matter.)

(82) **25-1398**

COMMUNICATION FROM THE CITY ADMINISTRATIVE OFFICER (CAO) relative to a Personal Services Agreement with Phamarine Commercial Diving for the Hyperion Water Reclamation Plant Annual Outfalls Inspections.

Recommendation for Council action:

AUTHORIZE the Board of Public Works (BPW), or two members of the BPW, on behalf of the Bureau of Sanitation (BOS), to execute the proposed Personal Services Agreement between the BOS and Phamarine Commercial Diving for the Hyperion Water Reclamation Plant Annual Outfalls Inspections for a term of five years, with one five-year renewal option and a maximum contract amount of \$1,829,000, which has been previously approved by the BPW, subject to City Attorney approval as to form.

Fiscal Impact Statement: The CAO reports that there is no impact to the General Fund. Funding for this contract will be provided by the Sewer Construction and Maintenance Fund (SCM), which is a full cost recovery fund. Approval of the above recommendation will result in potential expenditures of up to \$1,829,000 over a five-year term, including the renewal option. A total of \$150,000 is approved and available in the 2025-26 BOS Contractual Services Schedule Fund

No. 760/50, SCM, Appropriation Account No. 50CX82, PW-Sanitation Expense and Equipment. Future financing for this contract will be requested through the annual budget process. The Agreement includes Standard Provisions which contain a City obligation limitation clause which limits the City's obligation to make payments to funds which have been appropriated for this purpose.

Financial Policies Statement: The CAO reports that the above recommendation complies with the City's financial policies in that the City's financial obligation is limited to funds budgeted for this purpose.

Community Impact Statement: None submitted

(Energy and Environment Committee waived consideration of the above matter)

CONTINUED FROM COUNCIL MEETING OF DECEMBER 9, 2025

Items for which Public Hearings Have Been Held

(95) **25-1084
CD 6**

CONTINUED CONSIDERATION OF MITIGATED NEGATIVE DECLARATION (MND), MITIGATION MEASURES, MITIGATION MONITORING PROGRAM and RELATED CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) FINDINGS; PLANNING AND LAND USE MANAGEMENT COMMITTEE REPORT, AMENDING MOTION (PADILLA – LEE) and ORDINANCE FIRST CONSIDERATION relative to a Zone Change for the properties located at 11144 Lorne Street, 11146 - 11148 Lorne Street, and 8032 North Fair Avenue.

A. PLANNING AND LAND USE COMMITTEE REPORT

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. FIND, pursuant to CEQA Guidelines, Section 15074(b), after consideration of the whole of the administrative record, including the MND, No. ENV-2019-3203-MND, and all comments received, with the imposition of mitigation measures, there is no substantial evidence that the Project will have a significant effect on the environment; FIND the MND reflects the independent judgement and analysis of the City; FIND the mitigation measures have been made enforceable conditions on the project; and, ADOPT the MND and the Mitigation Monitoring Program prepared for the MND.
2. ADOPT the FINDINGS of the North Valley Area Planning Commission (NVAPC) as the Findings of Council.
3. PRESENT and ADOPT the accompanying ORDINANCE, dated June 5, 2025, effectuating a Zone Change from R1-1-CUGU to (T)(Q)RD1.5-1-CUGU; for the demolition of three existing single-family dwelling units for the construction, use and maintenance of a 17-unit apartment with attached garages on an approximate 26,296.6 square-foot lot, the Project is proposed to be a mix of market rate and affordable housing and will be comprised of one unit for Extremely Low Income Households and one unit for Very Low Income Household, for a total of two affordable units and 15 market rate units, for a total of 17 units; for the properties located at 11144 Lorne Street, 11146 - 11148 Lorne Street, and 8032 North Fair Avenue, subject to Conditions of Approval.
4. ADVISE the applicant, pursuant to Los Angeles Municipal Code Section 12.32 F:

...property shall not remain in a Q Qualified classification for more than six years unless during that time: (1) there is substantial physical development of the property to allow for one or more of the uses for which the Q Qualified classification was adopted; or (2) if no physical

development is necessary, then the property is used for one or more of the purposes for which the Q Qualified classification was adopted... When these time limitations expire, the Q Qualified classification and the authority contained therein shall become null and void, the rezoning proceedings shall be terminated, and the property thereafter may only be utilized for those purposes permitted prior to the commencement of such rezoning proceedings.

5. ADVISE the applicant that, pursuant to California Public Resources Code Section 21081.6, the City shall monitor or require evidence that mitigation conditions are implemented and maintained throughout the life of the project and the City may require any necessary fees to cover the cost of such monitoring.
6. ADVISE the applicant that, pursuant to California Fish and Game Code Section 711.4, a Fish and Game Fee and/or Certificate of Fee Exemption is now required to be submitted to the Los Angeles County Clerk prior to or concurrent with the Environmental Notice of Determination filing. Applicant: Sogomon Petrosyan Representative: Oscar Ensafi, Approved Plans Inc. Case No. APCNV-2019-3202-ZCJ Environmental No. ENV-2019-3203-MND

B. AMENDING MOTION (PADILLA – LEE)

Recommendation for Council action:

1. ADOPT additional (Q) Conditions, as follows:

22. As conditioned herein and prior to submitting permits, applicant shall submit updated landscape plan to the Department of City Planning and the Council District. A final submitted landscape plan shall be reviewed to be in substantial conformance with Exhibit "A." There shall be a minimum of eleven (11) 24-inch box, or larger, trees planted on site as shown on Exhibit A.

23. Any fencing along Lorne Street and Fair Avenue shall be setback to be aligned with the facades of the respective adjacent building on the project site, and shall contain a point of entry for pedestrians to access each area that is fenced.

24. No new solid masonry or block walls shall be constructed for fencing. All new fencing shall be decorative, including but not limited to latticework, ornamental fences, screen walls, hedges or dense shrubs or trees.

25. Trash and recycling storage bins shall be located within a gated enclosure constructed of solid masonry and finished to match the exterior wall materials of the main building.

26. Mechanical Equipment and Utilities. Water meters, transformers, and any other utility-related equipment are prohibited in the yards and building facades fronting Lorne Street and Fair Avenue, unless completely screened in a manner that is incorporated into the design of the development.

27. To reduce the heat island effect, a minimum of 50% of the area of pathways, patios, driveways or other paved areas shall use materials with a minimum initial Solar Reflectance value of 0.35 in accordance with ASTM (American Society of Testing Materials) standards.

28. All trees on "Exhibit A", including the north and west facade, interior courtyards, facade, landscaped areas and street ROW should be watered by the applicant for a minimum of five years from planting.

Fiscal Impact Statement: The NVAPC reports that there is no General Fund impact as administrative costs are recovered through fees.

Community Impact Statement: None submitted

PUBLIC WORKS COMMITTEE REPORT relative to contracts for pre-qualified on-call bridge/civil engineering and design support services for various public works projects under federal, state, and local funding guidelines.

Recommendation for Council action:

AUTHORIZE the Board of Public Works, on behalf of the Bureau of Engineering, to execute the proposed contracts for pre-qualified on-call bridge/civil engineering and design support services for various public works projects under federal, state, and local funding guidelines for a term of five years from the date of execution with the consulting firms as stated on the City Administrative Officer (CAO) report dated October 24, 2025, attached to the Council file.

Fiscal Impact Statement: The CAO reports that the proposed contracts will have no direct General Fund impact, as funding will be provided on a project-by-project basis from various funds, including the General Fund, subject to the availability of funds. In addition, the contracts contain a Financial Liability Clause which limits the City's financial obligation to the amount appropriated by the Mayor and Council.

Financial Policies Statement: The CAO reports that the actions recommended in its report comply with the City's Financial Policies as costs incurred by the City will be supported by future appropriations.

Community Impact Statement: None submitted

TIME LIMIT FILE – JANUARY 5, 2026

(LAST DAY FOR COUNCIL ACTION – DECEMBER 12, 2025)

SUMMARY

At the meeting held on December 12, 2025, your Public Works Committee considered a CAO report relative to contracts for pre-qualified on-call bridge/civil engineering and design support services for various public works projects under federal, state, and local funding guidelines.

After an opportunity for public comment was held, the Committee moved to approve the CAO recommendation, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE REPORT relative to executing a First Amendment to Contract C-142704 with BYD Motors, LLC, to complete the installation of 10 alternating current (AC) bus chargers.

Recommendation for Council action:

AUTHORIZE the General Manager, Los Angeles Department of Transportation (LADOT), or designee, to execute a 24-month extension, from March 2, 2025, to March 2, 2027 with BYD Motors, LLC, for the installation of 10 new AC bus chargers with Charge Management System Equipment at the Compton Maintenance Facility for a total cost of \$1,075,921.

Fiscal Impact Statement: The City Administrative Officer (CAO) reports that funding for these services has been set aside in the Proposition A Local Transit Assistance Fund 2025-26 Adopted Budget. Funding for future maintenance of the chargers is subject to Mayor and Council approval, the availability of funds, and will be appropriated through the City annual budget development process. The recommendation in this report complies with the City Financial Policies in that budgeted funds are available for this purpose. There is no impact to the General Fund.

Financial Policies Statement: The CAO further reports that the action recommended in this report complies with the City Financial Policies in that the City financial obligation is limited to current appropriations. Funding for maintenance is subject to the availability of funds and determinations by Mayor and Council.

Community Impact Statement: None submitted.

TIME LIMIT FILE – JANUARY 5, 2025

(LAST DAY FOR COUNCIL ACTION – DECEMBER 12, 2025)

Summary:

On December 10, 2025, your Transportation Committee considered an October 29, 2025 CAO report relative to executing a First Amendment to Contract C-142704 with BYD Motors, LLC, to complete the installation of 10 AC bus chargers. According to the CAO, the LADOT reports that construction has reached substantial completion with only striping work remaining before the energization of the chargers in coordination with Southern California Edison (SCE) occurs. LADOT is working with SCE to schedule the power outage and re-energization exercise by early November. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the CAO report. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee

ARTS, PARKS, LIBRARIES, AND COMMUNITY ENRICHMENT COMMITTEE REPORT relative to the Fiscal Year (FY) 2025/2026 Annual Expenditure Plan and Fee Status Report for the Arts Development Fee (ADF) Program.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. APPROVE the public art project commitments and associated findings relative to a total of \$902,42.45 comprised of "Priority Fees", as identified in the FY 2025/2026 ADF Annual Expenditure Plan and Fee Status Report, Attachment A of the Department of Cultural Affairs (DCA) report dated November 25, 2025, attached to the Council file.
2. INSTRUCT the DCA to update the accrued interest to each of the appropriation accounts, within Fund No. 516, to be used in tandem with the original ADF fee collected.
3. AUTHORIZE the Controller to approve the interest appropriations, within Fund No. 516, recommended by the DCA.

Fiscal Impact Statement: The DCA reports that there is no fiscal impact on the City's General Fund, as it relates to said report.

Community Impact Statement: None submitted

SUMMARY

At its meeting held on December 9, 2025, your Arts, Parks, Libraries, and Community Enrichment Committee considered the DCA report, dated November 25, 2025, relative to the approval of the public art project commitments and associated findings identified in the FY 2025/2026 ADF Annual Expenditure Plan and Fee Status Report. A total of \$902,42.45 comprised of ADF Priority Fees within Fund No. 516 are identified and committed toward eligible public art projects throughout various Council Districts. After an opportunity for public comment was held, the Committee recommended that Council approve the recommendations contained in said DCA report, as detailed above. This matter is now forwarded to the Council for its consideration.

-NOT OFFICIAL UNTIL COUNCIL ACTS-

PERSONNEL AND HIRING COMMITTEE REPORT relative to proposed Third Restated and Amended Contract No. C-135368 with Workday, Inc (Workday).

Recommendation for Council action:

AUTHORIZE the General Manager, Information Technology Agency (ITA) or designee, to execute the Third Restated and Amended Contract No. C-135368 with Workday, increasing the compensation amount by \$11.3 million for total compensation of \$112.6 million, with no change to the term and revisions to improve the support structure and amend the Statement of Work for the Human Resources and Payroll System, subject to the approval of the City Attorney as to form.

Fiscal Impact Statement: The City Administrative Officer (CAO) reports that Funding for the 2025-26 expenditures under this Amendment is available in ITA's Contractual Services Account. There is no additional impact to the General Fund.

Financial Policies Statement: The CAO reports that the recommendation contained in the October 24, 2025 CAO report, attached to the Council File, complies with the City's Financial Policies in that expenditures will be limited to the use of appropriated funds in accordance with the Standard Provisions for City Contracts.

Community Impact Statement: None submitted.

TIME LIMIT FILE – DECEMBER 29, 2025

(LAST DAY FOR COUNCIL ACTION – DECEMBER 12, 2025)

Summary:

On December 12, 2025, your Committee considered an October 24, 2025 CAO report relative to proposed Third Restated and Amended Contract No. C-135368 with Workday. According to the CAO, the contractor has been performing implementation and support services for the Human Resources Payroll (HRP) System since April 9, 2020 under this same contract (Contract No. C-135368). The Contractor was originally selected through a competitive process whereby ITA issued a Request for Proposals in July of 2018, and ultimately the evaluation team along with the HRP Steering Committee selected Workday.

The original anticipated HRP System go-live date was anticipated to be in January 2022. A First Restated and Amended Contract was executed in March 2023, and a Second Restated and Amended Contract was executed in April 2024, to extend the go-live date of the HRP system. In accordance with Charter Section 1022, the Personnel Department previously determined that City employees do not have the expertise to perform the contracted work. The Contractor has complied with all applicable City contracting requirements.

Since the HRP system went live on Workday in June 2024, the HRP support team has received over 10,000 tickets in areas including payroll, absence, timekeeping, compensation, human capital management, integration, security, and reporting. Multiple City Departments have also required onsite user support and guidance for HRP. The ITA and Workday are proposing to amend the Contract with improvements to the support structure including upgrading HRP support and training services through the Workday Success Plan, and adding three dedicated consultants to support ITA, the Personnel Department, and the Controller in areas of Workday expertise through Year 2 Extended Support Services (2025-26). The Amendment increases the compensation amount by \$11,334,243 for a total compensation amount of \$112,634,753. There is no change to the term ending date of June 30, 2029. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendation contained in the CAO report, as detailed above. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Personnel and Hiring Committee

BUDGET AND FINANCE COMMITTEE REPORT relative to the Second Financial Status Report (FSR) for Fiscal Year (FY) 2025-26.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

APPROVE the recommendations contained in the City Administrative Officer (CAO) report dated December 5, 2025, attached to Council file No. 25-0600-S129, relative to the Second FSR for FY 2025-26, as amended to reflect the following:

- a. Amend Recommendation No. 5 relative to the Los Angeles Police Department (LAPD) Sworn Hiring to add the following recommendations, as the FY 2025-26 Budget is set as Option A until ongoing funding can be identified that does not come from the Reserve Fund or impact public infrastructure:
 - i. Direct the CAO, with the assistance of the LAPD, to report back with possible offsets that can support an increase in police hiring, to be evaluated by the Budget and Finance Committee as soon as possible, as early as January 2026.
 - ii. Direct the CAO, with the assistance of the LAPD, to report on the feasibility of holding any savings from attrition of LAPD officers in excess of the 552 already anticipated, as well as any recruits that drop out and free up slots that can be applied to new recruit classes.
- b. Replace the instruction under the Cannabis Regulation Special Revenue Trust Fund Support to Office of Finance section, on page 47 of said CAO report, with the following:
 - i. Transfer \$450,000 from the Unappropriated Balance, Reserve for Mid-Year Adjustments Account to the Overtime General Account, to ensure sufficient funding for staff overtime costs through March 2026.
- c. Add the following instruction for the Office of Finance to pay for ongoing project management services for the LATAX Transformation Project:
 - i. Transfer and appropriate \$1,800,000 from the Unappropriated Balance Fund No.100/58, Account No. 580245 (LATAX Replacement Project) to the Office of Finance, General Fund No. 100/39, Contractual Services Account No. 003040, for contracted project management services for the LATAX Transformation Project.
- d. Amend Attachment Nos. 3, 6, 7B, and 7C for the Human Resources Benefits Fund as follows and as detailed in the CAO Amendment dated December 9, 2025, attached to the Council file:
 - i. Increase appropriations in the amount of \$150,000 in the Human Resources Benefits Fund No. 100/61, Account 003040, Contractual Services, from revenue received from the Department of Water and Power in Human Resources Benefits Fund No. 100/61, Revenue Source Code 4596, Service to Water and Power (Attachment 3).
 - ii. Transfer \$100,000 from the Unappropriated Balance Fund No. 100/58, Account 580196, Reserve for Mid-year Adjustments, to the Human Resources Benefits Fund No. 100/61, Account No. 003040, Contractual Services (Attachments 6, 7B, 7C).
- e. Amend Recommendation No. 10 for the City Attorney as follows:
 - i. Transfer \$7,647,986 from the Unappropriated Balance Fund No. 100/58, Account No. 580196, Reserve for Mid-year Adjustments, to the City Attorney Fund No. 100/12, Outside Counsel Account No. 009301, for outside counsel expenses.

Fiscal Impact Statement: The CAO reports that a total of \$243.14 million in projected over-expenditures are identified in the First FSR. Transfers, appropriations, and other budgetary adjustments totaling approximately \$50.56 million are recommended in Sections 1, 2, and 4 said CAO report.

Financial Policies Statement: The CAO reports that the recommendations in the report comply with the City’s Financial Policies as the recommended transactions use current revenues and balances to pay for current operations.

Community Impact Statement: None submitted

SUMMARY

At a Special meeting held on December 9, 2025, your Budget and Finance Committee considered the CAO report, dated December 5, 2025, relative to the Second FSR for FY 2025-26. Representatives of various City departments answered questions from Members of the Committee. Amendments were presented by Councilmember Yaroslavsky, seconded by the Councilmember McOsker, relative to requested reports on potential offsets to support an increase in LAPD sworn hiring, and the feasibility of holding savings from the attrition of LAPD officers and open slots in new recruit classes, as detailed above. Amendments were also presented for the Office of Finance, City Attorney, and Human Resources Benefits Fund. After consideration and having provided an opportunity for public comment, the Committee recommended that Council approve the recommendations contained in said CAO report as amended, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

BUDGET AND FINANCE COMMITTEE

MOTION

I MOVE that the matter of the COMMUNICATION FROM THE CITY ADMINISTRATIVE OFFICER (CAO) relative to the Second Financial Status Report for Fiscal Year 2025-26, Item 40 on today's Council Agenda (Council File No. 25-0600-S129), BE AMENDED to add to Instruction A of the Budget and Finance Committee Report, which amends Recommendation No. 5 of the CAO's December 5, 2025 report with the following:

INSTRUCT the City Administrative Officer (CAO) to transfer the necessary funds to support the January 2026 LAPD recruit class to recruit a maximum class size of 40 as follows:

1. INSTRUCT CAO to transfer a total of \$1,035,000 to the Police Department Fund No. 100/70 sworn account No. 001012, from the following accounts.
 - a. \$700,000 from the Leasing Fund No. 100/63, General Fund Leasing Account No. 000024; and,
 - b. \$335,000 from the General City Purposes fund No. 100/56, EmbraceLA Account No. 000926;

INSTRUCT the LAPD, with the assistance of the CAO, to report back to Council with a comprehensive staffing plan for the remainder of the fiscal year, including projected recruit class sizes, anticipated attrition, hiring targets, and associated funding needs. This report must be reviewed and approved by the City Council before the remaining funds can be released.

Substitute Motion (Yaroslavsky – Rodriguez – McOsker) as
Amended by Motion (Yaroslavsky – Jurado)

MOTION

Relative to Item 40 on today's Council Agenda (C.F. 25-0600-S129), replace Amendment A of the Budget and Finance Committee report, which amends Recommendation No. 5 of the City Administrative Officer report seated December 5, 2025 to the following instruction in order to fund the hiring of up to 410 Police recruits in 2025-26:

Transfer a total of \$1,777,890, or the dollar amount necessary to fund the January 2026 class at a maximum of 40 recruits, to the Police Department Fund No. 100/70, Salaries Sworn Account No. 001012, from the following funds and accounts.

- a. \$700,000 from the Leasing Fund No. 100/63, General Fund Leasing Account No. 000024; and,
- b. \$1,077,890 from the General City Purposes fund No. 100/56, EmbraceLA Account No. 000926;

Transfer a total of \$500,000 to RepresentLA Community Investment for Families Fund 100/21, Account No. 003040, Contractual Services as follows: \$463,131 from the General City Purposes Fund No. 100/56, EmbraceLA Account No. 000926, and \$36,868 from General City Purposes Fund No. 100/56, Heritage Month Celebration and Special Events - Mayor Account No. 000948.

Additionally, include Recommendation A's i and ii from the Budget and Finance report dated December 9, 2025, and add recommendation iii:

- i. Direct the CAO, with the assistance of the LAPD, to report back with possible offsets that can support an increase in police hiring, to be evaluated by the Budget and Finance Committee as soon as possible, as early as January 2026.
- ii. Direct the CAO, with the assistance of the LAPD, to report on the feasibility of holding any savings from attrition of LAPD officers in excess of the 552 already anticipated, as well as any recruits that drop out and free up slots that can be applied to new recruit classes;
- ~~iii. Direct the CAO to transfer \$263,132 from General City Purposes Fund No. 100/56, Heritage Month Celebration and Special Events - Mayor Account No. 000948 to LADOT Special Events Fund in the third Financial Status Report. *~~

** Amendment Motion (Yaroslavsky - Jurado)*

I Further INSTRUCT the LAPD, with the assistance of the CAO, to report back to Council with a comprehensive staffing plan for the remainder of the fiscal year, including the projected recruit class sizes, anticipated attrition, hiring targets, and associated funding needs. This report must be reviewed and approved by the City Council before any additional funds can be released.

PLANNING AND LAND USE MANAGEMENT (PLUM) COMMITTEE REPORT relative to a proposed Interim Control Ordinance prohibiting the issuance of demolition permits of occupied residential dwelling units that are or were subject to any form of rent or price control in a portion of the Valley Glen community within the Van Nuys – North Sherman Oaks Community Plan area.

Recommendations for Council action:

1. APPROVE the proposed Interim Control Ordinance prohibiting the issuance of demolition permits of occupied residential dwelling units that are or were subject to any form of rent or price control in a portion of the Valley Glen community within the Van Nuys - North Sherman Oaks Community Plan area, roughly including multi-family buildings along Woodman Avenue between Orange (G) Line right-of-way on the north and Hatteras Street on the south and along Oxnard Street between Hazeltine Avenue on the west and Orange (G) Line right-of-way on the east, attached to the Department of City Planning (DCP) report dated December 4, 2025.
2. REQUEST the City Attorney to prepare and present the draft Ordinance including the environmental clearance.

Fiscal Impact Statement: None submitted by the DCP. Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted

Summary:

At its regular meeting held on December 9, 2025, the PLUM Committee considered a DCP report and a proposed Interim Control Ordinance prohibiting the issuance of demolition permits of occupied residential dwelling units that are or were subject to any form of rent or price control in a portion of the Valley Glen community within the Van Nuys – North Sherman Oaks Community Plan area. DCP staff provided an overview of the matter. After providing an opportunity for public comment, the Committee recommended to approve the proposed Interim Control Ordinance and request the City Attorney to prepare and present the draft Ordinance including the environmental clearance. This matter is now submitted to the Council for consideration.

PERSONNEL AND HIRING COMMITTEE REPORT relative to relative to staffing plan, responsibilities and priorities for the Los Angeles Housing Department's (LAHD) Bureau of Homelessness Oversight.

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. NOTE and FILE the October 30, 2025 Los Angeles Housing Department (LAHD) report.
2. INSTRUCT the CAO to note the LAHD's staffing plan as detailed in the December 10, 2025 joint CAO/LAHD report, attached to the Council File.
3. RESCIND the reservation of \$1,196,548 from the Unappropriated Balance Fund No. 100/58 Account No. 580441, Interim Housing.
4. REQUEST the Controller to:
 - a. Transfer \$1,196,548 within Fund No. 100/56 General City Purposes Fund from Account No. 000A29, Citywide Homeless Interventions (non-Alliance), to a new appropriation account to be determined, Homelessness Oversight Bureau.
 - b. Increase appropriations for the following accounts in LAHD Fund No. 100/43 as follows, for a total of \$1,196,548.00:
 - i. Account No. 1010 – Salaries, General: \$614,740.93
 - ii. Account No. 1070 – As-Needed: \$178,573.20
 - iii. Account No. 43C299 – Related Costs: \$403,233.87
5. APPROVE Resolution Authority to add three new positions to include:
 - a. Two Senior Housing, Planning, and Economic Analysts
 - b. One Data Analyst II
6. REQUEST the transfer of six Regional Outreach Coordinator positions (one Principal Project Coordinator and five Senior Project Coordinators) from the City Administrative Officer (CAO) to the new Bureau, pending the completion and Council review of a report on funding and operational transition, to be developed in concert with the City's Fiscal Year (FY) 2026-27 budget deliberations.
7. INSTRUCT the CAO, in consultation with LAHD, to identify appropriate ongoing funding for the Regional Outreach Coordinator positions beyond FY 2026-27 and to report to the City Council on a detailed transition plan, including the transfer of

Inside Safe invoicing and any related operational functions, prior to effectuating the position transfers.

Fiscal Impact Statement: The CAO and LAHD report that There is no impact to the General Fund in 2025-26 from the recommendations in this report. The report identifies three to five months of funding for all new interim positions that are recommended.

Financial Policies Statement: The CAO and LAHD report that the recommendations contained in the joint December 10, 2025 CAO/LAHD report, attached to the Council File, do not comply with the City's financial policies because onetime funding is used to fund an ongoing program. In order to comply with the City's financial policies, ongoing funding will need to be identified to continue the program in the 2026-27 budget.

Community Impact Statement: None submitted.

(Also referred to the Housing and Homelessness Committee)

Summary:

On December 3, 2025, your Committee considered December 10, 2025 joint CAO/LAHD report, November 10, 2025 CAO report, and October 30, 2025 LAHD report relative to relative to staffing plan, responsibilities and priorities for the LAHD's Bureau of Homelessness Oversight. According to the CAO, the LAHD, in its October 30, 2025 report, is requesting authority to implement a staffing plan for the new Homelessness Oversight Bureau (HOB) by adding 53 new interim positions to the LAHD, transferring nine existing positions from the CAO, and transferring 11 existing LAHD staff, for a total of 73 positions. The LAHD Report is also recommending that the CAO identify \$6,655,826 to fully staff the HOB from January 1, 2026 through June 30, 2026. This report provides two options. The first complies with the instruction in the First Financial Status Report (FSR) to refrain from interim budget appropriations and recommends to transfer 11 existing LAHD positions and six existing from the CAO to the HOB. The second option recommends the transfer of the 17 positions in option one and the addition of six months funding and position authority for seven new positions for the HOB. Neither option requires additional funds to be identified.

Representatives from the CAO and LAHD presented an overview of the proposed Bureau of Homelessness Oversight and answered questions from the Committee members. Also, a number of amendments to the CAO report were proposed. After consideration and having provided an opportunity for public comment, the Committee moved to continue the matter pending further clarification of the proposed amendments.

Subsequently, on December 12, 2025, the Committee further considered this matter to include a further December 10, 2025 joint CAO/LAHD report. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendation contained in the CAO report, as amended and detailed above. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Personnel and Hiring Committee

MOTION

TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED

#51

Ocean Front Walk in Venice Beach is the second most visited destination in Southern California, welcoming over 10 million visitors a year on average.

In August 2013 an individual drove a vehicle onto Ocean Front Walk in Venice, killing one person and injuring 11. This vehicular attack highlighted the dangers posed by vehicles in this area, and necessitated the installation of a more robust security system on Ocean Front Walk to protect pedestrians from future vehicular attacks.

In spite of the installation of a physical security network consisting of electric bollards, which can be raised and lowered, and crash ramps, the bollards are frequently out of service, as the environment, in particular the salt and sand prevalent in the area, create problems for the electric bollards - something that had not been accounted for when they were originally proposed.

Council District 11 has recently piloted alternative vehicle barriers in partnership with the Department of Recreation and Parks in order to supplement the existing security network, in addition to protecting pedestrians and visitors who use the boardwalk. Given the pilot program's success, additional funding has been identified to make these improvements permanent.

I THEREFORE MOVE that Council authorize the Department of Transportation (LADOT) to appropriate up to \$320,000 within the Coastal Transportation Corridor Trust Fund No. 447 from Available Cash Balance and transfer therefrom to the Department of Recreation and Parks (RAP) Fund No. 302-89, Account No. 89270K (General Capital), for the purchase and installation of vehicle barriers to enhance pedestrian safety on Ocean Front Walk.

I FURTHER MOVE that Council authorize LADOT and RAP, or designee, to make any technical or accounting corrections, revisions, or clarifications, as needed, to the above recommendation to effectuate the intent of the City Council.

I FURTHER MOVE that Council instruct the Police Department, Fire Department and RAP to coordinate the dissemination of information on ingress and egress points to Ocean Front Walk to emergency personnel assigned to the area, in order to ensure that response times are not impacted by the new vehicle barriers.

The Los Angeles Tourism & Convention Board is coordinating a street banner program to celebrate DineLA's winter event which runs January 23, 2026 to February 6, 2026. The City of Los Angeles is excited that DineLA continues to drive social, cultural and economic impact for the Los Angeles region by bringing people to restaurants across the city. The event encourages people to try new dining venues and cuisines, provides jobs, and promotes community engagement.

I THEREFORE MOVE that the City Council, in accordance with Los Angeles Municipal Code (LAMC) Section 62.132, approve the Street Banner program being coordinated by the Los Angeles Tourism & Convention Board as a City of Los Angeles Non-Event Street Banner Program for the period of January 9, 2026 to February 6, 2026.

I FURTHER MOVE that the City Council approve the content of the attached street banner designs.

MOTION

West Jefferson Boulevard is one of Council District 11's major thoroughfares, connecting the communities of Playa Vista and Del Rey to our coastline, beaches and other world class recreational opportunities. Traversing the Ballona Wetlands, West Jefferson Boulevard is also a popular route for biking as well as walkers who use it to access walking paths and trails in the wetlands – one of Los Angeles' greatest natural resources.

For many years, plastic bollards on the south side of Jefferson have added a layer of protection for cyclists and pedestrians east of the Culver Boulevard intersection. These are supplemented by bollards along Culver Boulevard as it enters Playa del Rey. For much of Jefferson's length west of Lincoln Boulevard, however, cyclists and pedestrians are forced to navigate vehicle traffic, creating an unsafe environment.

These risks were heightened prior to 2023 when Jefferson Boulevard became the site of a massive RV encampment, which at one point, had thousands of feet of illegally parked RVs. The encampment created a host of public safety issues, from forcing cyclists to share a lane with vehicle traffic to the environmental degradation of the wetlands as a result of frequent sewage discharges, fires and littered needles. Thanks to an intensive coordinated effort led by Council District 11 and involving City Departments and service providers, the RV encampment was dismantled with individuals connected to services and housing.

As the wetlands continue their recovery, efforts should be made to further enhance safety along Jefferson Boulevard by adding a protected bike lane between Culver and Lincoln Boulevards, closing the current gap in protection and creating a seamless biking experience between Playa Vista and Playa del Rey. The project, which will utilize concrete k-rail rather than plastic bollards, will also double as a mural that celebrates the Ballona Wetlands' natural beauty. Council District 11 has identified funding for this purpose.

I THEREFORE MOVE that Council authorize the Department of Transportation (LADOT) to appropriate up to \$175,000 within Coastal Transportation Corridor Trust Fund No. 447 from Available Cash Balance and transfer therefrom to the Bureau of Engineering (BOE) Special Services Fund No. 682-50, new account, entitled "Jefferson Blvd K-Rail," for BOE to deploy 1,400 linear feet of K-rail on Jefferson Boulevard, west of Lincoln Boulevard, within Council District 11, in order to protect cyclists and pedestrians.

I FURTHER MOVE that Council authorize LADOT, BOE, or designee, to make any technical or accounting corrections, revisions, or clarifications, as needed, to the above recommendation to effectuate the intent of the City Council.

MOTION

I MOVE that \$1,000,000 from the AB1290 Fund No. 53P, Account No. 281213 (CD 13 Redevelopment Projects – Services) be transferred / appropriated to the below listed Accounts and in the amounts specified in the Street Lighting Fund No. 100-84 for a dedicated streetlight repair crew in Council District 13:

<u>Account No.</u>	<u>Name</u>	<u>Amount</u>
001090	Salaries – Overtime	\$ 100,000
001100	Hiring Hall – Salaries	500,000
001120	Hiring Hall – Benefits	300,000
008780	Street Lighting Improvements & Supplies	100,000
		=====
	TOTAL	\$ 1,000,000

I FURTHER MOVE that the Bureau of Street Lighting be authorized to make any corrections, clarifications or revisions to the above fund transfer instructions, including any new instructions, in order to effectuate the intent of this Motion, and including any corrections and changes to fund or account numbers; said corrections / clarifications / changes may be made orally, electronically or by any other means.

RESOLUTION

TO CITY CLERK FOR FILING IN THE
REGULAR COUNCIL AGENDA TO BE POSTED

#56

WHEREAS, §41.18 of the Municipal Code provides that the Council by Resolution may designate specified areas for enforcement against sitting, lying, sleeping, or storing, using, maintaining, or placing personal property, or otherwise obstructing the public right-of-way, in order for a person to be found in violation of any of these prohibited behaviors; and

WHEREAS, the below listed locations require enforcement against the above listed prohibitions; and

WHEREAS, the Council hereby finds that the public health, safety, or welfare is served by the prohibition, and further finds that sleeping or lodging within the stated proximity to the designated area(s) is unhealthy, unsafe, or incompatible with safe passage; and

WHEREAS, the Office of Council District 6 has submitted / posted to the File relevant documentation, as further detailed in the Code, that the circumstances at these locations pose a particular and ongoing threat to public health or safety;

NOW, THEREFORE, BE IT RESOLVED, pursuant to §41.18 (c) of the Los Angeles Municipal Code that the Council hereby designates the following locations for enforcement against sitting, lying, sleeping, or storing, using, maintaining, or placing personal property, or otherwise obstructing the public right-of-way, up to the maximum distance and effective for the maximum period of time prescribed, and as further detailed in the Code:

1. 9101 Laurel Canyon Blvd. - Wash
2. Haskell Ave. between Roscoe Blvd. and Dead end - Active Railway
3. Telfair Ave. between Truesdale St. and Dead end - Wash
4. Metrolink Sun Valley Station - Active Railway
5. Sunland Blvd and S San Fernando Rd. - Active Railway
6. S San Fernando Blvd and Vineland Ave - Active Railway
7. 7232 N Van Nuys Blvd W - Active Railway
8. Cabrito Rd bridge between Willis Ave and Raymer St - Pedestrian Bridge
9. Wentworth St. between Woodale Ave. and Stanwin Ave. - Wash
10. Bradford St. between Beachy Ave. and Arleta Ave. - Wash
11. Montague St. between Woodale Ave. and Stanwin Ave. - Wash
12. Osborne St. between Beachy Ave. and Arleta Ave. - Wash
13. Kagel Canyon St. between Beachy Ave. and Arleta Ave. - Wash
14. Terra Bella St. between Beachy Ave. and Arleta Ave. - Wash
15. Pierce St. between Woodale Ave. and Stanwin Ave. - Wash
16. Van Nuys Blvd. between Beachy Ave. and Arleta Ave. - Wash
17. Devonshire St. between Arleta Ave. and Filmore St. - Wash
18. Paxton St. between Arleta Ave. and Vena Ave. - Wash

BE IT FURTHER RESOLVED that the City Department(s) with jurisdiction over the identified locations are hereby directed and authorized to post appropriate notices of the above prohibitions at these locations, and to begin enforcement upon the expiration of any required posting period.

DEC 12 2025

MOTION

Speed humps are one of the City's most effective tactics to reduce traffic speeds and increase pedestrian safety on residential streets. This is confirmed by a recent report from the Department of Transportation (Council File No. 24-0332) which cites a 2021 UCLA study that found that "...speed humps are the most cost-effective and reliable traffic-calming measure for improving transportation safety on residential streets." Further, unlike larger capital projects, which can take years to design, plan and fund, speed humps can be installed relatively quickly.

In prior years, the City's Residential Speed Hump Program has split funding for speed hump installations evenly between Los Angeles' 15 City Council Districts. Residents would petition their neighbors and submit their applications through an online portal operated by the Department of Transportation. Due to funding and other challenges, the Department ended its Residential Speed Hump Program in Fiscal Year 24 - 25 and, in its place, has adopted a new methodology to identify speed hump locations, using metrics like safety and equity. This new methodology has resulted in some districts having as many as eight street segments where speed humps will be installed while leaving other council districts, like Council District 11, with none.

I THEREFORE MOVE that Council authorize the Department of Transportation (LADOT) to appropriate up to \$200,000 within the Coastal Transportation Corridor Trust Fund No. 447 from Available Cash Balance to a new account entitled "Council District 11 Speed Hump and Speed Table Program" for the installation of speed humps.

I FURTHER MOVE that Council authorize LADOT or designee to make any technical or accounting corrections, revisions, or clarifications, as needed, to the above recommendation to effectuate the intent of the City Council.

I FURTHER MOVE that Council instruct the Department of Transportation, in consultation with Council District 11, to identify street segments in Council District 11 where speed humps and speedtables will be installed.

MOTION

West Valley Homes Yes (WVHY) is a nonprofit organization located in the northeast San Fernando Valley area of Los Angeles. They provide services to unhoused people in encampments, provide connections to interim housing, and support people transitioning to permanent housing in the San Fernando Valley. WVHY created the successful and innovative program for people living in RVs, Trailers, and Campers, connecting them to interim and permanent housing.

WVHY is an integral organization participating in the fulfilment of a nearly \$5M Encampment Resolution Funding grant, awarded in 2024. Teams provide outreach, navigation, and housing placements tailored specifically to the RV population of unhoused individuals in Pacoima, and coordinate the disposition of RVs with client participation. Securing office space near the project site is critical for WVHY's facilitation and administration of this grant program.

I THEREFORE MOVE that the City Council instruct the Economic and Workforce Development Department, with the assistance of the City Attorney and City Administrative Officer, to negotiate a new non-profit lease with West Valley Homes Yes for the use of the City-owned suite D at 13277 Van Nuys Boulevard.

I FURTHER MOVE that the Council find, pursuant to Charter Section 371(e)(10) and Administrative Code Section 10.1 S(a)(10), that the use of competitive bidding would be undesirable and impractical for this contract, inasmuch as the West Valley Homes Yes and its resources are unique, and competitive bidding for this lease would be impractical.

MOTION

The property at 12534 San Fernando Road in Sylmar is being developed into a 178-unit 100 percent affordable housing project. As part of the development, the Department of Water and Power (DWP) will need to cut into the street to install the water supply line and accompanying meters. However, this section of San Fernando Road from Polk Street to Astoria Street, was resurfaced by the Bureau of Street Services on February 20, 2025, which commenced the City's one-year moratorium on street cuts for this road segment.

The property owner has stated that they did not receive notice of the planned resurfacing work. An exception to the City's one-year street cut moratorium is therefore necessary to allow DWP to cut into the street to install water service at this property.

I THEREFORE MOVE that the City Council approve an exception to the City's one-year, street cut moratorium on San Fernando Road to allow for the installation of a water supply line and accompanying meters at 12534 San Fernando Road in Sylmar.

I FURTHER MOVE that the permittee be required to properly repair and resurface the street cut area in accordance with Bureau of Engineering requirements and standards and, upon completion of the work, the repaired street cut be inspected by the Bureau of Contract Administration to maximize the longevity of the street.

DEC 12 2025

MOTION

For many years, the Playa del Rey community has enjoyed Keith Park, a community green space owned by the Southern California Gas Company at 7844 W 79th St, Playa del Rey, Los Angeles, California, 90293. Keith Park has been a community backdrop, hosting life milestones like birthday and high school graduation parties to everyday gatherings of families and their children as well as dog owners and their beloved companions.

In recent months, neighbors learned that this beloved green space may be sold by the gas company for future development opportunities. This loss would be especially significant because Playa del Rey is park-deficient under the City's Public Recreation Plan, which requires 4 acres of neighborhood and community parks per 1,000 residents. The surrounding Westchester-Playa del Rey community provides far below this threshold—offering as little as 0.77 to 2.4 acres per 1,000 residents. Keith Park has functioned as one of the only accessible, walkable green spaces in the Upper Playa neighborhood, and its removal would further deepen an already severe shortage of parkland and recreational amenities.

In spite of efforts by Council District 11 and the community to delay a sale in order to explore the site's acquisition by the City - a process that can take time and requires extensive due diligence - bids have been accepted by the gas company as of November 19, 2025. Urgent action is required to preserve this greenspace.

I THEREFORE MOVE that the Council instruct the General Services Department, with the assistance of the Department of Recreation and Parks and the City Attorney, to report back with recommendations for the acquisition of the Southern California Gas Company property located 7844 W 79th St, Playa Del Rey, California, 90293, through the use of eminent domain to preserve the community greenspace.

I FURTHER MOVE that the Council instruct the City Administrative Officer, with the assistance of the General Services Department, to identify funds to initiate a real estate appraisal of the property located at 7844 W 79th St, Playa Del Rey, California, 90293.

DEC 12 2025

MOTION

The Bureau of Street Lighting (BSL) began in 1925 as the Bureau of Power and Lights, within the Department of Public Works. BSL designs, constructs, and maintains approximately 223,000 streetlights across the City of Los Angeles. The system has over 400 different styles ranging from modern to ornate/historic and illuminates two-thirds of the City.

Throughout the years, lighting initiatives have expanded and evolved. Currently, BSL's maintenance division responds to over 45,000 light outages each year, manages an expanding network of smart streetlights, and service solutions beyond the broadcast of light.

BSL is 100% special funded. Street Lighting maintenance is financed primarily by the Street Lighting Maintenance Assessment Fund which generates approximately \$42 million annually. This fund covers all costs associated with the operation and maintenance of the City's street lighting system.

In Council District 7 about 40 percent of all Street Lights are not operating. That represents nearly 7,000 lights that are in need of repair. The problem grows by approximately 200 lights a month.

Currently BSL has reported that the average repair time is from 9 to 12 months, with about 20 percent of outages nearing 18 months.

BSL has a staffing of just under 200 employees to address the outages across the City's 223,000 streetlights. They are only able to repair about 200 lights a month, meaning that as a City we are only maintaining the status quo of broken streetlights.

I THEREFORE MOVE that Council DIRECTS the Bureau of Street Lighting to present verbally to the Council on:

- The status of the utilitarian light program in partnership with LADWP;
- Current Outages by Council District;
- Average repair time per Council District;
- The amount of return repairs to same locations by Council District;
- How the Bureau is allocating funding for repairs by Council District;
- How much overtime funding the Bureau has received to do the repairs from Council offices to complete the repairs on overtime and/or a dedicated crew.

MOTION

Throughout the City of Los Angeles there are widespread hillside areas located in Very High Fire Severity Zones (VHFSZ). These areas are often a mix of ownership from private property owners to the City to other entities, i.e.: United States Army Corps of Engineers, Los Angeles County and utility companies such as Los Angeles Department of Water and Power and Southern California Edison. Determining ownership and parcel boundaries in hillside areas can be difficult and time-consuming.

Hillside areas in VHFSZ are also areas that are all too often conducive to encampments. Encampments can be established in these areas and go unnoticed for a long period of time until they become large and more permanent in nature and cause a significant public safety concern such as a fire.

In Council District 7 we have worked with Los Angeles Fire Department (LAFD), Los Angeles Department of Building and Safety (LADBS), City Attorney, Los Angeles Police Department (LAPD) and Los Angeles Homeless Service Authority (LAHSA) to address encampments in VHFSZ hillside areas and have experienced many challenges due to the complex nature of gaining permission to access the property and abate the encampment. It can take weeks to determine property ownership and to obtain the necessary signoffs from property owners to access the property causing unnecessary delays and increasing the risk for a serious fire and threats to public safety.

I THEREFORE MOVE that Council REQUEST the City Attorney, with the assistance of the Los Angeles Fire Department and the Department of Building and Safety, to report on what municipal code or other regulatory changes are needed to allow hazardous materials including encampments to be cleared in hillside Very High Fire Severity Zones without having to gain permission from the property owner, including cost recovery for the City of Los Angeles.

DEC 12 2025

MOTION*Keep Hollywood Home - Regional MOUs and COG Alignment*

Film and television production is fundamentally regional. Productions routinely move across multiple jurisdictions within Los Angeles County, and the policies of one city directly influence the competitiveness of the others. Several nearby cities have modernized their filming rules by reducing fees, simplifying permitting, improving access to public facilities, and coordinating business-assistance programs—placing additional pressure on the City of Los Angeles to update its own framework and strengthen regional partnerships.

Councils of Government (COGs), including the San Fernando Valley Council of Governments, have expressed strong interest in establishing shared regional standards for filming operations, location permitting, infrastructure development, and workforce coordination. Formal MOUs with neighboring jurisdictions will reduce administrative friction for productions, ensure clearer expectations across city boundaries, and reinforce the Los Angeles region as the national center of film and television production.

I THEREFORE MOVE that the City Council INSTRUCT the Economic and Workforce Development Department (EWDD) and FilmLA, with support from all overlapping Los Angeles County Councils of Government, to develop and negotiate regional Memoranda of Understanding (MOUs) with neighboring film jurisdictions within 180 days. These MOUs shall include, but not be limited to:

- Coordinating rules related to production categories and permitting thresholds;
- Sharing best practices for the use of public facilities, parking lots, civic spaces, and staging areas;
- Aligning business-development strategies to support film-related vendors and small businesses;
- Improving regional workforce training and placement efforts; and
- Collaborating on soundstage expansion, Certified LA Stage standards, and adaptive reuse opportunities within regional production corridors.

I FURTHER MOVE that the City Council REQUEST the Mayor's Office to participate in the MOU development process and assist with regional coordination consistent with Executive Directive 11.

I FURTHER MOVE that EWDD and FilmLA report back within 120 days on the status of MOU development, anticipated areas of regional alignment, and any additional recommendations to improve regional filming competitiveness, workforce development, or production retention.

DEC 12 2025

MOTION

Keep Hollywood Home - Free Micro-Shoot Filming Permits

Many filmmakers, students, documentary crews, and commercial content creators rely on small, low-footprint filming in public spaces that does not obstruct pedestrian access, require public-safety staffing, or meaningfully impact neighborhoods. Under current procedures, even these very small productions may be required to obtain a film permit and pay associated administrative fees, creating barriers that discourage emerging creators, raise costs unnecessarily, and push filming activity into surrounding jurisdictions that have adopted simplified rules for micro-shoots.

Other major film cities—including New York City and multiple Los Angeles County jurisdictions—have adopted simplified, no-fee permit categories for micro-shoots. These models preserve public safety and liability protections while eliminating costs and unnecessary administrative burdens. Los Angeles must adopt a similar approach to support new creators, maintain public transparency, and ensure the City is aware of filming activities occurring in public spaces.

I THEREFORE MOVE that the City Council INSTRUCT the City Attorney, with assistance from FilmLA, the Board of Public Works, the Los Angeles Police Department, the Los Angeles Fire Department, and the Los Angeles Department of Transportation, to prepare and present within 60 days an ordinance establishing a **free Micro-Shoot Permit**, required for any public-space filming activity that meets **all** of the following criteria:

- involves no more than 10 people on site;
- uses only handheld cameras, smartphones, small tripods, or similar lightweight equipment;
- does not block more than half of any sidewalk, maintains ADA access, and does not restrict public use;
- uses no generators, lighting units over 25 pounds, C-stands, dollies, or amplified sound;
- does not require parking removal, traffic control, or exclusive use of the public right-of-way; and
- does not involve drones, pyrotechnics, simulated weapons, hazardous activities, or special effects.

The ordinance shall further specify that:

- The Micro-Shoot Permit is free of charge, and
- The permit shall require only minimal registration information (location, time window, contact person) to allow the City to maintain awareness and ensure public-safety coordination when necessary.

I FURTHER MOVE that FilmLA be INSTRUCTED to:

- integrate the Micro-Shoot Permit as a one-page, rapid-approval application on its digital platform;
- issue approvals within 24 hours to the best possible except when safety concerns require clarification;
- clearly publish guidance on when and how a micro-shoot must obtain this no-fee permit; and
- include Micro-Shoot Permit data in its quarterly reporting to the Board of Public Works Film Liaison.

I FURTHER MOVE that the Board of Public Works Film Liaison develop standardized conditions for Micro-Shoot Permits—including safety guidance, neighborhood expectations, and ADA rules—and incorporate this into the Citywide Filming Handbook.

DEC 12 2025

ORIGINAL

I FURTHER MOVE that the establishment of the free Micro-Shoot Permit shall not be interpreted to allow FilmLA or any City department to deprioritize or delay review of larger productions, including episodic series, feature films, and major commercial shoots.

MOTION ECONOMIC DEVELOPMENT & JOBS

Keep Hollywood Home - Fire Spot Check Fee & Public Safety Reform

The City of Los Angeles, a global hub for film and television production, is continually challenged to balance the needs of the entertainment industry with the imperative of maintaining public safety and minimizing civic disruption. Reforming the complex, costly, and duplicative public safety permitting process for on-location filming is essential to keep Los Angeles film-friendly while maintaining safety and efficiency.

The Los Angeles Fire Department (LAFD) mandates a \$285 "spot check" fee for all productions. This fee is non-waivable, even when a Fire Safety Officer (FSO) is required on-site for high-risk filming, such as those involving pyrotechnics or other potential safety hazards. Furthermore, a production paying only the "spot check" fee is not guaranteed a visit from a fire inspector, meaning they may not receive the service for which they paid.

In 2024, the Los Angeles Police Department (LAPD) processed 7,841 film permits for 13,359 filming locations, conducted 699 spot-checks (filming permit compliance checks), 104 calls for service (mostly illegal filming), issued 44 citations and 126 warnings, and authorized 252 secondary work permits for off-duty Motion Picture Officers (MPOs). MPOs are also mandated to receive proper firearm licensing.

Aside from permit approval, the LAPD is tasked with enforcing lawfully permitted filming activities established in LAMC Section 41.20. This allows the LAPD Film Unit to address scenarios where residents physically interfere with filming, such as using a bullhorn, playing loud music, yelling during takes, running loud equipment, or blocking production personnel. Preserving the film industry's capacity to conduct permitted shoots without disruption benefits the City, local businesses, and the industry itself.

The practice of providing "inconvenience payments" to residents, while not explicitly prohibited by the LAMC, establishes a detrimental precedent. This custom is perpetuated because residents increasingly request these payments, and productions—often operating under tight deadlines—agree to them to avoid delays and objections. This prevalent issue warrants attention and can be addressed through a dual approach: amending the LAMC and implementing effective community education.

The current public safety permitting and enforcement for Los Angeles on-location filming is inefficient and vulnerable, notably due to a duplicative, costly permitting process. These systemic issues necessitate reform to link essential services to fees paid and decisively enforce laws against financial misconduct to support the industry while ensuring public safety and civic stability.

I THEREFORE MOVE that the City Council INSTRUCT the Los Angeles Fire Department (LAFD) to waive "spot check" fees for the following types of productions:

- Productions assigned a Fire Safety Officer (FSO); or
- Productions who pay the fee but are never visited by a Fire Inspector.

I FURTHER MOVE that the City Council INSTRUCT the Los Angeles Fire Department (LAFD), in coordination with the City Administrative Officer (CAO), to report within 60 days on the fiscal impact, including the ability of LAFD to recover costs, of waiving "spot check" fees for the following types of productions:

- Productions assigned a Fire Safety Officer (FSO); or
- Productions who pay the fee but are never visited by a Fire Inspector.

DEC 1 2 2025

DEC 1 2 2025

ORIGINAL

I FURTHER MOVE that the City Council INSTRUCT the LAPD and City Attorney, with assistance from the Board of Public Works Film Liaison and in consultation with FilmLA, to report within 60 days on recommendations for a strategy for proactive enforcement and a public education initiative regarding Los Angeles Municipal Code (LAMC) Section 41.20, specifically targeting communities impacted by filming and production activities.

I FURTHER MOVE that the City Council INSTRUCT the LAPD, the City Attorney, FilmLA, and the Board of Public Works Film Liaison develop and implement a community education plan regarding lawful filming, including:

- clear notice that “inconvenience payments” are not required for permitted filming;
- information on how residents can report harassment, price-gouging, or unlawful disruption; and
- updated language on all FilmLA notices and the City’s filming website

I FURTHER MOVE that the City Council INSTRUCT the Los Angeles Police Department, in coordination with FilmLA and the Board of Public Works Film Liaison, to establish a citywide Motion Picture Officer (MPO) staffing matrix to ensure consistent deployment standards across all patrol divisions, and to eliminate unnecessary staffing minimums unless justified by a documented safety concern.

I FURTHER MOVE that the City Council Instruct LAPD develop and implement a civilian Film Safety Officer classification for duties that do not require sworn personnel, including set supervision, perimeter control, and non-enforcement traffic coordination, to reduce costs for productions and allow sworn officers to prioritize core public-safety functions.

I FURTHER MOVE that the City Council INSTRUCT the LAPD to report back within 60 days on current procedures for MPO firearm licensing and recommendations for ensuring that every MPO is up to date on all requisite licensing requirements to do with firearms.

ADRIN NAZARIAN
Councilmember, 2nd District

SECONDED BY: _____

MOTION*Keep Hollywood Home - Controller Audit of City Film Ecosystem and Film LA Contract*

Los Angeles depends on a functioning and competitive film permitting system to sustain local jobs, support small businesses, and retain production activity within the City. However, stakeholders routinely raise concerns about the cost of City-related film fees, the consistency and efficiency of departmental coordination, the performance of individual departments, and the operations and transparency of FilmLA. Recent delays in prior reporting requirements have further highlighted the need for independent evaluation to ensure accountability.

A comprehensive, data-driven audit is necessary to identify inefficiencies, assess whether current practices meet the needs of a modern production economy, and provide the Council with factual insight to guide future reforms under the Keep Hollywood Home initiative.

I THEREFORE MOVE that the City Council **REQUEST** the City Controller to conduct an independent audit of the City's complete film permitting ecosystem, including but not limited to:

Departmental Operations

- Evaluation of departmental staffing constraints—including LAPD Motion Picture Officer availability, LAFD film inspection capacity, DOT posting resources, and Public Works and RAP film staffing—and the extent to which staffing shortages or overtime reliance contribute to delays, inconsistent permit conditions, or increased costs to productions.
- Assessment of interdepartmental coordination practices, communication gaps, and bottlenecks within the review process.

FilmLA Contract Performance and Operations

- Review of FilmLA's operational performance under its contract with the Board of Public Works, including accuracy of permit processing timelines, turnaround consistency, workflow management, and compliance with contract-required service standards.
- Examination of FilmLA's technology systems and permitting platform, including:
 - System reliability and the accuracy of timestamped workflow data;
 - Identification of backend bottlenecks and delays;
 - Analysis of whether FilmLA's system architecture supports the City's goals for transparency, speed, and modernization;
 - Recommendations for improvements or integration with City systems.

Public Transparency

- Assessment of the availability, clarity, and accessibility of public-facing information—including filming fees, permit requirements, turnaround times, neighborhood concentration of filming activity, and departmental responsiveness—and recommendations to improve real-time transparency for productions and residents.

Structural and Legislative Barriers**ORIGINAL**
DEC 12 2025

- Identification of structural, contractual, or legislative barriers within City departments, Municipal Code provisions, or the FilmLA contract that prevent more efficient, integrated, or predictable permitting processes.
- Recommendations on where policy or contractual changes would be necessary to achieve the reforms outlined in the Keep Hollywood Home initiative.

I FURTHER MOVE that the Controller report findings and recommendations to the City Council and the Board of Public Works upon completion of the audit.

I FURTHER MOVE that the Chief Legislative Analyst, in partnership with the Board of Public Works Film Liaison, the CAO, and FilmLA, prepare an Annual Keep Hollywood Home Implementation Report summarizing:

- utilization and fiscal impacts of all fee waivers and pilots (Tier I, micro-shoot, \$1 lots, etc.),
- trends in permit volume and location,
- FilmLA KPI performance,
- workforce and vendor participation, and
- recommended adjustments to motions and ordinances for Council consideration:

MOTION*Keep Hollywood Home - Made in LA Tour, Branding and Business Directory*

Los Angeles remains the historic home of film and television production, with iconic locations, world-class crews, and a deep ecosystem of small businesses that support the entertainment industry. However, the City has not maximized its ability to promote its film identity, coordinate location-based tourism, or highlight LA-based vendors and facilities in a unified way. Other major film jurisdictions have launched branded initiatives, public art installations, fan tours, and digital portals that simultaneously strengthen tourism, civic pride, and local economic development.

A coordinated “Made in LA” film branding initiative—paired with a Citywide Film Location Fan Tour and a comprehensive Film Business Directory—would promote Los Angeles’ film heritage, expand tourism opportunities, deepen public engagement, and support the small businesses and creative companies that anchor the industry. These tools would also reinforce the City’s broader film-retention strategy by making it easier for productions to identify LA-based vendors, find suitable locations, and showcase their contribution to the local economy.

I THEREFORE MOVE that the City Council instruct the Office of Tourism, the Department of Cultural Affairs (DCA), the Economic and Workforce Development Department (EWDD), and FilmLA, with support from all Countywide Councils of Governments, to develop and launch a **Citywide Film Location Fan Tour**—including digital and in-person components—within 90 days. This effort shall include:

- A curated map of iconic filming locations, civic spaces, public buildings, and Certified LA Stage areas, integrated into a publicly accessible digital platform;
- Optional QR-coded plaques or public art elements at select filming locations, managed by DCA, connecting visitors to tour content;
- A marketing and tourism campaign highlighting LA’s film history, in coordination with LAWA and Metro, including opportunities for airport and transit-based displays; and
- Integration of the Fan Tour with the Citywide Events Calendar and tourism materials used by partner agencies.

I FURTHER MOVE that the City Council instruct DCA, in coordination with FilmLA, EWDD, and the Office of Tourism, to develop a **“Made in LA” Film Branding Initiative**, including:

- A voluntary “Made in LA” Certification Mark that productions may display in credits or promotional materials;
- Branding guidelines for use by productions, small businesses, studios, and Certified LA Stages; Public-facing materials that promote Los Angeles as the premier global home for film and television;
- A coordinated campaign featuring digital, print, and public-space advertising; and
- An annual **“Made in LA Film Week”** celebrating the City’s film legacy through public programs, screenings, and neighborhood-based events.

DEC 12 2025

OFFICE OF
CULTURAL AFFAIRS
120 N. GARDEN STREET
LOS ANGELES, CA 90012
(213) 622-2222
www.dca.la.gov

I FURTHER MOVE that the City Council instruct EWDD and FilmLA, with assistance from DCA, the Office of Finance and the Board of Public Works Film Liaison, to publish a comprehensive **Film Business Directory** within 90 days featuring:

- City-based vendors, rental houses, production-adjacent small businesses, Certified LA Stages, soundstages, post-production facilities, animation and VFX companies, and other film-support services;
- Digital search tools enabling productions to locate LA-based businesses by service type, geography, or production category;
- A “Filming-Friendly Business” designation, in partnership with local BIDs and small business districts; and
- Required annual updates to maintain accuracy and relevance.

I FURTHER MOVE that DCA, FilmLA, EWDD, and the Board of Public Works Film Liaison ensure that all digital products created under this motion—maps, directories, tour content, branding materials, and public-facing resources—are designed to integrate seamlessly with future elements of the Citywide Filming Handbook and any Municipal Code updates adopted under Phase 2 of the Keep Hollywood Home package.

I FURTHER MOVE that revenue generated from official City-supported tours, branded experiences, or merchandising associated with the Made in LA initiative be reported to Council with options to dedicate such funds toward film-retention programs

MOTION

Keep Hollywood Home - Executive Directive 11 Implementation Updates

Executive Directive 11 (ED11) was issued by the Mayor to streamline filming in Los Angeles, improve turnaround times, reduce unnecessary costs, and strengthen coordination across departments involved in film permitting. As the City undertakes a comprehensive modernization of its filming policies, it is essential to understand how ED11 has been implemented at the departmental level to ensure these reforms complement—not conflict with—existing operational directives.

Regular departmental reporting will help the Council identify where ED11 has been successfully adopted, where additional clarification may be needed, and how departmental workflows align with the City's overall goals of retaining film production, reducing administrative burdens, and supporting local jobs.

I THEREFORE MOVE that the City Council INSTRUCT all departments with responsibilities under Executive Directive 11—including the Los Angeles Police Department, Los Angeles Fire Department, Department of Transportation, Department of Recreation and Parks, Bureau of Street Services, Bureau of Engineering, Department of Water and Power, Port of Los Angeles, and FilmLA—to report back within 45 days on their implementation of ED11, including:

- all departmental guidance, memos, or internal instructions issued pursuant to ED11;
- any workflow, staffing, or process changes adopted to comply with ED11;
- any performance metrics or internal benchmarks used to track turnaround times, response rates, or permit-related service delivery; and
- any operational challenges, bottlenecks, or resource needs that have affected full implementation.

I FURTHER MOVE that the above departments include ED11 implementation updates in all future reports to Council relating to film permitting, operational coordination, or departmental performance.

I FURTHER MOVE that the Board of Public Works Film Liaison synthesize these departmental reports into a consolidated citywide ED11 Implementation Summary within 60 days, identifying areas of compliance, areas requiring clarification, and opportunities for future alignment with the Citywide Filming Handbook and Keep Hollywood Home reforms.

DEC 12 2015

MOTION*Keep Hollywood Home - Soundstage Certification and Fast-Track Infrastructure Program*

Los Angeles must remain competitive as a home base for long-form productions—including episodic series, feature films, commercials, animation, and streaming work. One major barrier to retaining production is the City's lack of a clear, consistent, modern certification process for soundstages, as well as slow and unpredictable timelines for expanding or converting stage facilities. Other jurisdictions have adopted fast-track review processes that encourage new stage construction and adaptive reuse of industrial buildings, while providing producers with clear expectations and certainty.

Los Angeles' current stage certification pathways and inspection requirements are fragmented, inconsistent, and costly. This discourages investment and puts the City at a disadvantage, especially as stage square footage expands rapidly in other regional markets. To support union employment, preserve long-term studio infrastructure, and reinforce the City's competitive standing, Los Angeles must modernize its stage certification regime and accelerate development timelines.

I THEREFORE MOVE that the City Council INSTRUCT the Los Angeles Department of Water and Power (LADWP), Department of Building and Safety (LADBS), Department of City Planning (DCP), Los Angeles Fire Department (LAFD), and the Board of Public Works (BPW), with support from the Chief Legislative Analyst (CLA), to develop and present within 60 days a Citywide Soundstage Certification and Fast-Track Infrastructure Program, including but not limited to:

1. A standardized "Certified LA Stage" designation, with clear, published criteria related to:
 - Fire and life-safety standards
 - Access and circulation
 - Sound isolation
 - Power capacity and electrical safety
 - Parking, loading, and worker facilities
 - Environmental and sustainability standards
 - Alignment with union safety rules and industry norms
2. A time-certain plan check and inspection pathway, establishing guaranteed maximum processing timelines for:
 - New soundstage construction
 - Conversion of existing industrial or warehouse structures
 - Expansion of active stages
 - Adaptive reuse of commercial or manufacturing buildings
3. Creation of a "Stage Corridor Fast-Track Zone," prioritizing key industrial areas—such as the San Fernando Valley, Westside, Hollywood, South Los Angeles, the Harbor, and Downtown—for expedited permitting and review.
4. A unified interdepartmental workflow ensuring LADBS, LAFD, DCP, LADWP, and Public Works coordinate inspections and approvals, with a single point of contact for applicants.
5. Public posting of all certification standards, timelines, checklists, and required documentation on LADBS and FilmLA platforms to ensure full transparency and predictable expectations for stage operators.

DEC 12 2025

ORIGINAL

6. Recommendations on utility-readiness, including LADWP power-capacity upgrades and pre-approved infrastructure options for large-scale stage operations.

I FURTHER MOVE that the CLA and BPW Film Liaison report back on opportunities to harmonize the Certified LA Stage program with regional Councils of Government, including shared standards and potential cross-jurisdictional stage corridors.

I FURTHER MOVE that for any production entity that receives any benefit through any of the motions presented, that entity shall, as a condition of receiving said benefit, be obligated to participate in an Employer sponsored Health Insurance plan that meets standards established in the Motion Picture and Television industry for each employee employed on any such production. Said Health Plan shall be portable for the employee in that the contributions made by the employer on behalf of the employee shall be such a manner that the employee is enabled to carry said contribution from employer to employer.

MOTION

ECONOMIC DEVELOPMENT & JOBS

In the City of Los Angeles (City), the redevelopment of publicly owned real property into community-serving uses is a core economic-development tool that allows the City to leverage prior public investments to catalyze job creation, workforce development, small-business incubation, and community-oriented commercial and mixed-use development.

In 2019 and 2024, the City acquired the properties located at 13460 Van Nuys Boulevard and 13269 Van Nuys Boulevard (and associated parcels), using CRA/LA Excess Non-Housing Bond Proceeds available to Council District 7 from the Pacoima/Panorama City Redevelopment Project Area in an effort to redevelop them into community-serving purposes (C.F. 14-1174-S63 and 14-1174-S97). These purposes included: supporting economic and workforce development activities; facilitating business incubation, small-business support, and entrepreneurial opportunities; advancing community-serving commercial uses, including culinary arts, training, and related workforce programs; and preserving and redeveloping underutilized commercial properties in a manner consistent with the CRA/LA Bond Expenditure Agreement and Bond Spending Plan.

These City-owned properties are intended to support commercial or mixed-use redevelopment, potentially including affordable and workforce housing, neighborhood-serving retail, business incubation space, and other community-beneficial uses. Council action is needed to solicit competitive proposals from qualified development teams with demonstrated experience in community-serving, mixed-use, and economically inclusive development.

I THEREFORE MOVE that the City Council INSTRUCT the Economic and Workforce Development Department (EWDD) to prepare and release a Request for Proposals (RFP) for the redevelopment of City-owned property located at 13460 Van Nuys Boulevard and 13269 Van Nuys Boulevard, and associated parcels, in a manner consistent with the goals and objectives for which the City acquired the properties, including economic and workforce development, small business incubation, community-serving commercial uses, and mixed-use development consistent with applicable CRA/LA bond covenants.

I FURTHER MOVE that EWDD report to Council with a summary of the proposals received and recommended next steps prior to any disposition or development action.

MOTION

**TRADE, TRAVEL AND TOURISM,
PLANNING & LAND USE MANAGEMENT**

Los Angeles International Airport (LAX) is one of the busiest airports in the world, and the neighborhoods surrounding it have lived with the impacts of aircraft noise and airport operations for generations. Los Angeles World Airports (LAWA) publishes detailed noise-contour maps that illustrate where the most significant noise exposure occurs. These maps make clear that several communities continue to experience levels of aircraft noise that are incompatible with the types of sensitive uses increasingly being proposed in these areas.

In addition to noise, communities within and adjacent to the noise-contour boundaries experience a range of environmental and health burdens associated with airport activity, including exposure to ultrafine particles, nitrogen oxides, and other aviation-related emissions. Emerging public-health research links these cumulative exposures to increased risks of cardiovascular and respiratory illness, sleep disruption, impaired learning outcomes in children, and other long-term health impacts. These concerns are amplified in neighborhoods where high-density, income-restricted, or other disadvantaged communities may be disproportionately located, raising significant equity considerations for future planning and land-use decisions.

Land-use compatibility guidelines have long held that new residential development, schools, hospitals, and similar noise-sensitive uses are generally inappropriate in high-noise areas unless substantial sound-attenuation measures are incorporated. While the City has taken steps over time to mitigate existing impacts, the continued introduction of new noise-sensitive development into high-exposure areas—without fully accounting for cumulative environmental health risks—creates long-term land-use conflicts, exposes residents to unhealthy conditions, and generates ongoing tensions between airport operations, community well-being, and City planning objectives.

Given the scale of airport operations and the public-health implications of sustained noise and emissions exposure, the City has a responsibility to ensure that future development within these areas is compatible with existing environmental conditions, consistent with State noise-compatibility standards, and informed by modern environmental-health research.

I THEREFORE MOVE that the Department of City Planning, in coordination with LAWA, the Department of Building and Safety, the Los Angeles Housing Department, the Bureau of Sanitation, and the Office of the City Attorney, be instructed to **report back** within 90 days on:

1. The range of environmental and public-health impacts associated with airport-adjacent residential development, including both noise and emissions;
2. Equity impacts related to the siting of high-density or affordable housing projects within high-exposure areas, including disproportionate burdens on low-income communities;
3. Best-practice standards for protecting residents in airport-impacted zones, including noise, air quality, mechanical ventilation, filtration, and building-envelope strategies; and
4. **The feasibility, scope, and policy implications of creating an Airport Noise-Contour and Environmental Exposure Overlay Zone**, including options for tiered subzones, land-use controls, performance standards, and required mitigation measures.

MOTION*Keep Hollywood Home - Special Conditions Repeal & Unified Filming Framework*

Over 15 years ago, the City implemented various Special Conditions through legislative actions or departmental directives for specific neighborhoods. The Special Conditions, which include requirements for extended notification requirements and mandated community surveys, were originally implemented to promote cooperation among film companies, local businesses, and residents. Regrettably, these measures have evolved into unnecessary and often ambiguous barriers to filming, even for projects that have minimal impact on the community.

These outdated, community-specific special conditions are now considered archaic and not reflective of the film industry's current operational status in Los Angeles. To promote a truly film-friendly environment, permit approval flexibility is crucial. While some regulations are always necessary, these current special conditions do not contribute to a positive relationship between the community and the film industry.

Los Angeles, with its numerous iconic filming locations, must balance the needs of its communities with the fast-paced and flexible demands of the entertainment industry.

I THEREFORE MOVE that the City Council **INSTRUCT** the Department of Recreation and Parks (RAP), Los Angeles Police Department (LAPD), Department of Transportation (LADOT), Los Angeles Fire Department (LAFD), Board of Public Works (BPW) Bureau of Street Services (BSS), with assistance from FilmLA, and any other relevant departments involved in the film permitting process, to report within 90 days on a unified Citywide Filming Conditions Framework. This report shall include recommendations for:

- **Standardizing Notification, Survey, and Monitoring Requirements**
 - Eliminating Signature Surveys except for simulated gunfire, pyrotechnics, or amplified sound between 10:00 PM and 7:00 AM;
 - No signature requirements for base camps, crew parking, or catering;
 - Exempting the Downtown area from "residential" surveys based on land-use patterns;
 - RAP, LADOT, LAPD, and FilmLA shall align on clear, published criteria for when monitors, Motion Picture Officers (MPO), Fire Safety Officers (FSO), or traffic officers may be required; and
 - Create a unified, transparent appeals and override process administered by the BPW Film Liaison.
- **Standardizing Departmental Operational Procedures**
 - Require one working day response standards for all filming inquiries across departments;
 - Remove detailed parking overhead map requirements from standard permit applications;
 - Extend LADOT posting deadline to 5:00 PM that are 24 hours before production;
 - Mandate that departments maintain at least 80% full-time staff assigned to filming to support timely review and issue resolution; and
 - Create a centralized, real-time calendar of upcoming city events, including their date, time, and location, for production companies to reference when scouting and selecting filming sites.
- **Ensuring Fair and Predictable Access to City Facilities**
 - RAP shall publish a citywide Filming Conditions Matrix clarifying when park monitors are required;
 - RAP shall limit monitors to activities involving amplified sound, full closures, pyrotechnics, drones, or special effects; and

DEC 12 2025

747
21
6
6
6

- RAP shall evaluate and return with recommendations to **fully waive or reduce standard filming fees (e.g., to \$1)** for productions that do not require exclusive park use or additional City staffing.
- **Clarifying that Private-Property Filming Does Not Trigger City Fees**
 - No City fees shall be required solely because filming occurs on private property when:
 - No public right-of-way is used;
 - No City services are requested;
 - The property is not in a Very High Fire Hazard Severity Zone during Red Flag Days;
 - The production does not require public-safety personnel.
- **Ongoing Review and Transparency**
 - Require annual Council review of all Citywide filming policies and conditions.
 - Establish a public portal for productions to report new or burdensome conditions that may require Council review.
 - Require FilmLA to participate in coordinated community and industry outreach to explain the new standardized framework.

I FURTHER MOVE that the City Council **RESCIND** all existing Neighborhood Special Filming Conditions established or instituted through legacy practice, and **REQUEST** the City Attorney to prepare any necessary ordinances to repeal such conditions established by prior Ordinance, unless specifically reauthorized by Council.

I FURTHER MOVE that the City Council **INSTRUCT** the Board of Public Works, with assistance from the CAO and CLA, to designate or establish a City Film Liaison position within the Board of Public Works to:

- Coordinate interdepartmental filming issues;
- Administer appeals; and
- Oversee development of the Citywide Filming Handbook.

I FURTHER MOVE that the unified Citywide Filming Conditions Framework be published as a Citywide Filming Handbook maintained by the Board of Public Works Film Liaison and FilmLA, consolidating all filming rules—including standard conditions, departmental requirements, and micro-shoot definitions, notification standards, appeals processes, and contact information—and updated at least annually.

I FURTHER MOVE that FilmLA and the Board of Public Works Film Liaison conduct a coordinated outreach campaign to neighborhood councils, business groups, industry stakeholders, and location managers to explain the elimination of Special Filming Conditions, the micro-shoot rules, and the updated Citywide Filming Conditions Framework.

MOTION

Hoover Street between El Segundo Boulevard and W. 127th Street has become a public nuisance. There have been various reports of ongoing public safety issues at this site, including illegal dumping and street takeovers.

Pursuant to State Vehicle Code Section 21101.4, the City is authorized to undertake the temporary closure of public streets for a period of eighteen months when necessary to mitigate criminal activity and/or illegal dumping. For through highways and arterial streets proposed for temporary closure, the City must also assess whether the closure may be accomplished without significant impact to the normal flow of traffic.

I THEREFORE MOVE that the City Engineer be instructed to report with recommendations to temporarily close Hoover Street between El Segundo Boulevard and W. 127th Street in Harbor Gateway, pursuant to State Vehicle Code Section 21101.4.

I FURTHER MOVE that the City Engineer and Department of Transportation be instructed to be instructed to perform any traffic impact analysis necessary to temporarily close Hoover Street between El Segundo Boulevard and W. 127th Street pursuant to State Vehicle Code Section 21101.4.

DEC 12 2025

MOTION

In December 2024, the Council authorized the acquisition of a portion of property located at 23903 Normandie Avenue for the development of an all-electric Department of Transportation (LADOT) bus yard to increase battery electric bus service (CF 24-1424). The facility will support the LA Now on-demand service in South Los Angeles, expand bus service frequency for the Watts Community DASH route, and the potential expanded bus service in the Harbor area to serve the Wilmington Waterfront and Wilmington Promenade. Additionally, LADOT intends to pave the lot in time for the 2028 Olympic and Paralympic Games to be used as part of the Games Enhanced Transit System.

The portion of land located to the north of the City-owned property is under separate ownership and available for purchase. In order to allow for the seamless development of the bus yard, including installation of electrification infrastructure, and to advance the City's goal of a 100% zero-emission transit fleet, LADOT recommends acquiring this property.

I THEREFORE MOVE that the Department of General Services and the Department of Transportation be instructed to report on the steps necessary for acquiring the northern portion of 23903 Normandie Avenue (Assessor Parcel Numbers 7438-017-010; 7438-017-012; and 7438-017-014), including the source(s) of funds that will be used for acquisition, development, and maintenance of the property, for the purpose of expanding LADOT's electric bus depot.

MOTION

RULES, ELECTIONS, INTERGOVERNMENTAL RELATIONS

The Charter Sec. 271(a) states that the City Attorney shall represent the City in all legal proceedings against the City of Los Angeles (the "City"). Additionally, Charter Sec. 272(a) states that "[t]he [LA City] Council shall make client decisions in litigation involving matters over which the Charter gives the Council responsibility.

The City Attorney represented the City in Superior Court Case Paper, Stephen, and Richard v. City of Los Angeles, No. 24VECV03899, hereinafter referred to as the "Paper Brothers Lawsuit," and Council was effectively the City Attorney's client ("Client").

According to the California Rule 3.4 of Professional Conduct forbids lawyers from interfering with any party's orderly access to a witness testimony.

On September 5, 2025, Plaintiff's Attorney filed a declaration (see "Attachment A") that the City Attorney attempted to solicit a campaign donation from a testifying expert in violation of California Rule of Professional Conduct.

Per California Rule 1.4 of Professional Conduct which govern the ethics of lawyering states in:

(a) A lawyer shall:

(1) promptly inform the client of any decision or circumstance with respect to which disclosure or the client's informed consent* is required by these rules or the State Bar Act;

(2) reasonably* consult with the client about the means by which to accomplish the client's objectives in the representation;

(3) keep the client reasonably* informed about significant developments relating to the representation, including promptly complying with reasonable* requests for information and copies of significant documents when necessary to keep the client so informed; and

(4) advise the client about any relevant limitation on the lawyer's conduct when the lawyer knows* that the client expects assistance not permitted by the Rules of Professional Conduct or other law.

(b) A lawyer shall explain a matter to the extent reasonably* necessary to permit the client to make informed decisions regarding the representation.

(c) A lawyer may delay transmission of information to a client if the lawyer reasonably believes* that the client would be likely to react in a way that may cause imminent harm to the client or others.

DEC 12 2025

MD

ORIGINAL

(d) A lawyer's obligation under this rule to provide information and documents is subject to any applicable protective order, non-disclosure agreement, or limitation under statutory or decisional law.

The City Attorney failed to brief her Client regarding the ethics breach violation when providing advice to her Client regarding settlement negotiations. Additionally, the City Attorney settled the case, shortly after the declaration of an ethics breach, for \$18 million -- an amount which is considered one of the City's most expensive lawsuit settlements over the past few years at a time when the City is facing a fiscal crisis driven largely by sharply rising legal payout.

The ethics breach was made aware to the Client on December 11, 2025, when a news outlet reported that the City Attorney was accused of an ethics breach. The City Attorney's duty to inform her Client under the California Rules 1.4 and 3.4 of Professional Conduct appear to have been breached.

I THEREFORE MOVE that the City Council REQUEST the City Attorney report to Council in Closed session within 45 days regarding the ethics breach violation, and give updates to the City Council.

Keep Hollywood Home - City Facilities Filming Fee Reductions

City-owned parking lots, yards, and civic spaces play a critical role in supporting film and television production by providing staging areas, crew parking, basecamps, and logistical support for shoots of all sizes. Unlike filming activity that takes place inside parks or requires street closures, the use of these non-specialized City facilities typically creates minimal neighborhood impact and does not require extensive City staffing or public-safety oversight.

Nearby jurisdictions—including Culver City and Santa Monica—have modernized their approach by providing free or symbolic-fee access to public lots for filming, attracting production activity and simplifying the permitting process. Los Angeles must adopt a similar approach to maintain competitiveness, reduce administrative burdens, support local jobs, and reinforce the City's role as the production capital of the world.

This reform is consistent with the broader Keep Hollywood Home initiative and complements the repeal of outdated Special Conditions, the standardization of filming rules, and the City's upcoming modernization of the Municipal Code.

I THEREFORE MOVE that the City Council instruct the Department of Transportation, the Department of Recreation and Parks, the Bureau of Engineering, the Bureau of Street Services, the Los Angeles Department of Water and Power, and all other relevant City departments to make all non-specialized City-owned parking lots, yards, staging areas, and civic properties available to productions for a fee of \$1 per day or a legally required nominal fee, except when:

- the production requests exclusive use of a location;
- the production requires City staffing such as monitors or traffic personnel; or
- the department determines a documented safety or operational conflict exists.

I FURTHER MOVE that all fee schedules, FilmLA guidance documents, permitting materials, and departmental websites be updated within 45 days to reflect this \$1 policy.

I FURTHER MOVE that the Department of Recreation and Parks report back with recommendations for a similar \$1 fee structure for park-adjacent lots or non-sensitive facilities that can be used for staging without disrupting recreation or requiring RAP staffing.

I FURTHER MOVE that the Los Angeles Department of Water and Power and the Library Department identify underutilized lots or properties that could be added to FilmLA's LocoScout system and made available under this \$1 policy.

I FURTHER MOVE that all relevant departments report back within 120 days on usage, operational impacts, community feedback, and recommendations for permanent adoption.

I FURTHER MOVE that departments may prioritize scheduling and access for productions generating multi-day activity, substantial in-City spend, or operating under State tax credits, provided such prioritization is applied transparently and consistent with City policy.

MOTION

The Van Nuys Airport Citizens Advisory Council (VNY CAC) was established by the Los Angeles Board of Airport Commissioners (BOAC) and approved by the Los Angeles City Council in 1985. The committee reviews issues affecting the operation of Van Nuys Airport and provides advice and recommendations to the Commission, Mayor's Office, City Council and other appropriate agencies. The VNY CAC was comprised of three representatives appointed by the Board of Airport Commissioners, three representatives appointed by the Mayor of Los Angeles, and two representatives each appointed by City Council members from Districts 2,3,4,5,6,7 and 12.

On October 16, 2025, BOAC approved a Resolution to reduce Council District 5 representation on the VNY CAC from two seats to one. In addition, the Resolution directs Los Angeles World Airports staff to conduct periodic audits aligned with general and special elections to evaluate flight path and noise impact maps for each City Council District, and based on the level of impact from Van Nuys Airport operations, LAWA will determine whether each Council District remains eligible to retain appointing authority to the VNY CAC. Furthermore, the Resolution establishes additional criteria for VNY CAC appointees.

Council should be given the opportunity to review rules governing the composition of Council CAC appointees. The BOAC Resolution notes that previous BOAC Resolutions establish a precedent for modifying the configuration of the VNY CAC, but this is not actually codified in the bylaws. Given that the VNY CAC is largely comprised of Council appointees, Council should be given the opportunity to consider the rules governing its composition, and to ensure that such Council review is codified into the VNY CAC's bylaws.

Additionally, BOAC should codify changes to the VNY CAC's bylaws over time. The existing bylaws of the VNY CAC have been amended and revised over time through various actions, resulting in multiple versions across different documents. To ensure clarity and consistency, they should be compiled and codified into a single comprehensive set of bylaws.

I THEREFORE MOVE that the City Council request Los Angeles World Airports to prepare a report with recommendations on how the City Council can consider changes to the makeup of the Van Nuys Airport Citizens Advisory Council.

I FURTHER MOVE that all prior changes to the bylaws of the Van Nuys CAC, including all changes to appointment criteria, geographical composition, purview, or related matters, as well as any new changes be compiled and codified into a single comprehensive set of bylaws posted on the LAWA website.

DEC 12 2025

BUDGET & FINANCE

MOTION

The Department of Recreation and Parks (RAP) is tasked with the maintenance and operation of the City's Park system, ensuring that facilities are clean, safe, and accessible to the public. Runyon Canyon Park, a 160-acre park located in Council District 4, is highly frequented for its panoramic views of Los Angeles, hiking trails, visibility of the Hollywood sign, and designated off-leash areas for dogs. It is estimated that Runyon Canyon Park receives approximately two million visitors a year, including tourists and locals. Pursuant to Los Angeles Municipal Code Section (LAMC) 63.44.14(c), Runyon Canyon Park is mandated to close one hour before Sunset and open one hour before Sunrise. The LAMC also designates Runyon Canyon Park as a park located in a high fire hazard zone.

Runyon Canyon Park's close proximity to densely populated areas and its location in a Very High Fire Hazard Severity Zone (VHFHSZ) creates public safety vulnerabilities that must be addressed. In January 2025, the Sunset Fire erupted in the Hollywood Hills, driven by strong winds, leading to mandatory evacuations and requiring air and ground crews to assist. Subsequently, in July 2025, two fires ignited within a single week, raising fears of a potential wildfire spread. Ensuring this park closure is essential to preventing vandalism, illegal dumping, and other after-hours activities that compromise public safety and damage of City property. Currently, two security officers, procured with one-time funding (CF 25-1433), provide security services at Runyon Canyon Park from 7:00 p.m. to 1:00 a.m. To ensure the continued enforcement of this closure, a long-term funding source must be identified.

I THEREFORE MOVE that the City Council instruct the City Administrative Officer, with the assistance of the Department of Recreation and Parks, to report on an ongoing funding source for daily security services at Runyon Canyon Park from 7:00 p.m. to 1:00 a.m.

HOUSING & HOMELESSNESS

MOTION

PERSONNEL AND HIRING

On December 10, 2022, Council approved resources for a strategic plan to streamline 100 percent deed-restricted affordable housing projects. To this end, the Council approved the creation of a new Affordable Housing Liaison Unit (AHLU) and authorized three positions for this work within the CAO (CF 21-0658). The purpose of the unit was to institutionalize this concierge service for 100 percent affordable housing projects to expedite and prevent delays in the development process, identify and remove barriers to development services process, and provide technical assistance to developers on the City's permitting process and building requirements.

The AHLU has worked collaboratively with our City's Development Services Departments and affordable housing developers to permit over 7,000 units of affordable housing projects within approximately 140 affordable development projects. Additionally, AHLU has assisted in various other permit streamlining initiatives working with other city departments.

Since the AHLU was initially grant funded, Charter Section 1001(d)(4) provides such positions to be exempted for an initial authorization not to exceed three years. As such, the AHLU's staffing authorization expires April 1, 2026. Currently, AHLU is funded through a HHAP grant, and there is funding for an additional year beyond AHLU's authorization expiration. This valuable service needs to continue, so it is incumbent upon the city to extend the staffing authorization and find gap funding for any portion of the timeline that is currently unfunded.

I THEREFORE MOVE that the Council reauthorize and extend the Affordable Housing Liaison Unit (AHLU) and the three positions initially authorized pursuant to Council File 21- 0658 for an additional year past the current authorization, through April 30, 2027, and utilize the remaining allocated funding allocated to the unit.

I FURTHER MOVE that the Council instruct the CAO to identify resources to fund additional extensions of the AHLU to ensure the longevity of the program. Funding sources to explore may include, but are not limited to, current and future HHAP, Measure A - Technical Assistance and/or Admin categories, and other grants.

I FURTHER MOVE that the CLA, with the assistance of the Planning Department, the Housing Department, and the AHLU, evaluate the strategic congruence of the AHLU within the CAO's office, and report back with those findings and any other recommendations regarding alternative options for a permanent placement within a department for the AHLU.

I FURTHER MOVE THAT the CAO direct the AHLU to report to the City Council on a quarterly basis on its work, including but not limited to: the number and type of projects assisted; average time saved in permitting or entitlement processing; identification of recurring bottlenecks across departments; number of units completed and in pipeline; completed and pipeline units by community plan area and council district; and recommendations for additional legislative or administrative actions to expedite 100 percent affordable housing projects.

ECONOMIC DEVELOPMENT & JOBS

Self-service checkout stations have become commonplace in grocery stores and markets throughout the City in recent years. While these stations may offer potential convenience for store owners or patrons, they are chronically understaffed, and occurrences of theft and violence are higher than at human-operated checkout stations. For example, in 2022, California retail stores and small businesses lost nearly \$9 billion as a result of theft, and surveys indicate that up to a quarter of this theft occurs at self-service checkout stations.

The City of Long Beach has taken action to institute an ordinance that requires drug and grocery retail establishments that provide self-service checkout options to:

- Provide at least one human-operated checkout station at all times;
- Limit the use of self-service checkout stations to purchases of 15 items or less;
- Prohibit purchases of alcohol, tobacco, and items that include theft-deterrent measures at self-service checkout stations;
- Ensure that self-service checkout stations are visible for observation and surveillance;
- Assign at least one employee to manage and surveil a self-service checkout stations at all times of operation; and
- Maintain a ratio of at least one employee to every three self-service checkout stations to manage and surveil these stations at all times of operation.

City residents should feel safe while shopping for essential items, and store operators should remain confident in their ability to deter theft. Implementing measures to counter crime related to self-service checkout stations will provide necessary security at local stores for all Angelenos.

I THEREFORE MOVE that the City Council INSTRUCT the Chief Legislative Analyst, with the assistance of the Bureau of Contract Administration and the City Attorney, to prepare a report summarizing self-service checkout conditions and requirements similar to those established by the City of Long Beach and other California jurisdictions. This report should include recommendations and options for requirements on drug and grocery retail establishments that provide self-service checkout options to provide human-operated checkout stations; prohibit certain uses of self-service checkout stations; ensure proper surveillance and security for self-service checkout stations; and other stipulations similar to the those established by other California jurisdictions.
